Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Act Like a Lady, Think Like a Man Steve Harvey, 2011-11-22 Steve Harvey can't count the number of impressive women he's met over the years—women who can run a business, keep a household with three kids in tiptop shape, and chair a church group all at the same time. So when it comes to relationships, why can't these women figure out what makes men tick? According to Steve it's because they're asking other women for advice when they should be going directly to the source. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the male mindset; introduces concepts such as the ninety-day rule; and reveals the five questions women should ask a potential partner to determine how serious he is. Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships, intimacy, and love.

Launch Your Self-Publishing Journey Monica F. Anderson, M. Stolard, 2022-05-09 Why would anyone self-publish? There are many reasons. Some have tried traditional publishing and grown weary of waiting for responses to their submissions and most have witnessed the success stories of countless self-published authors. Those are legitimate reasons to explore self-publishing. Many well-known authors like Margaret Atwood, Robert Kiyosaki, Zane, Beatrix Potter, E.L. James, and Wayne Dyer self-published their way to tremendous literary success. Having the confidence to self-publish does not make you a failure or vain. It gives you more control over how your message reaches readers. There are numerous benefits to self-publishing, including: • Fast track the publishing process. • Retain full ownership of your intellectual property. • Set a competitive price and offer discounts. • The right to decide which format(s) to offer (audio, paperback, e-book). • Keep more of the profits by eliminating gatekeepers. Many authors are doing it successfully, and so can you. With over a dozen published books between them and years of writing experience, Dr. Monica F. Anderson and Dr. M. Stolard are positioned to help others avoid the mistakes commonly made by self-published authors. In this book, they share a step-by-step guide with clear examples from their publishing successes (and failures). This book bridges the gap between your manuscript and a finished, professional-looking book!

Miss Behave Malebo Sephodi, 2017-06-06 Upon encountering historian Laurel Thatcher Ulrich's quote, 'well-behaved women seldom make history', Malebo Sephodi knew that she was tired of everyone else having a say on who and what she should be. Appropriating this quote, Malebo boldly renounces societal expectations placed on her as a black woman and shares her journey towards misbehavior. According to Malebo, it is the norm for a black woman to live in a society that prescribes what it means to be a well-behaved woman. Acting like this prescribed woman equals good behavior. But what happens when a black woman decides to live her own life and becomes her own form of who she wants to be? She is often seen as misbehaving. Miss-Behave challenges society's deep-seated beliefs about what it means to be an obedient woman. In this book, Malebo tracks her journey on a path towards achieving total autonomy and self-determinism. Miss-Behave will challenge, rattle and occasionally cause you to scream 'yassss, yassss, yassss' at various intervals.

Husband Magnet Dr. Barba Maulana Koroma Phd, 2020-11-15 One of the biggest decisions you will make in life is to pair up in marriage. While this is an important consideration for both men and women, it is an especially important one for women. This is because the number of eligible women surpasses that of eligible men in most communities. Secondly, men tend to take longer to decide on settling down in marriage, which makes test-driving relationships that end nowhere frustrating for women. But, if you have been looking and Mr. Right has yet to come knocking at your door, what do you do? Simply, you don't leave it all to chance as though you expect him to fall from the sky, you do your homework. As you do, please don't chase a man, attract him! Are you tired of being played by men who won't commit? Do you look forward to the day when you are the bride rather than the bridesmaid? Have you had enough of being bumped by less endowed women time and again? Do you believe that it is time for you to be the main show in the arms of your own man? If the answer to any of these questions is yes, for you, a friend, schoolmate, family member, coworker, churchmate, or friend of a friend, then look no further. This is your moment to act and the tool you need. Husband Magnet will not only help a single woman fast-track to success in attracting a worthy man for marriage, it is a handy companion for a married woman who wishes to spice up her marriage. This book will teach you how to be a husband magnet.

The Fictions that Shape Men's Lives Christopher Kilmartin, 2021-04-20 The Fictions that Shape Men's Lives is structured around a number of key 'fictions' of masculinity, such as beliefs in biological determinism, the inevitability of men's violence and the opposition of the sexes, and proceeds to expose them to be wholly or partially unfounded. Examining the social pressure to behave and experience the self in ways that culture prescribes for the bodies we are perceived as having, this book provides an awareness of widely-held but distorted assumptions of gender. It also seeks to put men into the position to resist masculine social pressures when conforming to it conflicts with important life goals or values and/or causes harm. Making use of an informal, storytelling style provides an accessibility to those interested in breaking down their preconceptions of gender and masculinity, as well making links to key theories and concepts. This is a lively and engaging book for undergraduates studying introduction to Gender, Sexuality and Masculinity courses.

Act Like a Lady, Do Not Think Like a Man Raymond Sturgis, 2011-12-20 (REVISED EDITION) Love is a beautiful gift that many people search for a lifetime to experience. However, the hardship and disappointment in relationships and marriage lead them down roads that stymie their ability to attain love. The fame comedian Steve Harvey wrote the book ACT LIKE A

LADY, THINK LIKE A MAN, and his book and movie did not prove why women should think like men. However, it revealed the obvious, that when women tried to think like men, they lost their individuality and wisdom, which invigorate their quality. This book is not a direct attack of the validity of the fame comedian; however, it is Raymond Sturgis continuation of the conversation, why should women think like a man? Moreover, women success in education, medicine and entrepreneurship is a valid indication that they achieve their success independent of what men think of them. Therefore, I submit to you, realistic analogies of why women should ACT LIKE LADY, and continue to make the world respect them for their intelligence and ability to transform this world. From faith, self-esteem, and intimacy, marriages and relationships can and will be empowered by the information in this book that evoke quality reasons why women would not be thought of inferior if they continue to think like themselves.
