Urdu Literary Culture M. Farooqi, 2012-07-02 Urdu Literary Culture examines the impact of political circumstances on vernacular (Urdu) literary culture through an in-depth study of the writings of Muhammad Hasan Askari, who lived during the Partition of India.

In English, Faiz Ahmed Faiz Riz Rahim, 2008-10-29 This book contains English translation of about 270 poems and quatrains derived from the 8 books of Urdu poetry that Faiz Ahmed Faiz published from 1941 to 1984, over a tumultuous period of 4 decades. For helping him and his poetry put in context, the book includes a 'Preface', how other writers viewed his poetry, including his own views on his poetry and how it sought social justice and freedom of speech and action, through his own incarcerations. This is another effort to bring to English readers poetry from a culturally philologically distant language and culture, and 'A Word on Translation' elaborates the issues involved. Recent Emergency in Pakistan (November 2007) also showed how relevant his poetry still was when protestors marched around, one of the slogans being, "Bol" ('Speak Up'), the title of a poem he published in 1941.

Urdu Sources on Modern India S. Sartaj Alam Abidi, 2002 In pre-partition days Urdu has been the vehicle of learned expressions in Social Sciences and humanities but in the post-partition era it was not in much use by the scholars, partly because the young generation of scholars was not so familiar with Urdu. The present work is a meticulous effort to unfold the vast learned material on Modern India for research scholars. Had this effort not been made a large segment of valuable material it would have remained untapped by them. Primary sources like articles in Urdu newspapers and journals have been scanned. The entries give names of authors and titles in transliterated form but annotation is given in English in each entry. The book contains author, title and subject indices.

The Mahatma Misunderstood Snehal Shingavi, 2013-03-01 "The Mahatma Misunderstood" studies the relationship between the production of novels in late-colonial India and nationalist agitation promoted by the Indian National Congress. The volume examines the process by which novelists who were critically engaged with Gandhian nationalism, and who saw both the potentials and the pitfalls of Gandhian political strategies, came to be seen as the Mahatma's standard-bearers rather than his loyal opposition.
