Caleb Carr

The Alienist Caleb Carr, 2006-10-24 NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES • “A first-rate tale of crime and punishment that will keep readers guessing until the final pages.”—Entertainment Weekly “Caleb Carr’s rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us.”—The Detroit News When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or “alienist”—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society’s belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* “[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores.”—The Washington Post Book World “Mesmerizing.”—Detroit Free Press “The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller.”—The Buffalo News “Engrossing.”—Newsweek “Gripping, atmospheric . . . intelligent and entertaining.”—USA Today “A high-spirited, charged-up and unfailingly smart thriller.”—Los Angeles Times “Keeps readers turning pages well past their bedtime.”—San Francisco Chronicle

El alienista Caleb Carr, 1995

The Alienist Machado De Assis, 2012-08-28 A classic work of literature by “the greatest author ever produced in Latin America.” (Susan Sontag) Brilliant physician Simão Bacamarte sacrifices a prestigious career to return home and dedicate himself to the budding field of psychology. Bacamarte opens the first asylum in Brazil hoping to crown himself and his hometown with “imperishable laurels.” But the doctor begins to see signs of insanity in more and more of his neighbors. . . .

With dark humor and sparse prose, *The Alienist* lets the reader ponder who is really crazy. *** This is a Hybrid Book. Melville House HybridBooks combine print and digital media into an enhanced reading experience by including with each title additional curated material called Illuminations — maps, photographs, illustrations, and further writing about the author and the book. The Melville House Illuminations are free with the purchase of any title in the HybridBook series, no matter the format. Purchasers of the print version can obtain the Illuminations for a given title simply by scanning the QR code found in the back of each book, or by following the url also given in the back of the print book, then downloading the Illumination in whatever format works best for you. Purchasers of the digital version receive the appropriate Illuminations automatically as part of the ebook edition.

The Alienist (Sofia Publisher) Machado De Assis, Rodolfo Medeiros, 2024-02-18 *The Alienist* story revolves around Dr. Simon Bacamarte, a psychiatrist who comes to the small town of Itaguaí and establishes a mental institution called Green House, where he conducts various experiments on the townspeople to determine who is sane and who is insane. This work explores themes of madness, power, and the ambiguity of truth, offering a satirical commentary on human nature and society. *The Alienist*, originally published in 1882, is considered one of Machado de Assis' masterpieces. Joaquim Maria Machado de Assis, a black writer and grandson of freed slaves, was born in 1839, at a time when slavery was still legal in Brazil (it was fully abolished only in 1888). Machado de Assis, as he is better known, became a prominent author and turned into one of the greatest Brazilian writers of history, if not the greatest one, having also the honor of being the first president of the influential Brazilian Academy of Letters. This edition brings the 2024 English translation by Rodolfo Medeiros and new illustrations made by Sofia Publisher.

Surrender, New York Caleb Carr, 2018-06-28 A contemporary psychological thriller from the bestselling author of *The Alienist*, now a major Netflix series starring Luke Evans and Dakota Fanning. In rural, impoverished Burgoyne County, New York, a pattern of strange deaths begins to emerge: adolescent boys and girls are found murdered, their corpses left hanging in gruesome, ritualistic fashion. Senior law enforcement officials are quick to blame a serial killer, yet their efforts to apprehend this criminal are peculiarly ineffective. Meanwhile, in the county's small town of Surrender, Trajan Jones, a psychological profiler (and the world's leading expert on the life and work of one Dr. Laszlo Kreizler), and Michael Li, a trace evidence expert, once famed advisors to the New York City Police Department, are secretly called in to consult on the case. Jones and Li immediately discern that the various victims were all 'throwaway children,' neither orphans, runaways nor homeless, but victims of a terrible phenomenon sweeping America's poor: abandoned by their families, the throwaways are left to fend for themselves. One of these throwaways, Lucas Kurtz, along with his blind older sister, cross paths with Jones and Li, offering information that could blow the case wide open. Racing against the case's mounting stakes, Jones and Li find that they are battling not only to unravel the mystery of how the throwaways died, but also to defend themselves and the

Kurtz siblings from the threats of shadowy but powerful agents who want to stop them from uncovering the truth. It is a truth that, Jones believes, leads away from their world and back to the increasingly wealthy city where both he and his long-dead intellectual guide, Dr Kreizler, did their greatest work. But will they be able to trace the case to New York before they fall victim to the murderous forces that stalk them? Like *The Alienist*, *Surrender* brings to life the grim underbelly of a prosperous nation - and those most vulnerable to its failings.
