**Social Decentering** Mark Redmond, 2018-05-22 Social decentering theory was developed in response to the confusion created by the use of the term empathy and to a lesser extent, perspective-taking, to reflect a wide and varied set of human cognitive processes and behaviors. *Theory of Social Decentering: A Theory of Other-Orientation Encompassing Empathy and Perspective-Taking*, presents an innovative approach to the social cognitive process by which humans take into consideration the thoughts, feelings, behaviors, and dispositions of other people. The multidimensional theory and measure of social decentering represents a unifying theory that identifies and incorporates key elements imbedded in other-oriented terms. The first chapters present the theory and development of a measure of social decentering in a complete and detailed manner examining the important role that social decentering plays in human communication. The remaining chapters of the book

examine the role that social decentering, empathy, and perspective-taking play in the development and management of interpersonal relationships, in marital relationships, in teams and group interactions, and in the workplace. The final chapter examines the negative consequences to individuals, decisions, and relationships potentially created by engaging in social decentering. The appendices include copies of the measure of social decentering and the measure of relationship-specific social decentering. The book is of interest for graduates in communication studies, psychology, and sociology, and valuable for communication and social psychology scholars interested in empathy or perspective taking.

7 Levels of Intimacy: a 45 Day Journey to Deepen Your Walk and Become His Dwelling Place Kyle Searcy, 2025-07-13 7 Levels of Intimacy: A 45-Day Journey to Deepen Your Walk and Become His Dwelling Place is a transformational devotional that invites readers into a progressive, life-altering relationship with God. More than a routine quiet time guide, this book takes you on a sacred path through seven biblical stages of intimacy-Servant, Steward, Friend, Child, Son, Bride, and Habitation. Each level unveils a deeper layer of God's heart and your identity in Him. Structured as a 45-day journey, each devotional begins with a relatable story, followed by scriptural insights, reflective questions, and practical action steps that challenge and inspire. Whether you're a new believer or a seasoned follower of Christ, this book will help you move beyond

surface spirituality into a place of abiding communion. Written with pastoral warmth and theological depth, 7 Levels of Intimacy is for those who crave more than Sunday faith. It's for the hungry-hearted who want to know God-not just work for Him, talk about Him, or sing to Him-but walk with Him, hear His heartbeat, and ultimately become His dwelling place. Ideal for personal study, small groups, or spiritual retreats, this devotional is both a roadmap and an invitation. Let this journey renew your passion, shift your spiritual perspective, and guide you into the deeper waters of divine intimacy.K
