What Will You Do When The Devil Comes Back For You? Devan Mair,2005-05

When God Speaks, Who Will Listen? Dean P. Andrews,2014-07-28 When I was young, I was mysteriously protected and kept from harm. I was hit by a car, severely burned on the palms of my hands, and literally thrown out of a car into a busy intersection. Somehow I never sustained any injuries. I had many questions as this divine protection and provision continued throughout my life. Little did I know that what I endured was part of a plan for me to know what I have now learned, and share this with all who will listen. These adventures with our heavenly Father not only gave me answers to my questions but also much understanding of our Father and His works. This book tells about my adventures and part of what I learned. It is the beginning of a series of books containing what our Father has taught me. It was not easy for me to hear. It was not easy for me to write. It is always difficult for us to listen to Him. All He is asking now is for us to listen to what He has told us from the beginning and respond.
