

# 50 Exercices Pour Maîtriser L'art De La Manipulation

**Christian Drosten**

**50 exercices pour maîtriser l'art de la manipulation** Christophe Carré, 2011-07-07 Parmi les propositions ci-dessous, cochez celles qui vous correspondent. Vous êtes né avec le gène bonne poire. Manipuler, c'est mal... Vous aimeriez être de ceux à qui on ne peut rien refuser... Marchander dans les magasins, ce n'est pas votre genre. Vous vous sentez redevable quand on vous a rendu service. Vous doutez qu'on puisse manipuler les gens pour leur bien. Ce que les autres pensent de vous compte beaucoup. Mentir vous met très mal à l'aise. Vous tombez facilement sous le charme de personnes s'exprimant avec aisance. C'est terrible, on ne vous obéit jamais Moins de 2 réponses : ce livre ne vous concerne pas. 2 à 5 réponses : la lecture de ce livre vous sera probablement bénéfique. Elle vous permettra d'améliorer vos capacités à influencer les autres. 6 à 10 réponses : ce livre est fait pour vous ! Vous faites souvent les frais, sans le savoir, de subterfuges manipulateurs. Entrez vous aussi dans la danse, et apprenez à manipuler comme on vous manipule !

Animer un groupe Christophe Carré, 2013-04-18 Guide d'autoformation pour réussir vos groupes de travail, animations, réunions, interventions publiques, séminaires de formation, présentations... Animer un groupe est un exercice délicat qui implique autant de savoir-être que de savoir-faire. Comment favoriser l'épanouissement des individus, faciliter l'organisation collective du travail, gérer les situations critiques... tout en restant soi-même, authentique et responsable ? Que vous soyez amené à animer un groupe de façon régulière ou non, dans un contexte social ou professionnel, ce guide vous propose un ensemble de méthodes et techniques pour : communiquer avec efficacité et sans stress, développer votre leadership, repérer les phénomènes d'influence qui entrent en jeu dans le groupe, intervenir de façon constructive en cas de problème. Vous y trouverez notamment des outils de travail adaptés à diverses situations : l'organisation d'une table ronde, d'une conférence-débat, d'une réunion de travail... Comprendre le groupe et sa dynamique Trouver son style d'animation S'exprimer avec aisance Séduire son public Gérer les comportements difficiles Arbitrer les conflits

La manipulation au quotidien Christophe Carré, 2017-02-23 Manipulation : vices et vertus Par maladresse, intérêt, perversion ou bienveillance la manipulation est partout et prend de plus en plus de place. Tout le monde manipule tout le monde ! Pourquoi se laisse-t-on manipuler ? Qui sont les gens qui manipulent ? Quelles sont leurs façons d'agir ? Comment ne plus entrer dans leur jeu et éviter d'être soi-même manipulable ? Les pratiques manipulateurs sont-elles toujours contestables ? Ce livre explore les mécanismes dont chacun use, en amitié, en amour, au travail, avec ses enfants... Intégrant

les multiples apports des sciences humaines et de la psychologie sociale, il constitue un véritable outil d'analyse des jeux relationnels. Aux personnes manipulées, comme à celles qui manipulent, Christophe Carré suggère des pistes, à la fois pour désamorcer les manipulations négatives dont nous pourrions être victime, mais aussi pour apprendre à communiquer sans tricher.

Que faire avec un enfant qui vous manipule ? Christophe Carré, 2017-11-23 Une relation complice et apaisée Caprice, chantage, négociation permanente, mensonge, colère... Un enfant qui manipule ses parents ou ses proches le fait parce qu'il souhaite obtenir quelque chose d'eux, de façon détournée, ou parce qu'il préfère éviter les conséquences de certains de ses actes. Cette attitude est souvent motivée par la peur. L'enfant n'ose pas ou ignore comment exprimer clairement ses ressentis. Face aux manipulations de leurs enfants, les parents sont destabilisés et leurs réactions ne font souvent qu'attiser les problèmes. Ce livre leur permettra de mieux comprendre ce qui se joue dans les relations qu'ils entretiennent avec leurs enfants, petits ou grands, et de clarifier les raisons qui poussent ces derniers à les manipuler. Grâce à des témoignages, des outils simples et efficaces, Christophe Carré donne les clés aux parents pour repérer les manipulations afin de les désamorcer, mais aussi pour penser autrement les comportements de leurs enfants et changer leur regard sur eux. Ils développeront leurs compétences pour agir avec efficacité, reprendre confiance dans leurs capacités parentales et accompagner leurs enfants sur le chemin de la responsabilité et de l'autonomie.
