Alex North

The Angel Maker: Chapter Sampler Alex North, 2023-01-03 This excerpt from *The Angel Maker* by Alex North contains the first section of the book. From the New York Times bestselling author of *The Whisper Man* and *The Shadows* comes a dark, suspenseful new thriller about the mysteries of fate, the unbreakable bond of siblings, and a notorious serial killer who was said to know the future. Growing up in a beautiful house in the English countryside, Katie Shaw lived a charmed life. At the cusp of graduation, she had big dreams, a devoted boyfriend, and a little brother she protected fiercely. Until the day a violent stranger changed the fate of her family forever. Years later, still unable to live down the guilt surrounding what happened to her brother, Chris, and now with a child of her own to protect, Katie struggles to separate the real threats from the imagined. Then she gets the phone call: Chris has gone missing and needs his big sister once more. Meanwhile, Detective Laurence Page is facing a particularly gruesome crime. A distinguished professor of fate and free will has been brutally murdered just hours after firing his staff. All the leads point back to two old cases: the gruesome attack on teenager Christopher Shaw, and the despicable crimes of a notorious serial killer who, legend had it, could see the future.

The Man Made of Smoke Alex North, 2025-05-13 Fans of Thomas Harris will be creeped out by North's hair-raising antagonist... This is a winner. —Publishers Weekly The latest gripping serial killer thriller from the New York Times bestselling author Alex North. Dan Garvie's life has been haunted by the crime he witnessed as a child—narrowly escaping an encounter with a notorious serial killer. He has dedicated his life since to becoming a criminal profiler, eager to seek justice for innocent victims. So when his father passes away under suspicious circumstances, Dan revisits his small island community, determined to uncover the truth about his death. Is it possible that the monster he remembers from his childhood nightmares has returned after all these years? With his signature shock and suspense, Alex North brings us *The Man Made of Smoke*. In turn emotional, introspective, and utterly terrifying, this is a story of fathers and sons, shadows and secrets, and the fight we all face to escape the trauma of the past.

The Rule of Three Sam Ripley, 2025-07-15 The Whisper Man meets the paranoia of *The Blair Witch Project* in this terrifying suspense novel from “an exciting new voice in the field of chilling thrillers” (Alex North, New York Times bestselling author). That's the one. That's the girl who's going to die. I didn't believe in the Rule of Three. Not at first. It was just one of those urban myths you hear about all the time. A story my boyfriend told me about a girl cursed by the number three. A girl whose parents had killed themselves after her sibling had died in an accident. Which meant that she was doomed to die too. Bad things always happen in threes, they say, and they are right. Because it's happening again. But this time the curse is coming for me. And worst of all? It's coming for you, too.

The Shadows Alex North, 2020-07-07 This is absorbing, headlong reading, a play on classic horror with an inventiveness of its own... As with all the best illusions, you are left feeling not tricked, but full of wonder. – The New York Times The haunting new thriller from Alex North, author of the New York Times bestseller *The Whisper Man* You knew a teenager like Charlie Crabtree. A dark imagination, a sinister smile--always on the outside of the group. Some part of you suspected he might be capable of doing something awful. Twenty-five years ago, Crabtree did just that, committing a murder so shocking that it's attracted that strange kind of infamy that only exists on the darkest corners of the internet--and inspired more than one copycat. Paul Adams remembers the case all too well: Crabtree--and his victim--were Paul's friends. Paul has slowly put his life back together. But now his mother, old and suffering from dementia, has taken a turn for the worse. Though every inch of him resists, it is time to come home. It's not long before things start to go wrong. Paul learns that Detective Amanda Beck is investigating another copycat that has struck in the nearby town of Featherbank. His mother is distressed, insistent that there's something in the house. And someone is following him. Which reminds him of the most unsettling thing about that awful day twenty-five years ago. It wasn't just the murder. It was the fact that afterward, Charlie Crabtree was never seen again...

Fascinating Footnotes From History Giles Milton, 2015-09-24 'Giles Milton is a man who can take an event from

history and make it come alive . . . an inspiration for those of us who believe that history can be exciting and entertaining' Matthew Redhead, *The Times* Did you know that Hitler took cocaine? That Stalin robbed a bank? That Charlie Chaplin's corpse was filched and held to ransom? Giles Milton is a master of historical narrative: in his characteristically engaging prose, *Fascinating Footnotes From History* details one hundred of the quirkiest historical nuggets; eye-stretching stories that read like fiction but are one hundred per cent fact. There is Hiroo Onoda, the lone Japanese soldier still fighting the Second World War in 1974; Agatha Christie, who mysteriously disappeared for eleven days in 1926; and Werner Franz, a cabin boy on the Hindenburg who lived to tell the tale when it was engulfed in flames in 1937. *Fascinating Footnotes From History* also answers who ate the last dodo, who really killed Rasputin and why Sergeant Stubby had four legs. Peopled with a gallery of spies, rogues, cannibals, adventurers and slaves, and spanning twenty centuries and six continents, Giles Milton's impeccably researched footnotes shed light on some of the most infamous stories and most flamboyant and colourful characters (and animals) from history. (Previously published in four individual epub volumes: *When Hitler Took Cocaine*, *When Stalin Robbed a Bank*, *When Lenin Lost His Brain* and *When Churchill Slaughtered Sheep*.)

When Hitler Took Cocaine Giles Milton, 2014-09-11 In this marvellous collection of fascinating footnotes, Giles Milton delves into the little-known stories from history. Covering everything from adventure, war, murder and slavery to espionage, including the stories of the real war horse, who killed Rasputin, Agatha Christie's greatest mystery and Hitler's English girlfriend, these tales deserve to be told.

The Man Made of Smoke Alex North, 2026-05-05 So well written and neatly plotted that it will appeal even to readers who usually shy away from this sort of thing. —*New York Times* The latest gripping serial killer thriller from the *New York Times* bestselling author Alex North.
