Persona 5 Strikers Guide Filix Bondola, 2021-02-25 Persona 5 Strikers is Atlus's direct sequel to the critically-acclaimed Persona 5 from 2017. Strikers is a collaboration between the developers behind the Persona series, P-Studio, and the developers behind the Dynasty Warriors franchise, Omega Force. As such, it takes elements from both series and chooses to adopt a more action-RPG battle style, and loses the turn-based battle that Persona fans are accustomed to. Strikers is set six months after the events of the original game, and it does not factor in the additional characters or story elements added in with the release of Persona 5 Royal. Like many of the Persona games, there is a lot of missable content in the game that is tied to specific in-game dates. To ensure you don't miss a single thing, we've got guide includes a detailed walkthrough with maps to show the locations of every treasure in the jails to help you every step of the way on your journey. In addition, it also includes a guide for all requests, recipe locations and Dire Shadow battles.
