Angelique L'Amour

Last of the Breed Louis L'Amour, 2005-03-29 “For sheer adventure L’Amour is in top form.”—Kirkus Reviews Here is the kind of authentically detailed epic novel that has become Louis L’Amour’s hallmark. It is the compelling story of U.S. Air Force Major Joe Mack, a man born out of time. When his experimental aircraft is forced down in Russia and he escapes a Soviet prison camp, he must call upon the ancient skills of his Indian forebears to survive the vast Siberian wilderness. Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. But in pursuit is a legendary tracker, the Yakut native Alekhin, who knows every square foot of the icy frontier—and who knows that to trap his quarry he must think like a Sioux.

Louis L'Amour's Lost Treasures: Volume 2 Louis L'Amour, Beau L'Amour, 2020-08-25 "L'Amour is popular for all the right reasons. His books embody heroic virtues that seem to matter now more than ever."—The Wall Street Journal More unpublished works from the archives of Louis L'Amour: complete short stories, partial novels, treatments, and notes that will transport readers from the Western frontier to India, China, and even the future. Exploring the creative process of an American original, the Louis L'Amour's Lost Treasures series will uncover the hidden history behind the author's best known novels . . . and his most mysterious and ambitious unfinished works. In this second volume, Beau L'Amour examines how his father made the transition from struggling pulp writer to successful novelist and uses his father's notes, journal entries, and correspondence to continue the process of seeking out how and why many of these never-before-seen manuscripts were written as well as speculating about the ways they might have ended. These selections include the beginnings of a post-apocalyptic science fiction tale, a proposal for a nonfiction project based on the life of Renaissance-era traveler Ibn Batuta, and two chapters of a historical novel set in India about the origin of L'Amour's well-known Talon family. At the other end of the spectrum are classic adventures, such as "In the Measure of Time," a chance encounter set on the high seas, and a science fiction film treatment set in Mexico, as well as seventeen chapters of a novel that reappears throughout Louis's journals and letters and speaks to his fascination with post-revolutionary 1950s China, leading him so far as to correspond with the Dalai Lama. With rare photographs and commentary, this book further maps the journey L'Amour embarked upon to become one of our greatest storytellers and the diverse realms to which his imagination traveled, making him a true American pioneer.

This revised edition covers the full range of L'Amour's work. The book begins with a biographical chapter on L'Amour's life, drawing on information that has only recently become available. Encyclopedia of the American Novel Abby H. P. Werlock, 2015-04-22 Praise for the print edition: ... no other reference work on American fiction brings together such an array of authors and texts as this.

West of Everything Jane Tompkins, 1993-04-29 A leading figure in the debate over the literary canon, Jane Tompkins was one of the first to point to the ongoing relevance of popular women's fiction in the 19th century, long overlooked or scorned by literary critics. Now, in *West of Everything*, Tompkins shows how popular novels and films of the American west have shaped the emotional lives of people in our time. Into this world full of violence and manly courage, the world of John Wayne and Louis L'Amour, Tompkins takes her readers, letting them feel what the hero feels, endure what he endures. Writing with sympathy, insight, and respect, she probes the main elements of the Western--its preoccupation with death, its barren landscapes, galloping horses, hard-bitten men and marginalized women--revealing the view of reality and code of behavior these features contain. She considers the Western hero's attraction to pain, his fear of women and language, his desire to dominate the environment--and to merge with it. In fact, Tompkins argues, for better or worse Westerns have taught us all--men especially--how to behave. It was as a reaction against popular women's novels and women's invasion of the public sphere that Westerns originated, Tompkins maintains. With Westerns, men were reclaiming cultural territory, countering the inwardness, spirituality, and domesticity of the sentimental writers, with a rough and tumble, secular, man-centered world. Tompkins brings these insights to bear in considering film classics such as *Red River* and *Lonely Are the Brave*, and novels such as Louis L'Amour's *Last of the Breed* and Owen Wister's *The Virginian*. In one of the most moving chapters (chosen for Best American Essays of 1991), Tompkins shows how the life of Buffalo Bill Cody, killer of Native Americans and charismatic star of the Wild West show, evokes the contradictory feelings which the Western typically elicits--horror and fascination with violence, but also love and respect for the romantic ideal of the cowboy. Whether interpreting a photograph of John Wayne of meditating on the slaughter of cattle, Jane Tompkins writes with humor, compassion, and a provocative intellect. Her book will appeal to many Americans who read or watch Westerns, and to all those interested in a serious approach to popular culture.

Flint Louis L'Amour, 2005-01-25 He left the West at the age of seventeen, leaving behind a rootless past and a bloody trail of violence. In the East he became one of the wealthiest financiers in America—and one of the most feared and hated. Now, suffering from incurable cancer, he has come back to New Mexico to die alone. But when an all-out range war erupts, Flint chooses to help Nancy Kerrigan, a local rancher. A cold-eyed speculator is setting up the land swindle of a lifetime, and

Buckdun, a notorious assassin, is there to back his play. Flint alone can help Nancy save her ranch...with his cash, his connections—and his gun. He still has his legendary will to fight. All he needs is time, and that's fast running out....

A Trail of Memories Angelique L'Amour, 2010-12-01 For decades, generations of readers have shared their favorite passages of favorite Louis L'Amour novels and short stories: parents with their children, neighbors with their friends, executives with their staff and clergy with their congregations. They pass around dog-eared copies of the books, underlined and yellowing, recalling words that echoes in their readers' hearts and minds long after the last page was turned. Now, many of these selections have been collected in a remarkable volume representing some of the richest ore of the L'Amour lode: voices that heralded the settling of the frontier, of the man and women whose spirit and soul shaped our nation. In these words, Louis L'Amour describes the American experience, bringing our heritage to life, in ways no other author has. No L'Amour reader has a more unique perspective on his work than Angelique, his only daughter. In an extraordinary feat for every Louis L'Amour fan, and in loving appreciation of her father, she has compiled *A Trail of Memories: The Quotations of Louis L'Amour*, drawn from her father's best-loved works of fiction, including the Sackett novels, *Last of the Breed*, *The Walking Drum* and nearly two dozen others. By reading his words, each reader has met a part of my father, she writes in her introduction. Each hero has a bit of Dad's experience that makes him who he is. With Lanso, it is all those boxing matches as Dad grew up. With Barnabas Sackett, it is the sailor and explorer in my father...I think that this collection of quotations from my father's books reveals much of what makes Dad who he is, for these words are the heart and soul of what he believes, and what he wants to leave behind. Angelique has selected nearly a thousand of her favorite, most powerful and poignant L'Amour quotations--arranged by category and annotated with the book in which it appears--on more than a score of universal subjects such as: Love, Friendship and Loyalty; Family and Home; Honor, the Law and Justice; the Frontier; Women; and Men and Bravery. One such example from Sackett's *Land*: He never knew when he was whipped--so he never was. A wonderful gift from a daughter to her father--and from Angelique L'Amour to her father's readers--*A Trail of Memories: The Quotations of Louis L'Amour* will be a cherished keepsake of words to enjoy, and words to live by.
