The Queen's Path Stacey Simmons, Ph.D.,2024-11-05 A fascinating exploration of the Divided Woman, the key to understanding why women cannot take a hero's journey. Every woman battles being a Divided Woman, whether she is a stay-at-home mom or a high-powered corporate executive. In this book, psychotherapist Dr. Stacey Simmons explores the tracks women are placed on that turn them against themselves at a young age. Using fairy tales, stories, films, television, musicals, and the lives of her patients, Dr. Simmons reveals an ancient pattern hidden in plain sight for over a thousand years. She named it The Queen's Path, and in this book she explains how it has been used against women for millennia, and how women can turn the pattern to their advantage, and use it themselves to overcome obstacles and become the rightful queens of their own lives. Sovereignty—the ability to advocate for, and ultimately direct one's own life—is the realm every person longs for. There is a path to sovereignty for every woman who wants it, if she'll only place her glass slipper along The Queen's Path. The Queen's Path is a rare combination of both a guidebook and a story map to help anyone make sense of the world of women.

Briar and Rose and Jack Katherine Coville,2019-06-11 Sumptuous storytelling combines Sleeping Beauty with Jack and the Beanstalk in a magical exploration of prejudice, justice, and the meaning of true love. "I finished reading this novel with my jaw hanging open. A whole country is captive to one tyrant or another, but kids make alliances with kids, and rebellions are born. Everyone has to read this!" —Tamora Pierce, best-selling author of Mastiff Lady Briar is scorned for her appearance. Princess Rose is adored for her looks. Unbeknownst to them, one or both may bear a curse that only true love can break. But the girls have little time for curses anyway—along with their friend Jack, they are busy plotting the downfall of the evil giant who plagues their kingdom. But how can children succeed when the adults are afraid to even try? And what if the curse manifests? Whose love could be true enough to save the day?

Love Poems of Three Centuries Jessie Fremont O'Donnell,1890

Once Upon a Highland Autumn Lecia Cornwall,2014-06-17 Megan McNabb would do anything to get out of marrying

a man she does not love—even handfasting for a year and a day with an English stranger. A mysterious letter draws Lord Kit Rossington to Scotland in search of a lost treasure. But the marriage-minded females he avoided in England follow him to the Highlands, and he'll do anything—even a temporary marriage with a Highland lass—to keep his freedom while he solves a mystery that's haunted Glen Dorian for almost a century. Legends say a curse lurks among the shattered stones of Glen Dorian Castle. Will the love that is beginning to grow between Megan and Kit be able to withstand fate? For only the living, those with bold hearts and true love, can restore peace to Glen Dorian at last.

THE REBEL DOCTOR'S BRIDE Sarah Morgan, Miho Tomoi, 2015-01-01 Flora Harris is a bookish nurse on a small island, but when a new doctor comes to her practice, the whole community is thrown into an uproar! Conner McNeil may be brusque on the outside, but it's thanks to years of being tempered by hatred and pain from his father. A rebel in his youth, Conner ravaged the town in his teenage years, only to come back as an experienced doctor. Can Flora help mend the community around this dashing rogue?

366 Days of Poetry C.M. Simpson, 2024-05-05 A poem for every day of the leap year, drawn from the fantastical, the future and the fallout from real life—and written for dreamers everywhere. While most are set in worlds of imagination, there are a few whose roots are buried deep in the disappointments of the real. So, if trolls, fairies, dragons, recovering from workplace bullies, and flying with starships, or dealing with regrets and finding hope—always finding hope—are your thing, then welcome to the wanderings of my mind.

Love, Pamela Pamela Anderson, 2023-01-31 The actress, activist, and once infamous Playboy Playmate reclaims the narrative of her life in a memoir that defies expectation in both content and approach, blending searing prose with snippets of original poetry. In this honest, layered and unforgettable book that alternates between storytelling and her own poetry, Pamela Anderson breaks the mold of the celebrity memoir while taking back the tale that has been crafted about her. Her blond bombshell image was ubiquitous in the 1990s. Discovered in the stands of a football game, she was immediately rocket launched into fame, becoming Playboy's favorite cover girl and an emblem of Hollywood glamour and sexuality. But what happens when you lose grip on your own life—and the image the notoriety machine creates for you is not who you really are? Growing up on Vancouver Island, the daughter of young, wild, and unprepared parents, Pamela Anderson's childhood was not easy, but it allowed her to create her own world—surrounded by nature and imaginary friends. When she overcame her deep shyness and grew into herself, she fell into a life on the cover of magazines, the beaches of Malibu, the sets of movies and talk shows, the arms of rockstars, the coveted scene at the Playboy Mansion. And as her star rose, she found herself tabloid fodder, at the height of an era when paparazzi tactics were bent on capturing a celebrity's most intimate, and sometimes weakest moments. This is when Pamela Anderson lost control of her own narrative, hurt by the media and fearful of the public's perception of who she was...and who she wasn't. Fighting back with a sense of grace, fueled by a love of art

and literature, and driven by a devotion to her children and the causes she cares about most, Pamela Anderson has now gone back to the island where she grew up, after a memorable run starring as Roxie in Chicago on Broadway, reclaiming her free spirit but also standing firm as a strong, creative, confident woman.
