All Behind You, Winston Roger Hermiston,2016-04-07 All Behind You, Winston tells the story of the most remarkable gathering of leaders in modern British history: the War Ministry that saw the country through its darkest - and finest - hour. When Winston Churchill became Prime Minister on 10 May 1940, it was not with the unanimous support of Westminster or the country. For many, Lord Halifax was the obvious choice to succeed Neville Chamberlain, and Churchill's grasp of the Home Front appeared uncertain at best. He assembled around him, however, a Cabinet of 'all the talents'; which would variously mobilise, arm, feed, fund, shelter, evacuate, heal and, ultimately, save Britain. Among these remarkable men - and women - were Churchill's rivals Lord Halifax and Sir Stafford Cripps, the loyal and dogged Clement Attlee, titanic egos such

as Lord Beaverbrook and John Reith, the popular department store owner Lord Woolton (the man who kept the nation fed), the propagandist and playboy Duff Cooper, and many of the statesmen who would go on to build the New Jerusalem in peacetime. By 1945 they had not only steered the country to victory, they had also ensured Churchill's inviolable position in our national myth - an outcome that had seemed far from likely five years earlier. In a series of character-driven chapters, Roger Hermiston, a former deputy editor on Radio 4's Today and the author of The Greatest Traitor, tells the behind-closed-doors story of the key figures and key ministries, delving deep into the archives to bring to life a Cabinet that was both the brain and the conscience of the nation.

British Policy Towards Greece During the Second World War 1941-1944 Procopis Papastratis, 1984-03 This book examines in detail how British policy towards Greece was formulated and implemented from 1941 to 1944. The defeat of Greece and the fall of the dictatorial regime of General Metaxas confronted the British with new problems, the most important being the reconciliation of military and political objectives. The main political objective was to ensure the continuation of Britain's political influence in Greece after the war. This policy would be greatly facilitated by the restoration of King George, a firm advocate of the British connection, though the King's popularity in Greece had been seriously eroded by his close association with the Metaxas dictatorship in the years before the war. However, a policy of support for the King ran counter to the support offered by the War Office and SOE to the National Liberation Front (EAM), a communist-dominated left-wing organization and by far the strongest resistance movement in Greece.

Intelligence Co-operation Between Poland and Great Britain During World War II: Report of the Anglo-Polish Historical Committee Tessa Stirling, Daria Nałęcz, Tadeusz Dubicki, Anglo-Polish Historical Committee, 2005 The Anglo-Polish Historical Committee was established in 2000 with the full support of the Prime Ministers of both countries. The committee, made up of historians and official experts from both countries, was set up to identify and evaluate surviving

historical records which would show the extent of the contribution made by Polish Intelligence to the Allied victory in World War II. In order to assist the committee's work, the Foreign and Commonwealth Office's Chief Historian has been granted access to the archives of the British Intelligence Services. The Polish historians have concentrated their efforts on those documents publicly available in the archives of, for example, Britain, Poland and the United States of America. It is hoped that through the research undertaken and now published as the Report of the Anglo-Polish Historical Committee for the first time, new light will be shed on the contribution of the Polish nation to Allied victory.
