Game Changer Tommy Greenwald, 2018-09-11 A mysterious football accident sends a high school reeling in this award-winning multimedia-format novel from Tommy Greenwald. Thirteen-year-old Teddy Youngblood is in a coma, fighting for his life after an unspecified football injury at training camp. His family and friends flock to his bedside to support his recovery—and to discuss the events leading up to the tragic accident. Was this the inevitable result of playing a violent sport, or did something more sinister happen on the field that day? Told in an innovative multimedia format combining dialogue, texts, newspaper articles, interview transcripts, an online forum, and Teddy's inner thoughts, *Game Changer* explores the joyous thrills and terrifying risks of America's most popular sport.

Hooked Tommy Greenwald, 2018-01-09 A boy and his dad discover all they have in common on a fishing trip in *Hooked*, a sweet picture book about father-son bonding by Tommy Greenwald with illustrations by David McPhail. Joe loves fishing. He loves watching the water and looking at the sky, he loves the peacefulness, and he especially loves dreaming about catching the Big One. Joe's dad does not love fishing. He doesn't like the waiting, or the worms, or the fact that nothing much happens. But when Joe needs a parental chaperone for an ice-fishing field trip, his dad agrees to go along. And when the waiting turns into talking, exchanging jokes, and sharing hot chocolate, Joe's dad discovers something unexpected. He doesn't just like fishing with Joe—he loves it. You could even say he's hooked.

Charlie Joe Jackson's Guide to Not Growing Up Tommy Greenwald, 2016-08-09 Yes! Graduation day is finally here! Charlie Joe has been waiting for this moment his entire middle school career. This might even be the best day of his life. No more teachers! No more books! Just make it through the ceremony and he's free. But suddenly things around him are starting to change. Words like responsibility and college prep keep popping out of his friend's mouths. What happened to words like fun and pool party? And come to think of it, doesn't high school bring more teachers and more books? Maybe this whole growing up thing isn't such a good idea after all. Actually being a kid is pretty darn fun! Surely Charlie Joe can figure out a way to put the brakes on growing up—and fast! This hilarious final installment in the Charlie Joe Jackson series written by Tommy Greenwald and illustrated by J. P. Coover is infused with nostalgia and just the right amount of chaos.

Charlie Joe Jackson's Guide to Not Reading Tommy Greenwald, 2011-07-05 *Charlie Joe Jackson's Guide to Not Reading* by Tommy Greenwald is the hilarious story of an avid non-reader and the extreme lengths to which he'll go to get out of reading

a book. Charlie Joe Jackson may be the most reluctant reader ever born. And so far, he's managed to get through life without ever reading an entire book from cover to cover. But now that he's in middle school, avoiding reading isn't as easy as it used to be. And when his friend Timmy McGibney decides that he's tired of covering for him, Charlie Joe finds himself resorting to desperate measures to keep his perfect record intact.

The Real Us Tommy Greenwald,2017-08-08 Laura Corbett and Damian White are loners, and not by choice. Kids make fun of smart, sarcastic Laura for her weight and artistic Damian for his tendency to sweat through his shirts. Calista Getz, however—well, everyone agrees that Calista is the prettiest girl in the whole school. Maybe even the whole state. Let's just say that she sits at the popular lunch table. Laura and Damian don't. But when Calista wakes up just before the school dance with the BIGGEST pimple she has EVER seen right in the middle of her face, and her attempts to hide it backfire spectacularly, Laura and Damian are the only ones who don't ignore her. In fact, they seem to see not only past her pimple, but past her popularity, too. Together, they'll challenge the school's status quo in this hilarious, heartfelt novel *The Real Us*, by Tommy Greenwald.

Dinged Tommy Greenwald,2022-09-06 In the gripping companion to Tommy Greenwald's award-winning novel *Game Changer*, a star football player watches his father deteriorate from injuries he suffered playing the very same sport—now in paperback Caleb Springer is the up-and-coming star freshman quarterback on the high school football team, which isn't a surprise considering his dad, Sammy Springer, was an NFL superstar and is now the town celebrity. College scouts are already snooping around Caleb and his future seems set. But just as Caleb's glory days begin, his dad starts to change. He's forgetting things and getting angry at random times. Caleb is forced to confront a bleak possibility: The sport that gives him so much status and self-worth might be the cause of his dad's strange behavior. Will Caleb keep playing the sport of his dreams, even if he knows how dangerous it can be?

The Right Call Tommy Greenwald,2025-04-15 From award-winning author Tommy Greenwald comes a thrilling companion novel to *Game Changer* that explores the growing pressures in youth sports, and the lengths some parents will go to make sure their kid comes out on top Cal Klondike's life revolves around baseball. He's the Walthorne Baseball Academy's star pitcher, and everyone from his coach to his dad to the town sports blogger is telling Cal he has an unlimited future in the sport. But with all this attention comes a lot of added stress, especially as the season kicks into high gear and college and pro scouts start to show up at the games. Inevitably, tensions that have been bubbling under the surface finally boil over, culminating in a confrontation that could change Cal's relationship to baseball forever. Told through a combination of transcripts, articles, texts, and emails, *The Right Call* is a gripping, fast-paced story for middle grade readers about our split-second decisions, facing the consequences, and the courage it takes to forgive.

