

The Knight Of Sainte Hermine

Alexander Dumas

The Last Cavalier Alexandre Dumas, 2008-10-07 Selected as a Top Ten Book of the Year by The Washington Post: the newly discovered last novel by the author of The Three Musketeers. Rousing, big, spirited, its action sweeping across oceans and continents, its hero gloriously indomitable, the last novel of Alexandre Dumas—lost for 125 years in the archives of the National Library in Paris—completes the oeuvre that Dumas imagined at the outset of his literary career. Indeed, the story of France from the Renaissance to the nineteenth century, as Dumas vibrantly retold it in his numerous enormously popular novels, has long been absent one vital, richly historical era: the Age of Napoleon. But no longer. Now, dynamically, in a tale of family honor and undying vengeance, of high adventure and heroic derring-do, The Last Cavalier fills that gap.

The Last Cavalier Alexandre Dumas, 2008-10-07 Selected as a Top Ten Book of the Year by The Washington Post: the newly discovered last novel by the author of The Three Musketeers. Rousing, big, spirited, its action sweeping across oceans and continents, its hero gloriously indomitable, the last novel of Alexandre Dumas—lost for 125 years in the archives of the National Library in Paris—completes the oeuvre that Dumas imagined at the outset of his literary career. Indeed, the story of France from the Renaissance to the nineteenth century, as Dumas vibrantly retold it in his numerous enormously popular novels, has long been absent one vital, richly historical era: the Age of Napoleon. But no longer. Now, dynamically, in a tale of family honor and undying vengeance, of high adventure and heroic derring-do, The Last Cavalier fills that gap.

Taking the Bastille Alexandre Dumas, 2024-01-25 It was a winter night, and the ground around Paris was covered with snow, although the flakes had ceased to fall since some hours. Spite of the cold and the darkness, a young man, wrapped in a mantle so voluminous as to hide a babe in his arms, strode over the white fields out of the town of Villers Cotterets, in the woods, eighteen leagues from the capital, which he had reached by the stage-coach, towards a hamlet called Haramont. His assured step seemed to indicate that he had previously gone this road. Soon above him streaked the leafless boughs upon the grey sky. The sharp air, the odor of the oaks, the icicles and beads on the tips of branches, all appealed to the poetry in the wanderer. Through the clumps he looked for the village spire and the blue smoke of the chimneys, filtering from the cottages through the natural trellis of the limbs. It was dawn when he crossed a brook, bordered with yellow cress and frozen vines, and at the first hovel asked for the laborer's boy to take him to Madeline Pi-tou's home. Mute and attentive, not so dull as most of their kind, the children sprang up and staring at the stranger, led him by the hand to a rather large and good-looking

cottage, on the bank of the rivulet running by most of the dwellings. A plank served as a bridge. There, said one of the guides nodding his head to-wards it. Gilbert gave them a coin, which made their eyes open still more widely, and crossed the board to the door which he pushed open, while the children, taking one another's hand, started with all their might at the handsome gentleman in a brown cloth coat, buckled shoes and large cloak, who wanted to find Madeline Pitou. Apart from them, Gilbert, for such was the young man's name, simply so for he had no other, saw no liv-ing things: Haramont was the deserted village he was seeking. As soon as the door was open, his sight was struck by a scene full of charm, for almost anybody, and par-ticularly for a young philosopher like our roamer. A robust peasant woman was suckling a baby, while another child, a sturdy boy of four or five, was saying a prayer in a loud voice. In the chimney corner, near a window or rather a hole in the wall in which was stuck a pane of glass, an-other woman, going on for thirty-five or six, was spin-ning, with a stool under her feet, and a fat poodle on an end of this stool. Catching sight of the visitor the dog barked in a civil and hospitable manner just to show that he had not been caught napping. The praying boy turned, cutting the devotional phrase in two, and both females uttered an exclamation between joy and surprise. I greet you, good mother Madeline, said Gilbert with a smile.

The Countess De Saint-Geran Dumas Alexandre pere,2023-07-01 The Countess de Saint-Geran by Alexandre Dumas is a captivating historical novel set in 17th-century France. This tale of passion, intrigue, and betrayal transports readers to the opulent world of the French aristocracy. The story explores themes of love, loyalty, and the resiliency of the human spirit against a background of political instability. The rich tapestry of French court life is brought to life by Dumas' brilliant descriptions and compelling narrative, drawing readers into a world of opulent splendor and unspoken aspirations. Readers are pulled into a labyrinth of secrets and illicit relationships as the tale develops, where allegiances are put to the test and sacrifices are made on a personal level. Dumas creates a gripping tale that keeps readers eagerly flipping the pages because to his brilliant storytelling and scrupulous attention to historical accuracy. The enthralling story The Countess de Saint-Geran will take readers to a turbulent time marked by love, ambition, and the complexity of the human heart.

