Summary of Henry T. Blackaby, Richard Blackaby & Claude V. King's Experiencing God Everest Media, 2022-03-27T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 God is your Protector. He wants you to know Him, and experience Him in and around your life. God takes the initiative to disclose Himself to people through their life events. #2 The story of Abraham and Isaac illustrates how we grow to know God. As we experience God firsthand, we come to know Him in new and increasingly deep ways. We can learn that God provides as we read about Abraham's experience, but we really know God as Provider once we experience Him providing something specifically for us. #3 God can use anyone, anywhere, to be His instrument of provision for those who trust him. We had learned this academically, but not until we experienced it did our church come to know from experience that God is, in fact, the Provider. #4 The Bible is filled with examples of God helping His people come to know the reality of who He is through their experiences. As Joshua and the Israelites were fighting their relentless enemies, the Amalekites, Moses oversaw the battle from a nearby mountain. While he held his hands up to God, the Israelites were victorious.
