Every Man a King Walter Mosley, 2023-02-21 In this highly anticipated sequel from Edgar Award-winning master of craft and narrative, Walter Mosley, Joe King Oliver is entangled in a dangerous case when he's asked to investigate whether a white nationalist is being unjustly set up (National Book Foundation). When friend of the family and multi-billionaire Roger Ferris comes to Joe with an assignment, he's got no choice but to accept, even if the case is a tough one to stomach. White nationalist Alfred Xavier Quiller has been accused of murder and the sale of sensitive information to the Russians. Ferris has reason to believe Quiller's been set up and he needs King to see if the charges hold. This linear assignment becomes a winding quest to uncover the extent of Quiller's dealings, to understand Ferris' skin in the game, and to get to the bottom of who is working for whom. Even with the help of bodyguard and mercenary Oliya Ruez—no regular girl Friday—the machine King's up against proves relentless and unsparing. As King gets closer to exposing the truth, he and his loved ones barrel towards grave danger. Mosley once again proves himself a master of craft and narrative (National Book Foundation) in this carefully plotted mystery that is at once a classic caper, a family saga and an examination of fealty, pride and how deep debt can go. Been Wrong So Long It Feels Like Right Walter Mosley, 2025-01-28 In the latest from “mystery master” Walter Mosley, a family member's terminal illness leads P.I. Joe King Oliver to the investigation of his life: tracking down his long-lost father, and meanwhile, a new case pits King's professional responsibility against his own moral code. (TheWashington Post) Joe King Oliver's beloved Grandma B has found a tumor, and at her age, treatment is high-risk. She's lived life fully and without regrets, and now has only a single, dying wish: to see her long-lost son. King has been estranged from his father, Chief Odin Oliver, since he was a young boy. He swore to never speak to the man again when he was taken away in handcuffs. But now, Grandma B's pure ask has opened King's heart, and through his hunt, he gains a deeper understanding of his father as a complicated, righteous man—a man defined by women, a man protected by women, a man he wants to know. Although Chief was released from prison years ago, he's been living underground ever since. Now, King must not only find his father, but prove his innocence, and protect the future of his entire family. Simultaneously, King finds himself in a moral bind. Marigold Hart, the wife of a powerful Californian billionaire, has gone missing, along with their seven-year-old daughter. Orr is brutish and dangerous, and King realizes after locating her that it's in her best interest to stay hidden. But are his motives pure?

There is something magnetic about Marigold; he can't help but want her near. In the latest installment in the Joe King Oliver series, no good deed goes unpunished. Emotionally stirring, pulse-pounding, and undeniably sexy, *Been Wrong So Long It Feels Like Right* shows Walter Mosley at his best.

Down the River unto the Sea Walter Mosley, 2018-02-20 Winner of the Edgar Award for Best Novel of the Year: bestselling author Walter Mosley is back with a whole new character to love...As gorgeous a novel as anything he's ever written (Washington Post). Joe King Oliver was one of the NYPD's finest investigators until he was framed for sexual assault by unknown enemies within the force. A decade has passed since his release from Rikers, and he now runs a private detective agency with the help of his teenage daughter. Physically and emotionally broken by the brutality he suffered while behind bars, King leads a solitary life, his work and his daughter the only lights. When he receives a letter from his accuser confessing that she was paid to frame him years ago, King decides to find out who wanted him gone and why. On a quest for the justice he was denied, King agrees to help a radical black journalist accused of killing two on-duty police officers. Their cases intertwine across the years and expose a pattern of corruption and brutality wielded against the black men, women, and children whose lives the law destroyed. All the while, two lives hang in the balance: King's client's and his own. A wild ride that delivers hard-boiled satisfaction while toying with our prejudices and preconceptions. —Steph Cha, Los Angeles Times

(Inter)racial Relationships as Accompaniment in Twenty-First Century African American Novels E. Lâle Demirtürk, 2024-10-15 This book explores the need to interrogate and subvert the embodied discursive practices of whiteness in the reiteration of norms through the construct of accompaniment, both within black spaces and across the color line, with a critical awareness that values collective experience of shared vulnerability in everyday life.

African American Novels in the Black Lives Matter Era E. Lâle Demirtürk, 2019-08-09 *African American Novels in the Black Lives Matter Era: Transgressive Performativity of Black Vulnerability as Praxis in Everyday Life* explores the undoing of whiteness by black people, who dissociate from scripts of black criminality through radical performative reiterations of black vulnerability. It studies five novels that challenge the embodied discursive practices of whiteness in interracial social encounters, showing how they use strategic performances of Blackness to enable subversive practices in everyday life, which is constructed and governed by white mechanisms of racialized control. The agency portrayed in these novels opens up alternative spaces of Blackness to impact the social world and effects transformative change as a forceful critique of everyday life. *African American Novels in the Black Lives Matter Era* shows how these novels reformulate the problem of black vulnerability as a constitutive source of the right to life in their refusal of subjection to vulnerability, enacted by white institutional and individual forms of violence. It positions a white-black-encounter-oriented reading of these “neo-resistance novels” of the Black Lives Matter era as a critique of everyday life in an effort to explore spaces of radical performativity of

blackness to make happen social change and transformation.
