Introducción a la vida y teología de Juan Wesley AETH, 2005-06-01 The Holy Spirit movement in eighteenth century England gave rise to a religious revival that gave birth to the family of churches we know today as the wesleyans. Thus, by his importance as the genius organizer, it is essential to know the life and thought of one of the pillars within the Wesleyan movement: John Wesley. In this book - of a very simple and yet profound way- Dr. Magallanes offers us the most basic traits of the social-religious context in which Wesley lived in the England of the eighteenth century, aspects that influenced the family development of his character and spirituality, the education and training received in Oxford, experiences that awakened in Wesley his passion for evangelization and the doctrine of the holiness of heart and life that characterized the movement.

Daily Bible Study Fall 2021 Taylor W. Mills, Sue Mink, Gregory M. Weeks, 2021-07-20 Daily Bible Study is a great companion to the quarterly Adult Bible Studies or as a stand-alone study. Bible-based, and Christ-focused, and United Methodist-approved, it coordinates with the theme of Adult Bible Studies. Each lesson includes a one-page Bible study for each day of the quarter, along with introductory reflection questions and commentary on the daily Scripture passage, life application, and a concluding prayer. Daily Bible Studies Fall 2021 Theme: Belong Unit 1: Outside In Sociologists studying the story of the early church often attribute the growth of the church to the sense of belonging that it offered people in a world where belonging was limited to those with things such as property, high status, and/or birthright. This unit of lessons looks at the various ways that the Bible makes clear how we belong to God's people even when we appear to be outsiders. Several of the lessons point out where we as human beings insert distinctions that restrict membership within the community of Christ. Scriptures: Jeremiah 29:1-23; Luke 7:36-50; Galatians 2:11-21; Philippians 3:2-21; Ephesians 2:19-21 Spiritual Practice: Hospitality Unit 2: Into the Future After over 2000 years of existence as an institution, we can easily take for granted that we know what the church is. This unit invites readers to look at it from the view of the community living into the future. The Greek word for church, ekklesia, is not a word that the first members of the church associated with a religious activity. The word signifies the assembly of the people of God. It is instructive to look at what their understanding of the purpose of assembling as a group signified, how it has shaped our understanding of church, and how reading these texts

might renew and expand our understanding. Scriptures: Acts 2:37-47; 1 Corinthians 12:12-31; Matthew 16:13-19; Revelation 3:1-6, 14-20; Deuteronomy 29:10-29 Spiritual Practice: Community Unit 3: The Fellowship of the Table Once one enters the Church through baptism, the central identity marker for membership in the church is participation in Communion. The opening of God's people to both Jews and Greeks, men and women, masters and slaves required people previously unaccustomed to eating together to sit down at a common table. When we look at the Gospel narratives, we see Jesus modeling open table fellowship. In this unit, we will look at the significance of the practice of open table fellowship in the church as a sign of God's shared abundance, ministry of reconciliation, and celebration. Scriptures: John 6:1-15; 1 Samuel 25:2-39; 1 Corinthians 11:17-34; Isaiah 25:6-10a; 55:1-3 Spiritual Practice: Open Table Fellowship Visit AdultBibleStudies.com and sign up for the weekly newsletter to automatically receive the FREE Current Events Supplement and other information about these resources and more!

Friedrich Nietzsche. Hacia una filosofía crítica de la historia Mizrraim Contreras Contreras, 2020-05-09 Retomar, volver a revisar el pensamiento de Friedrich Nietzsche, podría parecer arriesgado, ante la voluminosa bibliografía disponible. Se trata de un territorio en el que formular nuevas perspectivas y miradas conforma una tarea muy difícil de llevar a buen puerto ya que algunos tópicos del pensamiento nietzscheano atraviesan transversalmente la filosofía del siglo XX, y ciertos momentos de inflexión que resultan claves para establecer las coordenadas del pensamiento contemporáneo están asociados al nombre de Nietzsche. En ese sentido, desde principios del siglo XX el pensamiento occidental no deja de presentarnos diversos énfasis y diferentes lecturas de la filosofía nietzscheana, poniendo de relieve aspectos de su obra que en muchas ocasiones no pueden ser reducidos a un común denominador. Ahora bien, ¿qué podemos encontrar en Friedrich Nietzsche. Hacia una filosofía crítica de la historia de Mizrraim Contreras Contreras? Se trata de un estudio que alcanza a poner sobre la mesa una problemática específica, que remite a la concepción de la historia en Nietzsche, en ese sentido no se trata de una introducción o un panorama del pensamiento nietzscheano. Contreras logra de forma realmente magistral que el conjunto de la obra nietzscheana se refracte en esa problemática específica de la historia haciendo gala de un manejo realmente envidiable de todos los momentos, aspectos y ángulos de la filosofía de Nietzsche, con lo que va tejiendo una lectura bastante consistente en donde podemos, poco a poco, adentrarnos en los detalles y las sutilezas del pensamiento nietzscheano, sin que se pierda en ningún momento el hilo conductor, la problemática de la historia. Al mismo tiempo, cabe enfatizar otra enorme virtud de Friedrich Nietzsche. Hacia una filosofía crítica de la historia, la manera en que el autor conecta la obra nietzscheana con diversos escenarios culturales, con varios aspectos del mundo contemporáneo, y al abrir la obra de Nietzsche al mundo histórico, se establecen las coordenadas por las cuales alcanzamos a captar su profunda pertinencia y

