Obesidad Basilio Moreno Esteban,Julia Álvarez Hernández,2000

Diccionario práctico de gastronomía y salud Miguel Jordá Juan,2011-10-18 Este no pretende ser un libro más de cocina, sino una guía en forma de diccionario para facilitar la búsqueda y reconocer los términos que habitualmente solemos encontrar en las muchas recetas que se publican, así como para conocer más a fondo las propiedades de los alimentos e incluso la historia de muchos de ellos. Con estas palabras el autor define las características de un libro que une conocimientos, sentido práctico y una completísima recopilación de términos culinarios, conduciendo a quien lee por el delicioso sendero de los sabores, aromas y colores, para que los amantes de la buena cocina y la alimentación correcta puedan gustar de todos ellos al recorrer sus páginas. También se pueden encontrar recetas, que son o han sido la base de la evolución de otros platos, otras procedentes de diversos países y cocina de autor, así como pistas para conseguir lo que se busca mediante enlaces que conducen, de manera entretenida y lúdica, a otras tantas definiciones. Avalado por una extensa trayectoria en hostelería y por su propio afán de investigación en el campo, Miguel J. Jord logra una obra innovadora, fácil de comprender y a la vez profunda, donde la salud y el placer se relacionan con la gastronomía mediante un nivel documental que sorprende por su riqueza de conceptos. Las palabras más utilizadas en hostelería, un vocabulario medicinal y comentarios que sirven tanto a aficionados como a profesionales, completan este diccionario que pretende mostrar cómo la cocina es también, amor, arte, y fantasía y savoir faire. INDICE RESUMIDO: Prólogo. Presentación. Diccionario. Recetario abreviado de la cocina regional española. Mis recetas caseras preferidas. Refranes sobre alimentación y salud. Citas sobre la

alimentación y la vida misma. Vocabulario internacional de restauración (Español, Inglés, Francés, Alemán, Italiano).