It's a Doggy Dog World (Crimebiters #2) Tommy Greenwald,2016-10-11 From the author of Charlie Joe Jackson's *Guide*

to Not Reading comes the second book in the humorous & illustrated new series about a boy whose new dog may or may not be a crimefighting vampire. Jimmy is sure that his dog Abby is special. After all, it was Abby who (with the help of Jimmy & friends) helped nab the criminal Barnaby Bratford and shut down Barnaby's babysitting service, a front for robbing the nice folks of Quietville. Jimmy's parents, on the other hand, are starting to feel like Abby is one destructive little dog (she chewed up Mom's entire shoe collection!) and they insist on enrolling Abby in obedience training. The only problem is that the longer Abby's in class, the more normal (read: boring) she becomes. Jimmy's superhero crime-fighting vampire dog is slowly becoming just like every other dog. She doesn't even sneak out at night anymore! At the same time Jimmy's friends (the Crimebiters) are realizing that there's just not very much crime to fight in their tiny town. But when Jimmy joins the lacrosse team & mysterious things start happening on and off the field, the Crimebiters realize that Abby better get back to her crime-fighting ways... and fast!

Rivals Tommy Greenwald, 2021-03-23 From the author of the award-winning Game Changer comes a gripping novel about two student-athletes searching for stardom, a young reporter searching for the truth, and a crosstown basketball rivalry that goes too far The people of Walthorne love their basketball—and one of the things they love most is the special rivalry between the Walthorne North Middle School Cougars and the Walthorne South Middle School Panthers. As the season begins, two star players are feeling the heat: Austin Chambers, captain of Walthorne North, worries that he's not good enough to live up to his father's legacy, while across town, the brilliantly talented Carter Haswell, captain of Walthorne South, is already under pressure to get a scholarship that might ease his family's financial stress. While both boys do whatever they can to make sure their team wins, Alfie Jenks, a school sports reporter, discovers that behind-the-scenes scandals are just as much a part of youth sports as on-the-court action. When she blows the story wide open, the whole season is jeopardized. Told through a series of flashbacks, newspaper reports, social media posts, and interviews, Rivals will have readers tearing through the pages to see what happens next—and asking themselves if winning has become more important than doing the right thing.

The Ultimate Goal (Good Sports League #1) Tommy Greenwald, 2023-04-11 From Tommy Greenwald, the acclaimed author of Game Changer, and artist Lesley Vámos, Ultimate Goal is the first title in the hilarious, heavily illustrated chapter book series the Good Sports League. Ben Cutler loves everything about soccer! He's got a great team, and they have the best pregame chants and half-time jokes. He and his best friend, Jay-Jay, even invent dances for when they score a goal! And Ben is good at soccer. Like REALLY good. Too good for a casual rec team. Soon, he's recruited for a travel team. His new team plays amazingly well, but they take soccer super seriously. No pregame chants, no juice-box breaks, and the most important rule of all: NO DANCING. Even though his new team is winning all the time, Ben is left to wonder, Is winning all that matters in the end? Includes a sneak peek of the second Good Sports League book, Perfect Pitch

Game Changer Perfection Learning Corporation,2019

Written by Tommy Greenwald and featuring two-color illustrations throughout, the Duckscares series is perfect for young mystery fans.

Dog Day After School Tommy Greenwald,2017 When a copy of the final math test is stolen and the local animal shelter is in danger of closing, the Crimebiters family jump into action with a new member, Daisy's kitten Purrrkins.

The Perfect Pitch (Good Sports League #2) Tommy Greenwald,2023-09-12 Put on your cleats, grab your jersey, and join the Good Sports League! This funny chapter book series about sports and sportsmanship is from acclaimed author Tommy Greenwald. Annabella Donatello likes to do everything. She likes to draw, fly kites, play soccer, cook, and eat what she cooks. She even likes to do math! But there are two things she loves most of all: softball and performing. So she's thrilled when she gets cast in the school play, on top of being the star pitcher of her softball team. Unfortunately, her softball coach is less thrilled about Annabella's busy schedule. And with the championships coming up, the pressure is on to make softball her number-one priority, even when an important practice conflicts with opening night of the show. To be in two places at once, Annabella hatches a plan that will put all of her softball and acting skills to the test. Comic panels and spot illustrations bring the sports action to life in a format perfect for reluctant readers.

Pete Milano's Guide to Being a Movie Star Tommy Greenwald,2016-02-16 Pete Milano has always been the class

clown and proud of it. What's the point of having friends if you can't make them laugh, right? Even if doing so does have the unfortunate side effect of constantly getting him into trouble. But, for once, Pete's tricks have led him to just the right place at just the right time. Now he's about to become famous, because he's been asked to audition for the hottest new indie movie with the hottest girl costar. But balancing real life with life on set is way harder than it sounds. Will Pete's newfound fame mean losing his girlfriend and all his friends?

Fangs for Everything (Crimebiters #4) Tommy Greenwald, 2019-01-29 From the author of the Charlie Joe Jackson series comes the fourth and final book in the humorous illustrated series about a boy whose new dog may or may not be a crime-fighting vampire. The CrimeBiter's gang got its start with help from my crime-fighting vampire dog, Abby. But now, I'm starting to wonder if she's really a vampire at all. . . That's mystery I'm going to have to solve on my own. The rest of the Crime-biters are pretty busy with their own stuff. Irwin's planning an epic birthday party for the ages, Baxter's worrying about his brother enlisting in the army, and Daisy is cartwheeling her way through cheerleading practice (shudder!). There's only one person I can turn to: the best vampire fiction writer that ever lived, Elroy Evans. He's coming to the nearby COM-MIX convention and I have to ask him the question that's threatening to drive a stake through my heart. Can a dog really be a vampire?