actualidad. El ministerio del cuidado congregacional: Guía para la implementación Karen Lampe, Melissa Collier Gepford, 2024-01-17 Aprenda a desarrollar, implementar y sostener un ministerio de cuidado congregacional en su iglesia, sin importar el tamaño, su forma o a la denominación a la cual pertenezca. Los pastores y líderes de la iglesia realmente quieren cuidar a las personas en sus congregaciones y comunidades. No obstante, ellos no pueden cuidar a una iglesia por sí solos. Además, la mayoría del liderazgo laico no tiene la capacitación requerida para ejercer este ministerio de cuidado. El Ministerio del Cuidado Congregacional es un modelo del cuidado de persona a persona, el cual su efectividad ha sido comprobada en iglesias pequeñas y grandes en los EE. UU. Es un ministerio centrado en el servicio del laicado. Estos líderes reciben una capacitación rigurosa, y luego son comisionados para servir como ministros del cuidado congregacional (MCC), para brindar el cuidado en sus congregaciones y comunidades extendidas. Este notable enfoque del cuidado congregacional fue primeramente desarrollado, por la autora, Karen Lampe, junto con su equipo, en la Iglesia Metodista Unida de la Resurrección, en Kansas City. El mismo ha sido probado, refinado y fortalecido, y ahora se está adaptando a todo tipo de contextos congregacionales. Una de las primeras adaptadoras de este modelo fue la coautora, Melissa Gepford, quien desarrolló un Ministerio del Cuidado Congregacional en su iglesia rural. Juntas han creado esta guía, inmensamente práctica, para cualquier pastor/pastora o líder que busque desarrollar un Ministerio del Cuidado Congregacional. Este libro presenta el modelo de ministerio, y explica los cinco pasos esenciales que establecen el fundamento para el ministerio. Es extremadamente práctico, lleno de listas de verificación y otras herramientas para ayudar a los pastores y a otros líderes a comprender (y explicar) esta forma de brindar el cuidado congregacional. El libro también incluye una sección enfocada en el componente vital de este ministerio: el ministro/la ministra del cuidado congregacional, o el/la MCC. Esta sección describe completamente las características de los MCC, tales como: reclutar personas para este ministerio; cómo discernir quiénes son los candidatos idóneos para el ministerio, y cómo llevar a cabo la capacitación de los MCC durante un período de varias semanas. Detalla, además, información importante que los MCC deben saber y los comportamientos y hábitos que deben practicar para ser efectivos en el desempeño del ministerio. Learn to build, launch, and sustain a congregational care ministry in your church-no matter the size, type, or denomination. Pastors and church leaders genuinely want to care for people in their congregations and communities. But pastors cannot care for an entire church, and most laypersons don't have the training to do it. The Caring Congregation Ministry is a model for person-to-person care that's been proven to work in

small and large churches across the U.S. It is a laity-centered ministry, where laypersons receive rigorous training and then are commissioned to serve as Congregational Care Ministers, caring for others in their own congregation and their extended community. This remarkable approach to congregational care was first developed by author Karen Lampe and her team at The United Methodist Church of the Resurrection in Kansas City. It has been tested, refined, and strengthened, and is now being adapted in all sorts of congregational settings. One early adapter was co-author Melissa Gepford, who launched a Caring Congregation Ministry in her own rural church. Together, they have created this immensely practical guide for any pastor or leader seeking to create a congregational care ministry. This book introduces the ministry model and explains the Five Essentials that form the ministry's foundation. It is extremely practical, full of checklists and other tools to help pastors and other leaders understand (and explain) this way of providing congregational care. The book also includes a section focused on the crucial component of this ministry—the Congregational Care Minister, or CCM. This section fully describes the characteristics of CCMs, how to recruit people to this ministry, how to discern if candidates are a good fit, and how to conduct the CCM training over a multi-week period. It details the critical information CCMs must know, and the behaviors and habits they must practice in order to be effective.