The Fortney Encyclical Black History Albert Fortney Jr.,2016-01-15 The Encyclical Black History has been created for the critical and lack of vital Afro-Centric Multi-Curriculum text in urban school systems and is a necessity for African Americans. This book was created with careful and serious attention to biographical names that identifies history, culture as well as biblical characters. The reason why of this encyclical history can be explained with the facts and proof/evidence of the following. The point that has socio-psychological implications at the unconscious as well as the conscious level is the great little white racist lie, seen long enough, becomes the truth; like, portraying a white Jesus Christ who was a black man. Dr. Alvin Poussaint, a Black psychiatrist associated with Harvard University and others have observed and explained the most tragic part of all of this is that the African American has come to form his self image and self-concept on the basis of what

white racists have laid down as a guide or prescribed. Therefore, black men and women learn quickly to hate themselves and each other more than their white oppressor. There is almost infinite evidence that racism has left almost irreparable scars on the psyche of Afro-Americans that burden with an unrelenting, painful anxiety that drives the psyche to reach out for a sense of identity and self-esteem. Poussaint and others say that black children, especially learn to hate themselves at very early ages. Studies reveal their preference for white dolls over black ones. One study reported that black children in their drawings tend to show blacks as small, incomplete people and whites as strong and powerful. To conclude, in western color symbolism white is positive and black negative. Many people might ask why the contributions of Africa should be included in American curriculum? Is because they bleach and still rob black history and culture with black pictured as white that lie, leaves us mentally-dead, angry, and without purpose, of where we are going! Human culture is the product of all humanity, not the possession of a single racial or ethnic group. Afro-centric Multicultural educations major aim is to close the gap between Western ideals of equality, justice and practices that contradict these ideas. Stereotype people of color and people who are poor have just about no opportunities to become free of perspectives that are monoculture, that devalue African culture victimize them mostly having an inability to fully, function effectively in society. Many of these problems could be miraculously remedied with astonishing results if explained of black scientific achievements, which occurred in black Africa. There are also white African Americans living in the U.S.A. besides black African Americans, should make the distinction. Carl Sandburg (1979) related a dialogue between a white American and an American Indian which illustrates the need for multicultural education: The white man drew a small circle in the sand and told the red man, This is what the Indian knows, and drawing a big circle around the small one, this is what is what the white man knows. The Indian then took the stick and swept an immensely big ring around both circles and said, this is where the white man and the red man knows nothing.

THE THREE MUSKETEERS Meenu Gupta,2020-12-26 An all time classic book which is a must read for every individual and an absolute library essential. The book contains illustrations and are abridged in view of being made suitable for readers of all ages.

VC_AC3-*The 3 Musketeers-SM-Gen* Saraswati Experts, VC_AC3-*The 3 Musketeers-SM-Gen*

The Man in the Iron Mask Alexandre Dumas,2024-01-30 The third novel, *The Vicomte de Bragelonne* (serialized October, 1847—January, 1850), has enjoyed a strange history in its English translation. It has been split into three, four, or five volumes at various points in its history. The five-volume edition generally does not give titles to the smaller portions, but the others do. In the three-volume edition, the novels are entitled *The Vicomte de Bragelonne*, *Louise de la Valliere*, and *The Man in the Iron Mask*. For the purposes of this etext, I have chosen to split the novel as the four-volume edition does, with these titles: *The Vicomte de Bragelonne*, *Ten Years Later*, *Louise de la Valliere*, and *The Man in the Iron Mask*. In the first three etexts: *The Vicomte de Bragelonne* (Etext 2609): It is the year 1660, and D'Artagnan, after thirty-five years of loyal

service, has become disgusted with serving King Louis XIV while the real power resides with the Cardinal Mazarin, and has tendered his resignation. He embarks on his own project, that of restoring Charles II to the throne of England, and, with the help of Athos, succeeds, earning himself quite a fortune in the process. D'Artagnan returns to Paris to live the life of a rich citizen, and Athos, after negotiating the marriage of Philip, the king's brother, to Princess Henrietta of England, likewise retires to his own estate, La Fere. Meanwhile, Mazarin has finally died, and left Louis to assume the reigns of power, with the assistance of M. Colbert, formerly Mazarin's trusted clerk. Colbert has an intense hatred for M. Fouquet, the king's superintendent of finances, and has resolved to use any means necessary to bring about his fall. With the new rank of intendant bestowed on him by Louis, Colbert succeeds in having two of Fouquet's loyal friends tried and executed. He then brings to the king's attention that Fouquet is fortifying the island of Belle-Ile-en-Mer, and could possibly be planning to use it as a base for some military operation against the king. Louis calls D'Artagnan out of retirement and sends him to investigate the island, promising him a tremendous salary and his long-promised promotion to captain of the musketeers upon his return. At Belle-Isle, D'Artagnan discovers that the engineer of the fortifications is, in fact, Porthos, now the Baron du Vallon, and that's not all. The blueprints for the island, although in Porthos's handwriting, show evidence of another script that has been erased, that of Aramis. D'Artagnan later discovers that Aramis has become the bishop of Vannes, which is, coincidentally, a parish belonging to M. Fouquet. Suspecting that D'Artagnan has arrived on the king's behalf to investigate, Aramis tricks D'Artagnan into wandering around Vannes in search of Porthos, and sends Porthos on an heroic ride back to Paris to warn Fouquet of the danger. Fouquet rushes to the king, and gives him Belle-Isle as a present, thus allaying any suspicion, and at the same time humiliating Colbert, just minutes before the usher announces someone else seeking an audience with the king. Ten Years Later (Etext 2681): As 1661 approaches, Princess Henrietta of England arrives for her marriage, and throws the court of France into complete disorder. The jealousy of the Duke of Buckingham, who is in love with her, nearly occasions a war on the streets of Le Havre, thankfully prevented by Raoul's timely and tactful intervention. After the marriage, though, Monsieur Philip becomes horribly jealous of Buckingham, and has him exiled. Before leaving, however, the duke fights a duel with M. de Wardes at Calais. De Wardes is a malicious and spiteful man, the sworn enemy of D'Artagnan, and, by the same token, that of Athos, Aramis, Porthos, and Raoul as well. Both men are seriously wounded, and the duke is taken back to England to recover. Raoul's friend, the Comte de Guiche, is the next to succumb to Henrietta's charms, and Monsieur obtains his exile as well, though De Guiche soon effects a reconciliation.

