Masculinity in the Contemporary Romantic Comedy John Alberti, 2013-09-11 This volume addresses the growing obsolescence of traditional constructions of masculine identity in popular romantic comedies by proposing an approach that combines gender and genre theory to examine the ongoing radical reconstruction of gender roles in these films. Alberti creates a unified theory of gender role change in the movies that combines the insights of both poststructuralist gender and narrative genre theory, avoiding binary approaches to the study of gender representation. He establishes the current crises in both gender representation and genre development within romantic comedies as examples of experimentation and change towards narratives that feature more egalitarian and less essentialist constructions of gender.

Animal Narratives and Culture Anna Barcz, 2017-03-07 The term “vulnerable realism” can imply two different understandings: one presenting weak realism as incomplete, and mixed with other literary styles; the other bringing realistic vulnerable experience into narration. The second is the key concern of this work, though it does not exclude the first, as it asks questions about realism as such, entering into a polemic with the tradition of literary realism. Realism, then, is not primarily understood as a narrative style, but as a narration that tests the probability of nonhuman vulnerable experience and makes it real. The book consists of three parts. The first presents examples of how realism has been redefined in trauma studies and how it may refer to animal experience. The second explores what is added to the narrative by literature, including the animal perspective (the zoonarrative) and how it is conducted (zoocriticism). The third analyses cultural texts, such as painting, circuses, and memorials, which realistically generate animal vulnerability and provide non-anthropocentric frameworks, anchoring our knowledge in the experience of fragile historical reality.

The Disinformation Age W. Lance Bennett, Steven Livingston, 2020-10-15 This book shows how disinformation spread by partisan organizations and media platforms undermines institutional legitimacy on which authoritative information depends.

The Tempest William Shakespeare, 1999-08-13 A new edition of *The Tempest* which brings alive the rich interpretative possibilities of this most popular play.

The Hardest Part G.A. Studdert Kennedy, 2017-10-30 Stark, moving but with glimmers of humour amongst the wreckage, *The Hardest Part* asks perhaps the hardest question of all when faced with the horrors of the 1st World War - where was God

to be found in the carnage of the western front? Geoffrey Studdert Kennedy's answer, that through the cross God shares in human suffering rather than being a 'passionate potentate' looking down unmoved by death, injury and destruction on an immense scale, was, and still is, revolutionary. Marking the centenary both of the end of the First World War and the original publication of *The Hardest Part*, this new critical edition contains a contextual introduction, a brief biography of Studdert Kennedy, annotated bibliography and the full text of the first edition of the book, with explanatory notes.

Advanced Criminology for Crime Control and Reduction James Vadackumchery, 2021-01-01 ENERGY to commit crimes can never be destroyed-but be altered to another ENERGY. Total prevention or eradication of crimes on earth is an impossibility. Commission of crimes is a continuous process. Crime-control/reduction is possible by the application of PUSH-PULL-EGO FACTOR theory of crime causation. The author says that ONE'S CRIME IS HIS CHOICE and NO ONE ELSE'S. Precisely therefore, no one can or will prevent crimes if the crime-doer is not prepared to control him and his behaviour SELF CONTROL is the BEST and the ONLY control to reduce crimes in society. The crime control/ reduction too becomes a continuous process till the consummation of the world. The book-ADVANCED CRIMINOLOGY for Crime Control and Reduction is the other side of author's book titled ADVANCED CRIMINOLOGY or The WHY of Crime [13:978-93-5125-265-8] published by the CONCEPT. Anyone keenly interested in crime control and reduction will find this book extremely useful and rewarding.

Will I See My Dog In Heaven Friar Jack Wintz, 2010-08-01 Original Edition of I Will See You in Heaven What do you think: Will we see our dogs and cats in the hereafter? Does God's plan for eternity include the created nonhuman world? Franciscan friar and popular writer Father Jack Wintz brings a love for all creation and infectious enthusiasm to the serious task of exploring answers to these long-asked questions, In Will I See My Dog in Heaven? Father Jack admits that no one really knows what God has in mind for us in the next life. But in ten thoughtful chapters, he lines up evidence from the Scriptures, Christian tradition and liturgy, and the life and teachings of St. Francis of Assisi, that God desires all creatures (yes, including our beloved pets!) in the afterlife.

Dog Is God Spelled Backwards Marcella Bickerstaff, 2011-03 God is always speaking to us, but most of the time we just aren't listening. We either don't discern His voice or we just ignore Him when He does speak. Far too often, He has to use

various ways of getting our attention. In my situation, He chose to use what I cherished the most--my dogs--to make me aware of His Love and Goodness. God speaks in the most unusual, extraordinary, and sometimes funny ways. He speaks the loudest during our times of pain and suffering when we need Him the most. Too often, I experienced pain and unnecessary loss because I ignored Him when He spoke. It was during a traumatic event that it finally dawned on me how long He had been trying to get me to tune my antenna to His frequency, which resonated on the wavelength of my heart. There is no static on His frequency, there only was on mine. I finally figured out that by clearing up the static on my channel, I would always receive clear signals from His transmitter and ride upon His wavelength. By obeying and following His instructions, I can experience more joy, instead of pain or loss. The second lesson I learned was to never give up on praying. Praying is the direct channel into God's throne room of grace and mercy, from which He transmits the signals of love that broadcast answered prayers and instructions. It has been through my journey with dogs that He transmitted the most, because they were the bandwidth on my radio receiver that I operated on. He created them, so He can use them in whatever capacity He chooses. They were just one way He chose to show me how much He really loves me. I just needed to listen and then obey Him.

A Man, His Dog, and God Keith Anderson, 2016-04-12 God, who protects and guides us all, has created in the animal kingdom something that amazes us all. In *A Man, His Dog, and God*, author Keith Anderson uses short stories and vignettes focusing on his dog, Bear, and their time together. He recalls how his close relationships with Bear; with his wife, Betty; and with God have sustained him during a most difficult time in his life. Along with stories of Bear and of other animals, Anderson shares his love of the Suwanee River, and how watching the cool waters gentle flow can help ease obligations. He also tells the story of his wife's battle with cancer. His recollections range from funny and joyful to poignant, touching so many aspects of God's creation. The stories in this collection make connections between Bear and his position with God to encourage you in your faith. God has an eternal love for His people, and He uses all His creatures and creation to convey that love to us. In *A Man, His Dog, and God*, Anderson felt the Lord's call saying: I want you to tell a story using Bear and his experiences to tell my children how much I love them.

Jesus and His Dog (Colored Version) Michael Considine Jr, 2014-03-14 The Author truly believes that the dog is God's most perfect creation, and it shows by the unconditional love dog shows for man. This trait is not shown by any other creature and only shown in the relationship dog has with man, and is a gift from God to man. God is the only other that shows this unconditional love towards man, so the Author feels the dog is very special in God's eyes, even the name Dog is a reflection of the name God. This book will touch on all your emotions, happiness, sadness, anger and in the final chapter this Author's vision of why dogs go to heaven, you will feel the unconditional love given to man only from God and Dog. We all

have heard the Gospel stories of Jesus, but the Author tastefully injected a loving companion dog into some of these beautiful stories. He knew some might take offense with him messing with the Gospels, but he is a man of great faith as well as a dog parent, and he takes great pain in writing this book so as to not change the Gospel's real meaning. The best way to see if this book is for you is to hit the look inside button, and you will be able to read the full chapter before you buy. There are a few purely fictional chapters that were added, but they are respectfully written and take nothing from the scriptures.
