Text Sets Joanne Kilgour Dowdy, Rachael Fleischaker, 2018-07-17 Text Sets: Multimodal Learning for Multicultural Students integrates a multicultural approach to teaching with standards-based instruction and multimodal learning opportunities in a variety of content areas. This unique combination allows teachers to meet the demands of their curriculum while recognizing and honoring the diverse students in their classroom. Each chapter provides an annotated text set with a specific theme, curricular goals, and instructional activities that suggest ways for students to interact with the texts. In addition to providing ready-made text sets, it models a framework for teachers to build their own text sets based on the individual needs of their schools and communities.

Dancing Shakespeare Iris Julia Bührle, 2024-11-29 Dancing Shakespeare is the first history of ballets based on William Shakespeare's works from the birth of the dramatic story ballet in the eighteenth century to the present. It focuses on two main questions: How can Shakespeare be danced? and How can dance shed new light on Shakespeare? The book explores how librettists and choreographers have transposed Shakespeare's complex storylines, multifaceted protagonists, rhetoric and humour into non-verbal means of expression, often going beyond the texts in order to comment on them or use them as raw material for their own creative purposes. One aim of the monograph is to demonstrate that the study of wordless performances allows us to gain a deeper understanding of Shakespeare's texts. It argues that ballets based on Shakespeare's works direct the audience's attention to the bare bones of the plays: their situations, their characters, and the evolution of both. Moreover, they reveal and develop the choreographies that are written into the texts and highlight the importance of movements and gestures as signifiers in Shakespeare's plays. This book will be of interest to students and scholars of literature, dance, and music, as well as to an international readership of lovers of Shakespeare, ballet, and the arts.

Make Your Own History Joseph H. Holland, 2023-10-24 Celebrating the vast breadth and scope of Black excellence, Make Your Own History shares success principles exemplified by 120 Black unsung heroes who have blazed trails throughout American history. One hundred and twenty Black leaders, innovators, and entrepreneurs share their wisdom and experience across the centuries in Make Your Own History, an inspiring collection of exemplary Black voices—past and present, familiar and unsung—which have the power to guide us today. Make Your Own History gathers together motivational quotes, historical contexts, and enlightening precepts from Black trailblazers spanning the eighteenth century to the present. These

insights encompass twelve central themes: courage, self-discipline, compassion, perseverance, teamwork, integrity, industriousness, self-reliance, optimism, purposefulness, civility, and faith. These vigorous virtues will: *Deepen your courage through journalist Ida B. Wells' strategic activism in the face of professional and personal peril . . . *Fuel your perseverance through tennis superstar Serena Williams' journey to 23 Grand Slam singles titles . . . *Spark optimism through poet Langston Hughes' work as an artistic and intellectual catalyst for the Harlem Renaissance . . . Through these perspectives and so many more, *Make Your Own History* serves not only as an uplifting historical resource, but also as a spiritual road map for the life-long journey of purposefully setting and meeting personal goals. These pioneers are more than historic examples of Black excellence; their unique lives highlight universal truths that will inspire all readers to achieve great success and make their own history.