The Three Musketeers Alexandre Dumas, 2011-04-26 Young D'Artagnan has only one ambition, to be a King's Musketeer some day. With this dream he arrives in Paris. Monsieur de Treville, however, makes him a member of the King's Guards, and promises that if he proves his worth he can become a Musketeer one day. Meanwhile D'Artagnan befriends Athos, Porthos and Aramis, three Musketeers, and also falls in love with the beautiful Constance Bonacieux. She is Queen Anne of France's

linen maid. Queen Anne of France presents her diamond studs to the Duke of Buckingham, her secret lover. The King, Louise XIII, suddenly announces a ball where he wants the Queen to wear his gift, the diamonds studs. Madame Constance then seeks D'Artagnan's help in getting the diamonds back to the Queen. With the wicked Cardinal and his men chasing him, will D'Artagnan be able to save the Queen's honour? Will he fulfill his dream of becoming a Musketeer?

Massacres Of The South Dumas Alexandre pere,2023-07-01 The gripping historical narrative Massacres of the South by Alexandre Dumas explores the lesser-known atrocities that took place in the Southern areas during a volatile time. Dumas reveals a dark period of history as he reveals the horrible stories of bloodshed, instability, and human suffering, drawing on rigorous research and first-person experiences. He illuminates the secret tales of forgotten victims and explores the social, political, and cultural elements that led to these horrific occurrences via vivid narrative and emotive writing. Dumas analyzes the tremendous effect of these killings on the afflicted communities and the long-lasting wounds left on the fabric of society with a great eye for detail and a profound knowledge of the human condition. Massacres of the South is a somber and thought-provoking investigation into a sad past that serves as a reminder of the value of remembering and understanding history's most tragic events.

The Power of Words (2) Stilovsky,Schrödinger,2020-02-24 Literature of all kinds plays such an important place in our lives whether it's biography, classics, crime or poetry. In this non-fiction volume you will find a mine of facts which will fascinate all who love books. Felix Schrödinger and Pyotr Stilovsky have compiled in this, the fifth volume of the series, a compendium of information that will appeal to all who love language and especially those who seek out knowledge for its own sake.

Great Personalities Of The World TANVIR KHAN,2012-11-15 There is a famous saying by the great Irish writer and poet, Oscar Wilde that e;Some cause happiness wherever they go; others whenever they go.e;These people who spread their influence and happiness like the brightness of sunshine on others, wherever they are under whichever circumstances they are, are called 'The Great Personalities'. Here we present more than 250 such great men in the book, Great Personality of the world with their lives, works, achievements, contributions, awards, and also the trivia and failure attached to their lives making it a unique encyclopedia of many legendary figures from across the globe.The book contains all about popular actors, such as Amitabh Bachchan, Elizabeth, Tylor, Marilyn Monroe, Raj Kapoor, Naseeruddin Shah, Shabana Azmi, Aishwarya Rai Bachchan, Shahrukh Khan, Tom Cruise, and many more. There are interesting life histories of more than 50 Renowed artists including names, such as Leo Tolstoy, Michelangelo, M.F. Hussain, Leonardo Da Vinci, Van Gogh, etc.In additional to the above, the book also has exhaustive life histories of great entrepreneurs like Dhirubhai Ambani, G.D.Birla, J.R.D.TATA, Bill Gates, Operah Winfrey, etc.You can also enrich your knowledge by knowing all about the great historians the legendry musicians the world famous scientists, inventors, physicians and politicians, who made their marks In their lives, created

history and inspire us even today. #v&spublishers
