*The Darkness In You - Anniversary Edition* Becca Steele,2023-04-10 From USA Today and Wall Street Journal bestselling author, Becca Steele, comes the final book in the international bestselling series, The Four... Scarred. Ruined. Broken. Zayde Lowry was the boy I was never supposed to love. Our families have been rivals for generations, and I knew that if anyone discovered our secret, there would be hell to pay. But I fell for him anyway. He called me his angel, and he bared the darkest corners of his soul to me. In return, I gave him my whole heart. Then tragedy struck. I lost the two most important people in my life, and the man who was supposed to care for me, my own father, crossed an unforgivable line. In one night, my entire world was destroyed, and ashes were all that remained. I left Alstone behind, and never planned to return. Until the day I received the news that the man who raised me was behind bars. Now it's time to come back. To face the demons of my past so that I can move on to my future. Alone. I never counted on Zayde messing with my plan. He still wants me. But even though my heart still skips a beat when I see him, I can't let myself forget what he did. I need to stay away from him. Too bad for me, he has other ideas...

*Blindsided* Anick LaVigne, 2014-07-14 This book is a book of fiction, part thrilling romance, part rejection, based on actual events in the author's life. This wrenching novel is an example that love knocks at any door, and at any time. Sex and heartbreak filled the pages of this shocking tale between childhood sweethearts. After years of separation, a warm summer night encounter between Diana and Philippe turned sexual. Unfortunately, where Philippe only sees a sexual friendship, Diana is falling in love all over again; she had diagnosed this mixture of elation and worry, of shame and brazenness, of fear and forwardness, and the oh-so-what attitude that usually pertains to teenagers. Have you ever been in love? Yes you've

been. You went through exhilarating times, and then unbelievable painful heartbreaks. Horrible, isn't? Being in love makes you so vulnerable! It opens up your chest and in spite of all the defenses you've built up, in spite of any suit of Armor, one person, one unexpected person wanders in and wrecks havoc. The true thing about it is that ninety-nine percent of the time, the individual is not worthy of our love.

*Blindsided* Holly Mortimer, 2015-02-10 Georgina has built herself a quiet life following the tragic death of her husband. She moved to LA to start her life over and has no intentions of ever falling in love again. Her hermit existence and passion for reading and writing romance have driven her to fear the real world, but while out on a forced blind date she accidentally meets Finn Lowry. Kind, sensitive, funny and voted one of 2014's hottest actors, he's hard to resist, not to mention, totally out of her league. In order to keep her promise to herself, she needs to steer clear of him at all costs. Finn sets out to pull Georgina back to the surface, showing her it is possible for her to find love again after living with a heart on lock down for so long. Humor, persistence and life in the limelight come together with Finn to conspire to show Georgina the way to her heart. Can she let go of her old insecurities and avoid Finn's fans for long enough to let him get through to her?

Cruel Crypts Becca Steele, 2024-04-29 From USA Today and Wall Street Journal bestselling author, Becca Steele, comes an all-new standalone M/F academy romance. Knox Ashcroft. One of the so-called gods of Hatherley Hall. He's everything I despise—a spoiled, arrogant, lacrosse-playing rich boy. From the moment we met, he made it clear that the loathing was mutual. I don't belong in his world, and he wants me gone. Too bad for him, I'm not leaving until I get what I came for. Everyone has skeletons in the closet, right? I'll uncover his. I just have to make sure he doesn't discover mine.

**The Bonds We Break - Anniversary Edition** Steele, 2022-09-13

**Blindsided** Hope Anika, 2021 Book Two of The Guardian Series When the boy who broke her heart crashes back into Ruby Jones's life, she's determined to give him the boot. There are some things a girl simply can't forgive, and being forgotten is at the top of the list. The last person CIA Agent Rafferty Blackheart expects to find while retrieving the message left for him by his dead partner is the childhood friend he left behind two decades earlier. But the woman he discovers bears little resemblance to the girl he remembers, and even though the sight of her breathes life into everything he's spent years fleeing, walking away from her is an impossibility. Because Rafe is on a mission, one he can't complete without Ruby. So no matter their dark history, their mutual distrust, or the intense, unwelcome pull between them, they must come together. To avenge the death of an innocent; to save a child. And to stop a madman bent on reshaping the human race. Before it's too late. Don't miss the second installment of this intense, suspenseful romance series!

**Blindsided** Emmanuelle Snow, 2024-04-02 “April and Carter Oh My Word! The romance, the spice, the suspense and even the storyline OMG had me hot and hammered.” (Goodreads) “That had to be one of the most emotional and heartfelt books I've read in a long time because wow, that was both intense and sweet and just everything my romantic heart

wants!" (Goodreads) Our banter was electric. Fueled by equal parts hate and desire. And as intoxicating as our chemistry. I had one simple goal: escape my life for a month. Destination: a quiet cabin in the mountains. I never expected to run straight into the one man who would turn all my plans—and my heart—upside down. Carter Hills. One man I never thought I'd argue with...until I did. Constantly. Infuriatingly. And yet, impossible to ignore. I moved in next door, thinking I could keep my distance. But Carter was everywhere. Grinning at me like he owned the place. Like he owned me. Single, broken, and not looking for trouble—I was a walking disaster for temptation. The worst? He hid who he really was. On purpose. All this time, I thought my moody, hot-as-hell neighbor was just another man I'd pass by...never realizing how completely he would consume me. From the first spark of our feud, he pushed me, provoked me, tested me...yet he kept coming back for more. Every. Single. Time. And no matter how hard I tried to fight it, I couldn't ignore the pull between us. Every accidental touch, every heated glance, every impossible moment of closeness made pretending we weren't drawn together harder and harder. Could I risk everything for a taste of the fire between us...or should I run before I got burned? A small-town, enemies-to-lovers romance full of sizzling tension, heart-stopping passion, and a love you'll never see coming. ☐ grumpy x sunshine ☐ enemies to lovers ☐ small-town charm ☐ found family ☐ he falls first It begins where False Promises ends. The book can be enjoyed on its own, with or without reading False Promises first. *Blindsided* is perfect for the readers who love Nicholas Sparks, Danielle Steel, Rebecca Yarros, women's fiction, contemporary fiction, women literature, emotional and realistic stories, girl next door, strong women, billionaire celebrity, rockstar and country music setting, spicy books, strangers-to-lovers, second chances, small-town setting, emotional, realistic, slow burn, hot and steamy sexy times, best friend's lovers, single-dad and widow, friends-to-lovers, secret identity, Relationships and conflicts within families, Learning to trust again, Trust and Forgiveness, self-discovery and transformation, Love and romantic relationships, another opportunity at love, forgive past wrongs, Demonstrating strength and Starting over and embracing change.

*The Fight In Us - Special Edition* Steele,2023-06-23 Lust. Mystery. Betrayal. Weston Cavendish. My brother's best friend. I'd perfected the art of pretending that I didn't want him, that he didn't affect me every time he was near. Or so I thought. When his world comes crashing down, I'm the one he turns to, and I can't deny my feelings any longer. I know there's something between us. Until he finds out that I've been hiding things from him, too. Broken and betrayed, can we pick up the pieces and work together to expose the truth? The odds are stacked against us. But I won't give up without a fight.
