## Anita Abriel

The Life She Wanted Anita Abriel, 2023-03-07 New York in the 1920s--a time when fortunes are made and a woman's dreams are challenged against all odds in a sweeping historical novel by the international bestselling author of *The Light After the War*. 1926, Hyde Park, New York. Born to modest means but befriended by the wealthy, aspiring dress designer Pandora Carmichael has been surrounded by privilege yet never at home in it. That hasn't stopped her from dreaming--of a romance in a rarified world that could also give her the status and resources to start a business of her own. When she's introduced to a charismatic Princeton student, Pandora's future begins to fall into place. Marriage provides Pandora with a devoted husband, comfortable love, and the prominence and affluence to open a boutique. It's a fantasy realized, until scandal and tragedy upend Pandora's life and she flees Hyde Park with a heart-wrenching secret. As the Depression looms, Pandora must rethink everything she's ever wanted. From sprawling Gilded Age mansions in New York to the seedy underbelly of Greenwich Village and the stunning ocean vistas of the French Riviera, Pandora's escape is a journey of self-discovery, adventure, true love, and ambition. There are new dreams to be had, and Pandora is betting on herself to make them come true.

**The Philadelphia Heiress** Anita Abriel, 2024-05 In pursuit of happiness, a young woman's dreams extend beyond money and marriage in this aspirational historical novel by the international bestselling author of *The Light After the War*. It's 1927, and Helen Montgomery is coming of age on Philadelphia's Main Line, where privileged young women are set for life. But Helen has desires of her own. Debutante balls, eligible bachelors, and marriage aren't among them...until her father is embroiled in a devastating scandal that jeopardizes the family's financial future and social standing, that is. Then it becomes up to Helen to repair both by marrying a man of wealth and connection. Edgar Scott is as independent as Helen. The black-sheep scion of a railroad magnate, Edgar's aspirations of becoming an author go against the grain of his own family's expectations. For a time, Helen and Edgar's marriage grows from attraction and convenience to genuine loyalty and respect. But as Edgar's frustrations and rejections mount and Helen's personal dreams recede, the cracks in the perfect life Helen wants are beginning to show. So begins Helen's journey of forgiveness, redefining the meaning of perfection--for herself and in others--and accepting with all her heart the mistakes humans make in the name of love.

**A Girl During the War** Anita Abriel, 2022-03-08 The author of the “unforgettable story of strength, love, and survival” (Jillian Cantor, USA TODAY bestselling author) *The Light After the War* returns with a sweeping and evocative story of love and purpose in WWII Italy. Rome, 1943: University student Marina Tozzi is on her way home when she finds out that her father has been killed for harboring a Jewish artist in their home. Fearful of the consequences, Marina flees to Villa I Tatti, the Florence villa of her father's American friend Bernard Berenson and his partner Belle da Costa Greene, the famed librarian who once curated J.P. Morgan's library. Florence is a hotbed of activity as partisans and Germans fight for control of the city. Marina, an art expert, begins helping Bernard catalog his library as he makes the difficult trek to neutral Switzerland, helping to hide precious cultural artifacts from the Germans. Adding to the tension, their young neighbor Carlos, a partisan, seeks out Marina for both her art expertise and her charm. Marina, swept up in the romance, dreams of a life together after the war. But when Carlos disappears, all of Marina's assumptions about her life in Florence are thrown into doubt, and she'll have to travel halfway around the world to unravel what really happened during the war.

**Lana's War** Anita Abriel, 2021-01-12 From the author of the “fast-paced, heartbreaking, and hopeful” (Kristin Harmel, author of *The Room on Rue Amélie*) *The Light After the War*, a riveting and heartfelt story of a young woman recruited to be a spy for the resistance on the French Riviera during World War II. Paris 1943: Lana Antanova is on her way to see her husband with the thrilling news that she is pregnant. But when she arrives at the convent where he teaches music, she's horrified to see Gestapo officers execute him for hiding a Jewish girl in the piano. A few months later, grieving both her husband and her lost pregnancy, Lana is shocked when she's approached to join the resistance on the French Riviera. As the daughter of a Russian countess, Lana has the perfect background to infiltrate the émigré community of Russian aristocrats who socialize with German officers, including the man who killed her husband. Lana's cover story makes her the mistress of

Guy Pascal, a wealthy Swiss industrialist and fellow resistance member, in whose villa in Cap Ferrat she lives. Together, they gather information on upcoming raids and help members of the Jewish community escape. Consumed by her work, she doesn't expect to become attached to a young Jewish girl or wonder about the secrets held by the man whose house she shares. And as the Nazis' deadly efforts intensify, her intention to protect those around her may put them all at risk instead. With Anita Abriel's "heartfelt and memorable" (Pam Jenoff, New York Times bestselling author) storytelling, *Lana's War* is a sweeping and suspenseful tale of survival and second chances during some of the darkest days of history.

**The Italian Girl** Anita Abriel, 2022-02-02 A fearless young Italian woman risks everything to save precious artworks from the Nazis in a gripping new tale from the bestselling author of *The Light After the War*. Rome, 1943: Marina Tozzi adores her father Vittorio and working together in his art gallery is her only escape from the reality of the Nazi occupation. Not only has Marina inherited her father's passion for art but she is earning a reputation as an expert in her own right. However, Vittorio is keeping a deadly secret from his daughter. He has been hiding a Jewish artist in their basement and one day Marina returns home to find her father has been brutally murdered by a German officer. Devastated, Marina flees to Florence to seek help from a man who owes Vittorio his life. Renowned American art expert Bernard Berenson offers Marina sanctuary in his villa outside Florence and a job cataloguing his vast art library. Marina is grateful but she is determined to find a way to avenge her father. When handsome young artist Carlos proposes using her expertise to help the partisan cause against the Nazis, she has at last found her purpose. In one daring and ingenious act, Marina risks her life to save a priceless painting from falling into Nazi hands and proves her worth to the partisans. But falling in love with Carlos was not part of her plan. When Carlos suddenly disappears, Marina's dreams about building a life with him after the war turn to ashes. She will have to travel halfway around the world to unravel the past – and find her future. 'Inspiring, heartbreaking and full of courage, *The Italian Girl* is a stunning work of historical fiction. Abriel has delivered a compelling story that you won't be able to put down ... This is one WWII historical you won't want to miss.' Better Reading

**She Wanted It All** Kathryn Casey, 2010-11-16 Trophy wife Celeste Beard wasn't satisfied with a luxurious lifestyle and her rich Austin media mogul husband's devotion -- so she took his life! The wife: She wanted everything, but her husband stood in the way. The lesbian lover: A love-struck, middle-aged woman with a history of mental illness, she would do anything to set Celeste free. The beauty salon receptionist: Celeste hired her to tie up the loose ends ... in a second conspiracy to commit murder.

*Everything She Ever Wanted* Ann Rule, 1993 Joined in a romantic love that most people only ever dream about, Pat Taylor's marriage to Tom Allanson was all she ever wanted. Both came from fine Southern families, and both longed to recreate for themselves a plantation where they would raise horses, grow roses, and move with grace and style in the highest social circles of Atlanta; in short, to be the Scarlett O'Hara and Rhett Butler of their time. But scarcely two months later,

their perfect world had erupted into family hatreds, terror, bloodshed and murder, The beautiful estate was mysteriously burned to the ground and Tom Allanson stood accused of the brutal slaying of his own mother and father. Before the terrifying truth about the perpetrator was revealed, other innocent victims were to suffer attempts on their lives as intricate family loyalties and cruel, obsessive jealousies were played out.
