

Of Night By Elie Wiesel

Ellen S. Fine

Night Elie Wiesel, 2012-02-07 A new translation from the French by Marion Wiesel. Night is Elie Wiesel's masterpiece, a candid, horrific, and deeply poignant autobiographical account of his survival as a teenager in the Nazi death camps. This new translation by Marion Wiesel, Elie's wife and frequent translator, presents this seminal memoir in the language and spirit truest to the author's original intent. And in a substantive new preface, Elie reflects on the enduring importance of Night and his lifelong, passionate dedication to ensuring that the world never forgets man's capacity for inhumanity to man. Night offers much more than a litany of the daily terrors, everyday perversions, and rampant sadism at Auschwitz and Buchenwald; it also eloquently addresses many of the philosophical as well as personal questions implicit in any serious consideration of what the Holocaust was, what it meant, and what its legacy is and will be.

Elie Wiesel's Night Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2014-05-14 Discusses the characters, plot and writing of Night by Elie Wiesel. Includes critical essays on the novel and a brief biography of the author.

Night - Elie Wiesel Harold Bloom, 2009 An important work on the Holocaust by a concentration camp survivor.

Night Elie Wiesel, 1986 Wiesel's account of his survival as a teenager in the Nazi death camps, including a new preface in which he reflects on the enduring importance of Night and his lifelong, passionate dedication to ensuring that the world never forgets man's capacity for inhumanity to man.

Summary and Analysis of Night Worth Books, 2017-03-14 So much to read, so little time? This brief overview of Night tells you what you need to know—before or after you read Elie Wiesel's book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of Night includes: Historical context Chapter-by-chapter overviews Analysis of the main characters Themes and symbols Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Night by Elie Wiesel: The gripping memoir by Nobel Laureate Elie Wiesel is one of the fundamental texts of Holocaust reportage and a poetic examination of a young man's loss of faith amid unspeakable acts of inhumanity. Wiesel was 15 years old when he was sent to Auschwitz with his mother, father, and three sisters. Wiesel recalls his horrifying ordeal, including the sadistic Nazi overseers, the death of his mother and younger sister, watching fellow prisoners disappear into the crematorium, the bloody death march to Gleiwitz, and the heartbreaking fatal beating of his father only months

before the camp's liberation. *Night* is a poignant representation of one young Jewish man's pain amidst the violent details of the worst genocide in world history. It is an invaluable record of the past as well as an ever-relevant warning about the consequences of fascism and bigotry. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction.

Legacy of Night Ellen S. Fine, 2012-02-01 Ellen Fine's book is full of original insights, beautifully written and structured. I could not put it down. It is a very important study. -- Rosette Lamont, Queens College and Graduate School, City University of New York By treating Wiesel's novels as literary-spiritual stages in the development of Wiesel's larger experience, as a survivor-witness-writer, Dr. Fine's book takes on an inherently dramatic character which makes it alive and exciting as well as instructive. -- Terrence Des Pres, Colgate University Fine clarifies Wiesel's intentions, especially illuminating the complex variations on the themes of speech and silence, fathers and sons, escape and return--in short, the ideas around which Wiesel organizes his literary universe. No one has done this before so thoroughly. -- Lawrence Langer, Simmons College

Night: Memorial Edition Elie Wiesel, 2017-09-12 A memorial edition of Elie Wiesel's seminal memoir of surviving the Nazi death camps, with tributes by President Obama and Samantha Power When Elie Wiesel died in July 2016, the White House issued a memorial statement in which President Barack Obama called him "the conscience of the world." The whole of the president's eloquent tribute serves as a foreword to this memorial edition of *Night*. "Like millions of admirers, I first came to know Elie through his account of the horror he endured during the Holocaust simply because he was Jewish," wrote the president. In 1986, when Wiesel received the Nobel Peace Prize, the Norwegian Nobel Committee wrote, "Elie Wiesel was rescued from the ashes of Auschwitz after storm and fire had ravaged his life. In time he realized that his life could have purpose: that he was to be a witness, the one who would pass on the account of what had happened so that the dead would not have died in vain and so the living could learn." *Night*, which has sold millions of copies around the world, is the very embodiment of that conviction. It is written in simple, understated language, yet it is emotionally devastating, never to be forgotten. Born in the town of Sighet, Transylvania, Wiesel was a teenager when he and his family were deported to Auschwitz and then Buchenwald. *Night* is the shattering record of his memories of the death of his mother, father, and little sister, Tzipora; the death of his own innocence; and his despair as a deeply observant Jew confronting the absolute evil of man. "Never shall I forget that night, the first night in camp, that turned my life into one long night," writes Wiesel. "Never shall I forget . . . even were I condemned to live as long as God Himself." These words are etched into the wall of the Holocaust Memorial Museum in Washington. Far more than a chronicle of the sadistic realm of the camps, *Night* also addresses many of the philosophical and personal questions implicit in any serious consideration of the Holocaust. In addition to tributes from President Obama and Samantha Powers, this memorial edition of *Night* includes the unpublished text of a speech that Wiesel delivered before the United Nations General Assembly on the sixtieth anniversary of the liberation of

Auschwitz, entitled "Will the World Ever Know." These remarks powerfully resonate with *Night* and with subsequent acts of genocide.

Night Elie Wiesel, 2017-07-04 *Night (Night)* By Elie Wiesel

Summary of Elie Wiesel's *Night* Milkyway Media, 2021-05-10 Buy now to get the key takeaways from Elie Wiesel's *Night*.

Sample Key Takeaways: 1) Author and narrator Eliezer Wiesel, who was twelve when the story begins in 1941, was a Jewish boy living with his family in a small town named Sighet, in what we now know as Romania. 2) In 1942, during World War II, the local authorities decided to kick out all Jews who were foreign from Sighet. They were packed into trains and sent off. The other inhabitants of Sighet didn't make much of it, though it should have been a warning for them.
