Developing Apps with GPT-4 and ChatGPT Olivier Caelen, Marie-Alice Blete, 2024-07-10 This book provides an ideal guide for Python developers who want to learn how to build applications with large language models. Authors Olivier Caelen and Marie-Alice Blete cover the main features and benefits of GPT-4 and GPT-3.5 models and explain how they work. You'll also get a step-by-step guide for developing applications using the OpenAI Python library, including text generation, Q&A, and smart assistants. Written in clear and concise language, *Developing Apps with GPT-4 and ChatGPT* includes easy-to-follow examples to help you understand and apply the concepts to your projects. Python code examples are available in a GitHub repository, and the book includes a glossary of key terms. Ready to harness the power of large language models in your applications? This book is a must. You'll learn: Fundamentals and benefits of GPT-4 and GPT-3.5 models, including the main features and how they work How to integrate these models into Python-based applications, leveraging natural language processing capabilities and overcoming specific LLM-related challenges Examples of applications demonstrating the OpenAI API in Python for tasks including text generation, question answering, content summarization, classification, and more Advanced LLM topics such as prompt engineering, fine-tuning models for specific tasks, RAG, plug-ins, LangChain, LlamaIndex, GPTs, and assistants Olivier Caelen is a machine learning researcher at Worldline and teaches machine learning courses at the University of Brussels. Marie-Alice Blete, a software architect and data engineer in Worldline's R&D department, is interested in performance and latency issues associated with AI solutions.

[Traveler's Guide \(pdf\)](#) [Trials and Triumph](#) 3 Michael Wornlocker, 2025-05-01 Life is a journey—a road we all must walk, filled with twists, turns, challenges, and choices. Along this road, we are often faced with decisions that shape not only our path but the very essence of who we are. Some roads promise ease and freedom but lead us astray into fear and regret. Others demand preparation, discipline, and faith, yet they guide us to peace, strength, and fulfillment. The question is: which road will you choose? This novel is a story, an allegory, and a mirror. It follows two travelers, Zach and Elisha, as they set out on a journey to a distant city. At the fork in the road, they are presented with two paths, each representing a different way of life. One is the road of ease, rebellion, and neglect—the road of the ego. The other is the road of discipline, faith, and trust—the road of purpose. Their decisions lead them down vastly different journeys, revealing truths about the human spirit, the power of faith, and the profound consequences of our choices. This novel is both a tale of adventure and a spiritual

reflection. It challenges us to examine the roads we walk, the choices we make, and the faith we carry. It reminds us that while the journey may be hard, the rewards far outweigh the trials. Through Zach and Elisha's experiences, we are invited to reflect on our own lives and discover the joy and freedom that come from trusting in something greater than ourselves. As you embark on this journey with Zach and Elisha, may their story inspire you to look at your own path with renewed clarity. May it remind you that no burden is too heavy when carried with faith, and no road is too steep when walked with purpose. Above all, may it encourage you to choose the road that leads not just to happiness, but to eternal fulfillment. The journey begins now. Which road will you take?
