

The Unchained Life Manual

Jarlath Prendergast

The Unchained Life Manual Benjamin Farley, 2019-11-19 The Unchained Life Manual is an illustrated holistic wellness guide, which examines sixteen alternative healing modalities to re-calibrate the body, mind, and spirit. The term bio-hacking means to alter our biology to achieve a greater level of performance. By incorporating techniques such as light therapy, sound therapy, aromatherapy, vitamin therapy, inversion, meditation, and others, IT IS POSSIBLE to re-balance the body and to live in a state of ease, versus dis-ease. With 78% of Americans overweight and an estimated 80 million people suffering from insomnia and depression, it is becoming more apparent that the majority of people go through their lives living in a state of fatigue, exhaustion, despair, stress, and dis-ease. The Unchained Life Manual challenges generally accepted dogma concerning health, wellness, and recommended dietary allowances for vitamins and minerals, by presenting anecdotal, empirical, and clinical references that point towards a desperately needed collective paradigm shift. With multiple sources stating that medical mistakes are the third leading cause of death in America, maybe it is time for all of us to truly learn about our physiology and reclaim ownership over our personal health and wellness, so we can avoid unnecessary hospital visits?Disclaimer: The Unchained Life Manual is not medical advice. The information contained within is not designed to diagnose, treat, prevent, or cure any disease.

Jesus and the Disinherited Howard Thurman,2012-01-31 Famously known as the text that Martin Luther King Jr. sought inspiration from in the days leading up to the Montgomery bus boycott, Howard Thurman's Jesus and the Disinherited helped shape the civil rights movement and changed our nation's history forever. In this classic theological treatise, the

acclaimed theologian and religious leader Howard Thurman (1900-1981) demonstrates how the gospel may be read as a manual of resistance for the poor and disenfranchised. Jesus is a partner in the pain of the oppressed and the example of His life offers a solution to ending the descent into moral nihilism. Hatred does not empower--it decays. Only through self-love and love of one another can God's justice prevail.
