A Camping Spree with Mr. Magee Chris Van Dusen, 2011-03-25 Mr. Magee and his trusty dog, Dee, are enjoying a peaceful camping trip when all of a sudden they find themselves plunging down a mountain and teetering on the edge of a huge waterfall! How will they find their way out of this slippery situation? Chris Van Dusen, the creator of *Down to the Sea with Mr. Magee*, has filled this new adventure with charming illustrations and a playful, rhyming text. Learning to Ski with Mr. Magee Chris Van Dusen, 2010-07-01 One winter morning, Mr. Magee and his little dog, Dee, head out bright and early to learn how to ski. But what begins as a pleasant day in the snow quickly goes downhill when a run-in with a curious moose sends them flying through the air and hanging above an abyss! How will Dee and Magee find their way out of this snowy situation? Chris Van Dusen, the creator of *Down to the Sea with Mr. Magee* and *A Camping Spree with Mr. Magee*, has crafted yet another fun-filled adventure for Magee fans old and new.

**Revitalizing Read Alouds** Lisa Hammett Price, Barbara A. Bradley, 2016 How can educators and other professionals caring for children extend the learning potential of read alouds? This book is designed to help teachers, special education specialists, and speech-language pathologists achieve two objectives: 1) how to interact with children around books in ways that are instructive in nature but also responsive to children's verbal contributions; and 2) how to use literature, informational texts, and poetry to achieve the goals of the Common Core State Standards. The authors provide specific recommendations for structuring read aloud routines in the early childhood classroom, making the read aloud interactive, using instructional strategies that enhance children's vocabulary and content knowledge, and supporting and extending children's verbal contributions through scaffolding during the activity. This practitioner-friendly text also includes methods for supporting children with special needs, as well as English language learners. Book Features: Recommendations for how to choose quality books in each of the three genres—informational, literature, and poetry. The most useful interactive/instructional strategies. The types of visual supports and props that can augment the read aloud. Methods for extended learning opportunities. Examples and excerpts from actual read alouds to illustrate the methods. Read aloud activities that align with the Common Core State Standards. The benefits and challenges of using digital texts "This book is a great read, filled with raise-the-bar opportunities for teaching and learning with literature, information text, poetry, and

ebooks. If you choose to teach like this, children won't say they didn't learn anything in school today." —Sharon Walpole, Ph.D., professor, University of Delaware "Offers exceptionally comprehensive and clear guidance about developing young children's oral language and thinking through conversations during read alouds." —Judith A. Schickedanz, Boston University "The teaching examples, particularly for supporting children's thinking, will be useful for new and seasoned teachers alike!" —Tanya Christ, Oakland University
