

Mester De Juglaria Literatura Medieval

José Manuel Blecua Perdices

A Companion to Mester de Clerecía Poetry ,2024-07-15 Mester de clerecía is the term traditionally used to designate the first generations of learned poetry in medieval Ibero-Romance dialects (the precursors of modern Castilian and other Romance languages of the Iberian Peninsula). In its time, this poetry was anything but traditional. These long poems of structured verse reappropriate the heroic past through the retelling of legends from Classical Antiquity, saints' lives, miracle stories, Biblical apocrypha, and other tales. At the same time, the poems recast the place of their authors, and learned characters within their stories, in the shifting dynamics of their thirteenth and fourteenth century present. Contributors are Pablo Ancos, Maria Cristina Balestrini, Fernando Baños Vallejo, Andrew M. Beresford, Olivier Biaggini, Martha M. Daas, Emily C. Francomano, Ryan Giles, Michelle M. Hamilton, Anthony John Lappin, Clara Pascual-Argente, Connie L. Scarborough, Donald W. Wood, and Carina Zubillaga.

A Bibliography for Juan Ruiz's LIBRO DE BUEN AMOR: Second Edition Mary-Anne Vetterling,2018-04-30 This is an extensive listing of almost everything published about the fourteenth century Spanish Libro de buen amor by Juan Ruiz, Archpriest of Hita. It is essentially the same as the online bibliography at <http://my-lba.com> but it also contains a history of this project starting in the 1970's and a listing of other bibliographies on this work of literature. In addition, it can be used in conjunction with the e-book version (which has a search engine) A Bibliography for the Book of Good Love, Third Edition found at Lulu.com.

Cantar Del Mio Cid Anonimo,2017-08-25 El Cantar de Mio Cid constituye la primera gran obra de la literatura española escrita en una lengua romance. Compuesto por versos anisométricos de asonancia monorrima, este cantar de gesta relata las hazañas heroicas inspiradas libremente en los últimos años de la vida del caballero castellano Rodrigo Díaz, el Campeador. Se trata de una obra anónima, aunque los especialistas creen que fue escrita por Per Abbat en torno al año 1207. Del Cantar de Mio Cid se ha dicho que es el bello portico de nuestra literatura medieval.

Gonzalo de Berceo and the Latin Miracles of the Virgin Robert Boenig,2016-04-22 In Gonzalo de Berceo and the Latin Miracles of the Virgin, Patricia Timmons and Robert Boenig present the first English translation of a twelfth-century Latin

collection of miracles that Berceo, the first named poet in the Spanish language, used as a source for his thirteenth-century Spanish collection Milagros de Nuestra Señora. Using the MS Thott 128, close to the one Berceo must have used, Timmons and Boenig provide both translation and analysis, exploring the Latin Miracles, suggesting how it was used as a sacred text, and placing it within the history of Christians' evolving understanding of the Virgin's role in their lives. In addition, this volume explores Berceo's reaction to the Latin Miracles, demonstrating that he reacted creatively to his source texts as well as to changes in Church culture and governance that occurred between the composition of Latin Miracles and the thirteenth century, translating it across both language and culture. Accessible and useful to students and scholars of medieval and Spanish studies, this book includes the original Latin text, translations of the Latin Miracles, including analyses of 'Saint Peter and the Lustful Monk,' 'The Little Jewish Boy,' and 'The Jews of Toledo.'

International Medieval Bibliography, 1999

Dictionary of the Middle Ages Joseph Reese Strayer, 1987 Arranged alphabetically, this volume contains articles on various aspects of life in the Middle Ages, from A.D. 500 to 1500 and covering a geographic area including the Latin West, the Slavic world, Asia Minor, the lands of the caliphate in the East, and the Muslim-Christian areas of North Africa.

Encyclopedia of Modern Jewish Culture Glenda Abramson, 2004-03-01 The Encyclopedia of Modern Jewish Culture is an extensively updated revision of the very successful Companion to Jewish Culture published in 1989 and has now been updated throughout. Experts from all over the world contribute entries ranging from 200 to 1000 words broadly, covering the humanities, arts, social sciences, sport and popular culture, and 5000-word essays contextualize the shorter entries, and provide overviews to aspects of culture in the Jewish world. Ideal for student and general readers, the articles and biographies have been written by scholars and academics, musicians, artists and writers, and the book now contains up-to-date bibliographies, suggestions for further reading, comprehensive cross referencing, and a full index. This is a resource, no student of Jewish history will want to go without.
