Bloodlines Jessica Meigs, 2024-04-30 She lost everything because of the virus. Now she stands to lose even more. It's been two months since Sadie O'Dell and her friends discovered the existence of the Wall and took over the Eden Facility, and two months since she and Kimberly Gellar followed Ethan Bennett south to track down and evacuate survivors, and Sadie has finally begun to find some measure of happiness and family after the loss of her brother. But her little family's routine is shattered after they rescue a lone survivor outside of the Demopolis community in Alabama. A fellow survivor and acquaintance from Sadie's past, Dez Ikeda, reveals a potentially devastating discovery he's made, one that the leadership of the community is trying to keep under wraps. Ethan starts experiencing new, alarming side effects from his infection, ones that could upend everything they thought they knew about the virus. And an attack on Demopolis reveals an unexpected threat closing in on them, one determined to accomplish its goals by any means necessary. If you enjoy survivor-focused post-apocalyptic stories in the vein of Mira Grant and Jonathan Maberry, then you'll love *The Becoming Series*! Pick up your copy of *Bloodlines* and continue the epic post-apocalyptic tale of love, loss, and survival today!

Dodging Energy Vampires Christiane Northrup, M.D., 2018-04-17 Highly sensitive people—or empaths—see life through the eyes of compassion and caring. They were born that way. As a result, they carry a tremendous amount of inner light. But they're also the favored prey of vampires who feed off empaths' energy and disrupt their lives on every level—physical, emotional, and financial. In *Dodging Energy Vampires*, Christiane Northrup, M.D., draws on the latest research in this exciting new field, along with stories from her global community and her own life, to explore the phenomenon of energy vampires and show us how we can spot them, dodge their tactics, and take back our own energy. You'll delve into the dynamics of vampire-empath relationships and discover how vampires use others' energy to fuel their own dysfunctional lives. Once you recognize the patterns of behavior that mark these relationships, you'll be empowered to identify the vampires in your life too. In these pages, Dr. Northrup opens up a toolbox full of techniques you can use to leave these harmful relationships behind; heal from the darkness they've cast over your mind, body, and spirit; and let your own light shine. In the end, you may find yourself healthier, happier, wealthier, and more vibrant than you ever believed possible.
