**The Case for Christ** Lee Strobel, 2010-11 The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, Can the Biographies of Jesus Be Trusted?), scientific evidence, (Does Archaeology Confirm or Contradict Jesus' Biographies?), and psychiatric evidence (Was Jesus Crazy When He Claimed to Be the Son of God?). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

**Breathe Easy** Brynn Sauer, 2020-10-07 The New Testament portrays the Christian life as one of resilient joy, overwhelming grace, and abundant love. Yet, if we look around, many Christians are riddled with constant fear, heavy burdens, and excessive self-criticism. What happened? Breathe Easy intertwines personal stories, scientific research, and biblical evidence behind resting in who God is and what He has done. Supported by Brynn Sauer's own journey, this book will show you that God desires for you to let go of the worry, stress, and pressure and start breathing easy.

**Turin Shroud: The Fifth Gospel, A Scientific and Legal Case for the Resurrection** Mickey J Ridings, JD, 2023-09-11 Today, we live in a time of images, photos, and videos that we continuously show others. Why? Because we love the person pictured. Thus, if my heavenly Father left a photo of His Son Jesus and His passion whom we love, I want to know about it and show it to others. The Shroud is one of the most scientifically investigated artifacts in the world. Numerous scientists, authors, researchers, and experts have published abundant literature. Notable figures, such as Rogers, Habermas, Jackson, Rucker, Whanger, Antonacci, Schwartz, and many more, have contributed to the ongoing dialogue. This book merges the phenomenal works of these experts with the scriptures, historical and physical evidence to create a comprehensive narrative. For example, What supernatural timing of three events confirms the exact date of Jesus' death? What prophet predicted that exact date? What ancient prophecy is only confirmed in the Shroud? How does the Shroud confirm Jesus' body left the tomb in three days? I hope to provide a deeper understanding of the Shroud by presenting a unified story incorporating all available evidence, adding power to your faith and its relevance in today's world.

*The Case System of Eastern Indo-Aryan Languages* Bornini Lahiri, 2021-04-29 This book presents a typological overview of the case system of Eastern Indo-Aryan (EIA) languages. It utilizes a cognitive framework to analyse and compare the case markers of seven EIA languages: Angika, Asamiya, Bhojpuri, Bangla, Magahi, Maithili and Odia. The book introduces semantic maps, which have hitherto not been used for Indian languages, to plot the scope of different case markers and facilitate cross-linguistic comparison of these languages. It also offers a detailed questionnaire specially designed for fieldwork and data collection which will be extremely useful to researchers involved in the study of case. A unique look into the linguistic traditions of South Asia, the book will be indispensable to academicians, researchers, and students of language studies, linguistics, literature, cognitive science, psychology, language technologies and South Asian studies. It will also be useful for linguists, typologists, grammarians and those interested in the study of Indian languages.

The Case for Christ Study Guide Revised Edition Lee Strobel, Garry D. Poole, 2013-11-25 Is there credible evidence that Jesus of Nazareth really is the Son of God? Skeptics dismiss the Jesus of the Gospels by claiming there is no evidence in the case for Christ. Lee Strobel disagrees. The former legal journalist and one-time atheist knows how to ask tough questions. His own search for truth about Jesus led him to faith in Christ. Now Strobel invites you and your group to investigate the truth about Jesus Christ leading to the facts that guided Strobel from atheism to faith in Christ. In this revised six-session study (DVD/digital video sold separately), participants will journey along with Strobel on a quest for the truth about Jesus. Rejecting easy answers, you will sift through fascinating historical evidence as you weigh compelling expert testimony. In the end, groups may very well see Jesus in a new way--and even, like Strobel, find their life transformed. Pastors, small group leaders, and individuals will find compelling answers for their questions about Jesus in The Case for Christ Study Guide. *God and Difference* Linn Marie Tonstad, 2015-10-05 God and Difference interlaces Christian theology with queer and feminist theory for both critical and constructive ends. Linn Marie Tonstad uses queer theory to show certain failures of Christian thinking about God, gender, and sexuality. She employs queer theory to dissect trinitarian discourse and the resonances found in contemporary Christian thought between sexual difference and difference within the trinity. Tonstad critiques a broad swath of prominent Christian theologians who either use queer theory in their work or affirm the validity of same-sex relationships, arguing that their work inadvertently promotes gendered hierarchy. This volume contributes to central debates in Christianity over divine and human personhood, gendered relationality, and the trinity, and provides original accounts of God, sexual difference, and Christian community that are both theologically rich and thoroughly queer.

Case for Christ Lee Strobel, 2010-11-12 There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that - stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel - an award-winning legal journalist with a knack for asking tough questions - decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence - how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ?

**Offenbarung Des Endtchrists Aus Dem Propheten Daniel (1524)** Denis Kaiser,2010-05 Seminar paper from the year 2008 in the subject Theology - Historic Theology, Ecclesiastical History, grade: 1.0, University of St Andrews (Seventh-day Adventist Theological Seminary), course: Protestant Theological Heritage, language: English, abstract: Statement of the Problem: Andrews University holds in its Center for Adventist Research a considerable collection of tracts and pamphlets of the Reformation period. Some of these writings still wait for a more thorough investigation than has been possible in the past. One of these tracts that has not yet received the due attention is Martin Luther's Offenbarung des Endtchrists: au dem Propheten Daniel, wider Catharinum (1524), a German translation of the Latin Ad librum eximmii Magistri Nostri Magistri Ambrosii Catharini, defensoris Silvestri Prieratis acerrimi, responsio (1521). This book was written to Ambrosius Catharinus, and deals with the prophecy of Dan 8 on the manifestation of the End-Christ (the eschatological Antichrist). In the course of this paper I will refer to it simply as the Responsio. This Streitschrift could, however, be especially interesting for Seventh-day Adventists since their origin and message is undoubtedly connected to the interpretation of the prophecies of Daniel. Purpose of the Research The aim of this study is to get a better understanding of the historical background of Luther's Responsio and how he interpreted the prophecies of Dan 8 in that book. Further, I want to highlight parallels and diversities between Luther's approach and the Adventist approach to the prophecies of the Dan 8. Methodology First, the primary and secondary sources will be examined in order to comprehend the historical setting, in which the book was written as well as to identify the reasons for Luther to write his book. Its reception will be recognized in its translation into other languages, in the reaction of its recipient and of other contemporaries. Second, the content of the tract will be summarized

**The Case for Faith** Lee Strobel,Garry Poole,2009-01-01 Doubt is familiar territory for Lee Strobel, former atheist and award-winning author of books for skeptics and Christians. But he believes that faith and reason go hand in hand, and that Christianity is a defensible religion. In this Case for Faith pack---a six-session video curriculum with included participant's guide---Strobel uses his journalistic approach to explore the most common emotional obstacles to faith in Christ. These include the natural inclination to wrestle with faith and doubt, the troubling presence of evil and suffering in the world, and the exclusivity of the Christian gospel. And also this thought-provoking question: Can I doubt and be a Christian? Through compelling video of personal stories and experts addressing these topics, combined with reflection and interaction, Christians and spiritual seekers will learn how to overcome these obstacles, deepen their spiritual convictions, and find new

confidence that Christianity is a reasonable faith. The Case for Faith pack contains one softcover participant's guide and one DVD-ROM with six video sessions, leader's guide PDF, and promotional materials.
