*The Scarlet Letter* Nathaniel Hawthorne, 2009 A key figure in the development of American literature, Nathaniel Hawthorne was also profoundly influenced by his ancestors and the Christianity that underscored their Puritan heritage. A literary classic, *The Scarlet Letter* presents a profound meditation on the nature of sin, repentance, and redemption, and on how such Christian concepts may be integrated into American democracy. This edition features an introduction by Aaron Urbanczyk, chair of the literature department at Southern Catholic College, that explores themes in *The Custom-House* that guide the reader's interpretation of the text of the novel, and several critical articles on the work's major symbols and Christian themes. Mary R. Reichardt, the editor of this edition, is a professor of literature in the Catholic Studies department at the University of St. Thomas in St. Paul MN.

*The Scarlet Letter* Nathaniel Hawthorne, 2011-06-23 *THE SCARLET LETTER* is considered Nathaniel Hawthorne's most famous novel-and the first quintessentially American novel in style, theme, and language.

**The Scarlet Letter** Nathaniel Hawthorne, 1906 In the puritan atmosphere of colonial New England, Hester Prynne is forced to wear a scarlet A (for adultery) for giving birth to an illegitimate daughter. The child's father, the minister Arthur Dimmesdale, knows peace only after he has been shamed into confessing. Hester, however, acknowledging no sin, cannot find such peace. Here is a masterful account of religious and sexual oppression, hypocrisy, and intrigue by one of the giants of American fiction.

*The Scarlet Letter (Annotated)* Nathaniel Hawthorne, 2018-05-17 The major theme of *The Scarlet Letter* is shaming and social stigmatizing, both Hester's public humiliation and Dimmesdale's private shame and fear of exposure. Notably, their liaison is never spoken of, so the circumstances that lead to Hester's pregnancy, and how their affair was kept secret never become part of the plot. Elmer Kennedy-Andrews remarks that Hawthorne in *The Custom-house* sets the context for his story and tells us about 'romance', which is his preferred generic term to describe *The Scarlet Letter*, as his subtitle for the book - 'A Romance' - would indicate. In this introduction, Hawthorne describes a space between materialism and dreaminess that he calls a neutral territory, somewhere between the real world and fairy-land, where the Actual and the Imaginary may meet, and each imbues itself with nature of the other. This combination of dreaminess and realism gave the author space to explore major themes.

The Scarlet Letter: A Romance is a work of historical fiction by American author Nathaniel Hawthorne, published in 1850. Set in Puritan Massachusetts Bay Colony during the years 1642 to 1649, the novel tells the story of Hester Prynne who conceives a daughter through an affair and then struggles to create a new life of repentance and dignity. Containing a number of religious and historic allusions, the book explores themes of legalism, sin, and guilt. The Scarlet Letter was one of the first mass-produced books in America. It was popular when first published and is considered a classic work today. It inspired numerous film, television, and stage adaptations. Critics have described it as a masterwork and novelist D. H. Lawrence called it a perfect work of the American imagination. In Puritan Boston, Massachusetts, a crowd gathers to witness the punishment of Hester Prynne, a young woman who has given birth to a baby of unknown parentage. She is required to wear a scarlet A on her dress when she is in front of the townspeople to shame her. The letter A stands for adulteress, although this is never said explicitly in the novel. Her sentence required her to stand on the scaffold for three hours, exposed to public humiliation, and to wear the scarlet A for the rest of her life. As Hester approaches the scaffold, many of the women in the crowd are angered by her beauty and quiet dignity. When demanded and cajoled to name the father of her child, Hester refuses. As Hester looks out over the crowd, she notices a small, misshapen man and recognizes him as her long-lost husband, who has been presumed lost at sea. When the husband sees Hester's shame, he asks a man in the crowd about her and is told the story of his wife's adultery. He angrily exclaims that the child's father, the partner in the adulterous act, should also be punished and vows to find the man. He chooses a new name, Roger Chillingworth, to aid him in his plan. The Reverend John Wilson and the minister of Hester's church, Arthur Dimmesdale, question the woman, but she refuses to name her lover. After she returns to her prison cell, the jailer brings in Roger Chillingworth, a physician, to calm Hester and her child with his roots and herbs. He and Hester have an open conversation regarding their marriage and the fact that they were both in the wrong. Her lover, however, is another matter and he demands to know who it is; Hester refuses to divulge such information. He accepts this, stating that he will find out anyway, and forces her to hide that he is her husband. If she ever reveals him, he warns her, he will destroy the child's father. Hester agrees to Chillingworth's terms although she suspects she will regret it. Following her release from prison, Hester settles in a cottage at the edge of town and earns a meager living with her needlework, which is of extraordinary quality. She lives a quiet, somber life with her daughter, Pearl, and performs acts of charity for the poor. She is troubled by her daughter's unusual fascination with Hester's scarlet A. The shunning of Hester also extends to Pearl, who has no playmates or friends except her mother. As she grows older, Pearl becomes capricious and unruly. Her conduct starts rumors, and, not surprisingly, the church members suggest Pearl be taken away from Hester. Hester, hearing rumors that she may lose Pearl, goes to speak to Governor Bellingham. With him are ministers Wilson and Dimmesdale. Hester appeals to Dimmesdale in desperation, and the minister persuades the governor to let Pearl

