Aletheia Eleutheroo: Truth Warriors of the Supernatural James Maloney DD THD PHD,2013-07-16 Aletheia Eleutheroo (uh-LAY-the-yuh eh-loo-the-yuh-RAH-oh) is the eagerly anticipated Christian doctrine series from James Maloney. Not your typical textbook, Volume 1, Establishing the Glory of the Godhead, is written with the same conversational tone and humorous wit that Dr. Maloney's other books are known for. Basic Christian doctrine is not supposed to be boring; it is truth, full of life and the power of God. Our knowledge of God and His Word and Spirit are the basis for a release of the supernatural in our day-to-day activities. And yet in-depth study is difficult for us in our busy lifestyles. What's a sincere Christian supposed to do? James compiles nearly forty years of study and teaching in Bible colleges around the world and

condenses it all into an easy-to-read guidebook, exploring topics such as the inerrancy and infallibility of the Bible; hermeneutics and homiletics; the Trinity; the names of God; the attributes of the Father; the dual nature of Jesus Christ, the God-Man; sin and salvation; and the work of the Holy Spirit in our lives: He seeks to equip us and turn us into Truth Warriors of the Supernatural. The truth will set you free, and this book can help you know that truth in a greater way than ever before.

How to Lose the Hounds Celeste Winston,2023-09-29 In How to Lose the Hounds Celeste Winston explores marronage—the practice of flight from and placemaking beyond slavery—as a guide to police abolition. She examines historically Black maroon communities in the Maryland suburbs of Washington, DC, that have been subjected to violent excesses of police power from slavery until the present day. Tracing the long and ongoing historical geography of Black freedom struggles in the face of anti-Black police violence in these communities, Winston shows how marronage provides critical lessons for reimagining public safety and community well-being. These freedom struggles take place in what Winston calls maroon geographies—sites of flight from slavery and the spaces of freedom produced in multigenerational Black communities. Maroon geographies constitute part of a Black placemaking tradition that asserts life-affirming forms of community. Winston contends that maroon geographies operate as a central method of Black flight, holding ground, and constructing places of freedom in ways that imagine and plan a world beyond policing.

NKJV, Believe Zondervan,2015-06-23 It's one thing to know the story of the Bible. It's another thing to live it. Grounded in carefully selected Scripture, Believe, NKJV is a unique spiritual growth experience that takes you on a journey to think, act, and be more like Jesus. Pastor Randy Frazee walks you through the ten key beliefs of the Christian faith, the ten key Practices of a Jesus-follower, and the ten key Virtues that characterize someone who is becoming more like Jesus. Every believer needs to ask these three questions: What do I believe? What should I do? Who am I becoming? What you believe in your heart will define who you become. God wants you to become like Jesus - it is the most truthful and powerful way to live - and the journey to becoming like Jesus begins by thinking like Jesus. When you study the life of Jesus you will notice a

distinct pattern: Jesus faithfully lived in a purposeful way. Jesus compared the Christian life to a vine. He is the vine; you are the branches. If you remain in the vine of Christ, over time you will produce amazing and scrumptious fruit at the end of your branches for all to see and taste. You become like Jesus. Each chapter uses short topical passages from the New King James Version (NKJV) to help you live the story of the Bible. As you journey through this Bible, whether in a group or on your own, one simple truth will become undeniably clear: what you believe drives everything.
