

The General And His Labyrinth

SJ Ball

The General in His Labyrinth Gabriel García Márquez, 2003-10-07 General Simon Bolivar, “the Liberator” of five South American countries, takes a last melancholy journey down the Magdalena River, revisiting cities along its shores, and reliving the triumphs, passions, and betrayals of his life. Infinitely charming, prodigiously successful in love, war and politics, he still dances with such enthusiasm and skill that his witnesses cannot believe he is ill. Aflame with memories of the power that he commanded and the dream of continental unity that eluded him, he is a moving exemplar of how much can be won—and lost—in a life.

The General in His Labyrinth Gabriel García Márquez, 2004-10-26 Gabriel García Márquez’s most political novel is the tragic story of General Simón Bolívar, the man who tried to unite a continent. Bolívar, known in six Latin American countries as the Liberator, is one of the most revered heroes of the western hemisphere; in García Márquez’s brilliant reimagining he is magnificently flawed as well. The novel follows Bolívar as he takes his final journey in 1830 down the Magdalena River toward the sea, revisiting the scenes of his former glory and lamenting his lost dream of an alliance of American nations. Forced from power, dogged by assassins, and prematurely aged and wasted by a fatal illness, the General is still a remarkably vital and mercurial man. He seems to remain alive by the sheer force of will that led him to so many victories in the battlefields and love affairs of his past. As he wanders in the labyrinth of his failing powers—and still-powerful memories—he defies his impending death until the last. *The General in His Labyrinth* is an unforgettable portrait of a visionary from one of the greatest writers of our time.

The General in His Labyrinth Gabriel García Márquez, 2004 Sample Text

The General and His Labyrinth Gabriel Garcia Marquez, 1995-01-22 Márquez supplies literary flesh and blood to Simón Bolívar, the finest general in Latin American history. A distinguished book. -The Los Angeles Times Book Review.

The General and His Labyrinth Gabriel García Márquez, 1990-11-06 General Simon Bolivar, the Liberator of five South American countries, takes a last melancholy journey down the Magdalena River, revisiting cities along its shores, and reliving the triumphs, passions, and betrayals of his life. Infinitely charming, prodigiously successful in love, war and politics, he still dances with such enthusiasm and skill that his witnesses cannot believe he is ill. Aflame with memories of the power that he commanded and the dream of continental unity that eluded him, he is a moving exemplar of how much can be won--and lost--

in a life. From the Trade Paperback edition.

The General in His Labyrinth Gabriel García Márquez, 2004-10-26 Gabriel García Márquez's most political novel is the tragic story of General Simón Bolívar, the man who tried to unite a continent. Bolívar, known in six Latin American countries as the Liberator, is one of the most revered heroes of the western hemisphere; in García Márquez's brilliant reimagining he is magnificently flawed as well. The novel follows Bolívar as he takes his final journey in 1830 down the Magdalena River toward the sea, revisiting the scenes of his former glory and lamenting his lost dream of an alliance of American nations. Forced from power, dogged by assassins, and prematurely aged and wasted by a fatal illness, the General is still a remarkably vital and mercurial man. He seems to remain alive by the sheer force of will that led him to so many victories in the battlefields and love affairs of his past. As he wanders in the labyrinth of his failing powers-and still-powerful memories-he defies his impending death until the last. *The General in His Labyrinth* is an unforgettable portrait of a visionary from one of the greatest writers of our time.

The Cambridge Companion to Gabriel García Márquez Philip Swanson, 2010-07-01 Gabriel García Márquez is Latin America's most internationally famous and successful author, and a winner of the Nobel Prize. His oeuvre of great modern novels includes *One Hundred Years of Solitude* and *Love in the Time of Cholera*. His name has become closely associated with Magical Realism, a phenomenon that has been immensely influential in world literature. This Companion, first published in 2010, includes new and probing readings of all of García Márquez's works, by leading international specialists. His life in Colombia, the context of Latin American history and culture, key themes in his works and their critical reception are explored in detail. Written for students and readers of García Márquez, the Companion is accessible for non-Spanish speakers and features a chronology and a guide to further reading. This insightful and lively book will provide an invaluable framework for the further study and enjoyment of this major figure in world literature.

The Labyrinth Harold Bloom, Blake Hobby, 2009 In literature, labyrinths can represent many things: complication and difficulty, interconnectedness, creativity, and even literature itself. This new title discusses the role of the labyrinth in "The Garden of Forking Paths," *Great Expectations*, *Ulysses*, and many others. *The Labyrinth* unravels this theme for literature students through 19 critical essays.