remain in Hester's care.

The Scarlet Letter Nathaniel Hawthorne, 2013-10 *The Scarlet Letter* is an 1850 romantic work of fiction in a historical setting, written by Nathaniel Hawthorne. It is considered to be his magnum opus. Set in 17th-century Puritan Salem, Massachusetts during the years 1642 to 1649, it tells the story of Hester Prynne, who conceives a daughter through an adulterous affair and struggles to create a new life of repentance and dignity. Throughout the book, Hawthorne explores themes of legalism, sin, and guilt. The book's immediate and lasting success are due to the way it addresses spiritual and moral issues from a uniquely American standpoint. In 1850, adultery was an extremely risqué subject, but because Hawthorne had the support of the New England literary establishment, it passed easily into the realm of appropriate reading. It has been said that this work represents the height of Hawthorne's literary genius, dense with terse descriptions. It remains relevant for its philosophical and psychological depth, and continues to be read as a classic tale on a universal theme. In June 1642, in the Puritan town of Salem, a crowd gathers to witness an official punishment. A young woman, Hester Prynne, has been found guilty of adultery and must wear a scarlet A, ('A' is a symbol of adultery and affair) on her dress as a sign of shame. Furthermore, she must stand on the scaffold for three hours, exposed to public humiliation. As Hester approaches the scaffold, many of the women in the crowd are angered by her beauty and quiet dignity. When demanded and cajoled to name the father of her child, Hester refuses. As Hester looks out over the crowd, she notices a small, misshapen man and recognizes him as her long-lost husband, who has been presumed lost at sea. When the husband sees Hester's shame, he asks a man in the crowd about her and is told the story of his wife's adultery. He angrily exclaims that the child's father, the partner in the adulterous act, should also be punished and vows to find the man. He chooses a new name – Roger Chillingworth – to aid him in his plan. Reverend John Wilson and the minister of her church, Arthur Dimmesdale, question Hester, but she refuses to name her lover. After she returns to her prison cell, the jailer brings in Roger Chillingworth, a physician, to calm Hester and her child with his roots and herbs. Dismissing the jailer, Chillingworth first treats Pearl, Hester's baby, and then demands to know the name of the child's father. When Hester refuses, he insists that she never reveal that he is her husband. If she ever does so, he warns her, he will destroy the child's father. Hester agrees to

Chillingworth's terms even though she suspects she will regret it. Following her release from prison, Hester settles in a cottage at the edge of town and earns a meager living with her needlework. She lives a quiet, somber life with her daughter, Pearl. She is troubled by her daughter's unusual character. As an infant, Pearl is fascinated by the scarlet A. As she grows older, Pearl becomes capricious and unruly. Her conduct starts rumors, and, not surprisingly, the church members suggest Pearl be taken away from Hester. Hester, hearing the rumors that she may lose Pearl, goes to speak to Governor Bellingham. With him are Reverends Wilson and Dimmesdale. When Wilson questions Pearl about her catechism, she refuses to answer, even though she knows the correct response, thus jeopardizing her guardianship. Hester appeals to Reverend Dimmesdale in desperation, and the minister persuades the governor to let Pearl remain in Hester's care.
