

Love You More

Emily Grace Harding

Have I Been Over-Wed? Renooka Gopaul, 2011-09-26 My first husband, Goldie was obsessed with kids, and he chose to be with another woman just for kids. He said he loved me, but I don't know whether he was true as when I asked him to hire a surrogate mother; he turned me down saying he wanted a child with love. Does love mean to have physical relation only and produce children? It might be so. I am still searching an answer to this. He asked me to stay in his life just as a mere doll, and I could not accomplish that. My second husband, Brainie was simply obsessed with money. For him, money was everything and other things served no importance in his life. He wanted me to be his money machine and after spending seven years with him, Dave came in my life. Dave, my third husband was obsessed with sex. For him marriage was just the license to physical relation freely. Whereas for me, marriage is a very sacred relation; a relation which I believe can be nurtured only with love, faith and happiness. Again love is not as simple as it sounds to be. It is the mental and emotional attachment between two persons. You cannot go before two or three persons at a time, and tell them that you love them. Before you tell a person that you love him or her, at first give a thought whether you have any respect for that person and if you can keep him or her happy. Have some love in your heart for the person with whom you are sharing a physical relation. I am so confused after so many incidents in my life that I still do not have answers to many questions. I am writing this book and I hope earnestly that the readers will help me in finding answers to these questions: I don't know if I had been married too many times. I don't know even if any one of my husbands loved me. I don't know if they had just abused my life and my trust and kicked me out of their lives.

Behold the Mystery Mark Hart, 2014-03-01 As Catholics, the Mass should be a mountaintop experience for us. Often, though, we go through the motions at Mass without an appreciation for what has really happened. Popular speaker and author Mark Hart helps Catholics move beyond the repetition and ritual to see the Mass for what it really is: a heavenly banquet, a wedding feast, in which heaven and earth meet. In his engaging style, Hart guides readers toward a deeper understanding of the Mass—its roots in the Jewish Sabbath, its sacrificial character, and its signs and symbols. As we are told to “go in peace,” he inspires us to see the Mass as a place to be nourished so that we can further Christ’s mission in the world. In the last part of the book, Hart provides pithy answers to frequently asked questions, such as “Why can’t I leave right after Communion?” or “Why did the words change?” Finally, Hart offers ten things we can do to get more out of Mass.

A Lifetime of Words Robin Gorley,2005 For me, poetry was a way to heal, a way to vent and to feel free to express myself. It was hard for me to verbalize my feelings because I was never allowed to. Poetry was an instrumental part of my life so I could heal, Robin tells people. Personally, Robin has been married for seventeen years and has a wonderful son, Steven, who just turned eleven. She and her mother founded a nonprofit organization to help people find assistance in the home by linking them to qualified in-home care providers. Robin continues to educate herself in the health care field and enjoys helping others. Robin is also active in her church and loves to sing in the church choir. Her spiritual life is extremely important to her and to her family. It is my hope that those who read my poetry will be inspired, and I hope that those who read it will be able to find healing in my words, Robin expresses.

Getting Past the Tears K.L. Smith,2020-02-07 Getting Past the Tears is a fictional novel that tells of how lives were affected by the war in Vietnam. It is set in Eastern North Carolina and Southern Virginia during the late 1960s and into the twenty-first century. It is the fifth and final book in the series. Getting Past the Tears continues the story where Gardenia Lane ends. Kay Peel was happily married to her childhood sweetheart. Their lives were interrupted when her husband was drafted into the army and deployed to Vietnam. When the messengers arrived to notify Kay that her husband had been killed in action, she felt cheated out of the life they had planned. She leans on God, her friends, and her late husband's family to help her through her grief and broken heart. She decides to concentrate on her job as a registered nurse and close her heart to love to avoid having her heart broken again. Quint Sterling is a handsome doctor who had served in Vietnam. When he returned home from Vietnam, he found that his wife had not waited for him. He was welcomed home with divorce papers. His heart and dreams were shattered. He swore off women for fear of being hurt again. God has other plans for Kay and Quint. When the pretty young widow and the handsome doctor meet, there is an instant attraction between them. Even though Quint is fifteen years older than Kay, the couple bonds. It is as if their broken hearts reach out to each other. Neither of them is looking for love. They become close friends. Their friendship becomes the most important part of their lives. This is a story of how love can mend broken hearts and restore broken dreams. Through God's love, the couple realizes that what's gone is gone. Their hearts heal by letting go of the past and moving forward in love. True love conquers all. They find that love is more joyful the second time around.

Coquette George Abbott,Ann Preston Bridgers,1926 Norma Besant, daughter of a Southern doctor, is an incorrigible flirt and has many boys on her string. She begins to favor Michael Jeffrey, who, shiftless and hot-tempered but fundamentally honorable, is warned off by her father. When Michael returns after a long absence, the pair are innocently compromised, and Dr. Besant's old-South paternal rage brings tragedy when he shoots and kills the young suitor and is put on trial for the crime. --Description based on original 1929 film version which starred Mary Pickford.

Unaccompanied Minor Hollis Gillespie,2013-12-02 Fourteen-year-old April May Manning spent her life on airplanes with her flight attendant parents. When her father dies in a crash, April's mom marries a pilot who turns out to be an abusive jerk, and gets Mom confined to a psychiatric hospital. So April takes off, literally, living on airplanes, using her mother's flight benefits, relying on the flight crews who know she's been shuttling between divorcing parents for a year. Then, there's a hijacking, but why is April's dad on board? April flees to the cargo hold with another unaccompanied minor she's met before, and they fight to thwart the hijackers, faking a fire, making weapons from things they find in luggage. At last, locked

in the cockpit with a wounded police officer, the boy, and his service dog, April tries to remember everything her parents said to do in a crisis above the clouds. But she knows it won't be enough.