Gabriel García Márquez Jay Corwin, 2016-08-29 Gabriel García Márquez is considered one of the most significant authors in the Spanish language. Rising to prominence with *One Hundred Years of Solitude*, his fiction is widely read and studied throughout the world. This invaluable Guide gives a wide-ranging but in-depth survey of the global debate over García Márquez's fiction. It explores the major critical responses to his key works, devoting two whole chapters to *One Hundred Years of Solitude*. It also examines García Márquez's lesser-known short fiction, his place in the Boom, magical realism and his influence on other writers. Jay Corwin discusses both European and US-centric interpretations, balancing these with

indigenous and Hispanic contexts to give the reader an overarching understanding of the global reception of García Márquez's work.

Bolívar's Afterlife in the Americas Robert T. Conn, 2020-04-01 Simón Bolívar is the preeminent symbol of Latin America and the subject of seemingly endless posthumous attention. Interpreted and reinterpreted in biographies, histories, political writings, speeches, and works of art and fiction, he has been a vehicle for public discourse for the past two centuries. Robert T. Conn follows the afterlives of Bolívar across the Americas, tracing his presence in a range of competing but interlocking national stories. How have historians, writers, statesmen, filmmakers, and institutions reworked his life and writings to make cultural and political claims? How has his legacy been interpreted in the countries whose territories he liberated, as well as in those where his importance is symbolic, such as the United States? In answering these questions, Conn illuminates the history of nation building and hemispheric globalism in the Americas.

The Oxford Handbook of Gabriel García Márquez Gene H. Bell-Villada, Ignacio López-Calvo, 2022 This Handbook offers a comprehensive examination of Gabriel García Márquez's life, oeuvre, and legacy, the first such work since his death in 2014. It incorporates ongoing critical approaches such as feminism, ecocriticism, Marxism, and ethnic studies, while elucidating key aspects of his work, such as his Caribbean-Colombian background; his use of magical realism, myth, and folklore; and his left-wing political views. Thirty-two wide-ranging chapters cover the bulk of the author's writings, giving special attention to the global influence of García Márquez.

The Facts on File Companion to the World Novel Michael Sollars, Arbolina Llamas Jennings, 2008

El general en su laberinto / The General in His Labyrinth Gabriel García Márquez, 2003-10-14 Aclamado por el pueblo como Libertador, blanco de numerosas conjuras políticas y militares, héroe romántico y hasta libertino para sus detractores y sus partidarios, idealista íntegro y abandonado que contempla las ruinas de su sueño de unidad de los pueblos americanos tras la independencia del dominio español, Simón Bolívar emprende -enfermo, con un menguado séquito- el que será su viaje final. Parte desde Bogotá para seguir el curso del río Magdalena. Su viaje será el último en un doble sentido: le proporciona oportunidades para considerar los pasos que ha dado su agitada vida y, al mismo tiempo, la gravedad de sus dolencias apresura en pocos meses su encuentro con la muerte. El pulso magistral de la narración refiere hasta en sus detalles mínimos la inmensa aventura que, impulsada por la voluntad de Bolívar, transmutó el destino de América.

Latin American and Iberian Perspectives on Literature and Medicine Patricia Novillo-Corvalán, 2015-06-05 This is the first study to examine the representation of illness, disability, and cultural pathologies in modern and contemporary Iberian and Latin American literature. Innovative and interdisciplinary, the collection situates medicine as an important and largely overlooked discourse in these literatures, while also considering the social, political, religious, symbolic, and metaphysical dimensions underpinning illness. Investigating how Hispanic and Lusophone writers have reflected on the personal and

cultural effects of illness, it raises central questions about how medical discourses, cultural pathologies, and the art of healing in general are represented. Essays pay particular attention to the ways in which these interdisciplinary dialogues chart new directions in the study of Hispanic and Lusophone cultures, and emerging disciplines such as the medical humanities. Addressing a wide range of themes and subjects including bioethics, neuroscience, psychosurgery, medical technologies, Darwinian evolution, indigenous herbal medicine, the rising genre of the pathography, and the 'illness as metaphor' trope, the collection engages with the discourses of cultural studies, gender studies, disability studies, comparative literature, and the medical humanities. This book enriches and stimulates scholarship in these areas by showing how much we still have to gain from interdisciplinary studies working at the intersections between the humanities and the sciences.
