SUMMARY - The Magic Of Thinking Big By David J. Schwartz Shortcut Edition,2021-06-02 * Our summary is short, simple and pragmatic. It allows you to have the essential ideas of a big book in less than 30 minutes. As you read this summary, you will discover that, contrary to the general idea, neither skill, intelligence nor even tenacity are essential for success. You will also discover how : cure the disease of excusability; control your environment; boost your creativity; overcome failures and obstacles; take action. The real secret of leaders and exceptional people is their ability to see bigger than the rest of the people. Anyone can learn to do the same, as this ability only requires a change in mindset and thinking. The purpose of this summary is to learn how to do this quickly. Why do companies receive 50 to 250 times more applications for $15,000 paid positions per year than for $250,000 paid positions? How can we explain this ambient mediocrity and lack of ambition? By the absence of positive thinking and effective actions, and the habit of thinking small. It is however simple to remedy it. *Buy now the summary of this book for the modest price of a cup of coffee!
