She finds herself split into two different people: one who upholds her bargain with Rhysand, High Lord of the feared Night Court, and one who lives out her life in the Spring Court with Tamlin. While Feyre navigates a dark web of politics, passion, and dazzling power, a greater evil looms. She might just be the key to stopping it, but only if she can harness her harrowing gifts, heal her fractured soul, and decide how she wishes to shape her future-and the future of a world in turmoil. **Designing the Editorial Experience** Sue Apfelbaum,Juliette Cezzar,2014-03-01 In a world of media that seems to be ever-changing, how do we define a newspaper, magazine or journal? Are we drinking our morning coffee on a Sunday as we

sit down and read our newstabled? Look around any doctor's office waiting room and you will find two people reading the same magazine, one holding the paper version, another on their phone. With so many medium options, designers need to evaluate the best formats to convey an editorial vision. In *Designing the Editorial Experience*, authors Sue Apfelbaum and Juliette Cezzar will discuss what it means to design for multiple media. It features advice from professionals in both the design and editorial fronts "and digital strategists too" about what is constant and what is changing in the field. Inside, you will find examples of the best editorial design being produced today. In addition, explore the audiences for content, what forms the content takes, and how workflows are managed. This book provides a primer on the elements of editorial design that result in rich, thoughtful, and rewarding editorial experiences.
