

Peace And Love Ringo

Jerry Gladstone

The Common Thread Jerry Gladstone, 2015-09-01 Personal stories from entertainers, athletes, and other successful people on how they overcame setbacks—and advice on how you can, too. What makes the difference between the desire for success and real success? Learn from some of the world's most successful people—including Mark Cuban, Sylvester Stallone, Bill O'Reilly, Montel Williams, Stevie Nicks, Snoop Dogg, Gloria Gaynor, Randy Couture and others, in this unique collection of stories and advice. They may be Academy or Grammy award winners, Super Bowl or World Series champions, Rock and Roll Hall of Fame legends, best-selling authors, or even billionaires—but that doesn't mean they have never faced obstacles and challenges. In fact, it was their ability to overcome the inevitable hardships of life that kept them on the path to achievement. Here, you can learn about their experiences and discover the “common thread” that successful people share. Stop letting your circumstances, your lack of resources, or your past define who you are or what you can become. Find proven strategies, insights, wisdom and perspective—in a guide that helps you master new skills and habits with practical, helpful “do it daily” tips you can implement immediately. “With his winning attitude and the many stories Jerry has shared in his book, there is no doubt we can all benefit and be empowered to reach our fullest potential” —Jim Davis, Emmy award-winner and creator of Garfield

The Wit and Wisdom of the North Rosemarie Jarski, 2009-10-13 Ey up, it's not only footie, pints and pies that are better up north - the humour also takes some beating. Whether it's comics like Peter Kay, Les Dawson and Victoria Wood, telly shows like Corrie and Open All Hours, or writers like Alan Bennett and Keith Waterhouse, the funniest and best-loved invariably hail from the land of perpetual drizzle (another thing they do better). This grand collection of northern wit is packed with these favourites and more. Likely lads and lippy lasses cast a wry eye on subjects close to the heart of every northerner, including - brass, grub, graft, courting, cricket, tittle-tattle and t'weather - adding up to a feast of northern hilarity.

Peace in the Waiting June Chapman, 2024-04-02 Your call to love those who don't know Jesus does not mean you need to save them. Through real-life guidance and encouragement, Peace in the Waiting helps us navigate the grief, confusion, and urgency we feel for loved ones who have rejected or wandered away from God. Is your heart weary from praying for someone you love to know Jesus? Peace in the Waiting offers a hope-filled path as you turn from your own doubts and frustration to

God's sovereignty and comfort. Drawing on her experience with a close friend, author June Chapman explores: How to name and process our sorrow over friends and family who don't know God Our confusion about some people being saved and not others Our questions about unanswered prayers Why we need to remember that a loved one's salvation is not up to us How we can embrace peace even in the longing we have for others to follow Jesus Peace in the Waiting calls us to take the focus off ourselves and trust in God's promises so that we might have a renewed sense of hope for those we love most.

Love and Let Die John Higgs,2023-02-07 A deep-dive into the unique connections between the two titans of the British cultural psyche—the Beatles and the Bond films—and what they tell us about class, sexuality, and our aspirations over sixty dramatic years. The Beatles are the biggest band in the history of pop music. James Bond is the single most successful movie character of all time. They are also twins. Dr No, the first Bond film, and Love Me Do, the first Beatles record, were both released on the same day: Friday 5 October 1962. Most countries can only dream of a cultural export becoming a worldwide phenomenon on this scale. For Britain to produce two iconic successes on this level, on the same windy October afternoon, is unprecedented. Bond and the Beatles present us with opposing values, visions of the British culture, and ideas about sexual identity. Love and Let Die is the story of a clash between working class liberation and establishment control, and how it exploded on the global stage. It explains why James Bond hated the Beatles, why Paul McCartney wanted to be Bond, and why it was Ringo who won the heart of a Bond Girl in the end. Told over a period of sixty dramatic years, this is an account of how two outsized cultural phenomena continue to define American aspirations, fantasies, and our ideas about ourselves. Looking at these two touchstones in this new context will forever change how you see the Beatles, the James Bond films, and six decades of cross-Atlantic popular culture.

Peace, Love, and Rock 'n' Roll Linda Lowery Keep,Linda Lowery,2005 It's 1964, and the times they are a-changin'. From mod British fashions to the hottest rock groups to the civil rights movement, Barbie is there, camera in hand, a witness to history who shares her observations with readers in this new chapter-book series.
