

If She Only Knew

Lisa Jackson

If She Only Knew Lisa Jackson, 2000 Left with fractured memories following the car accident that nearly took her life, Marla Cahill finds herself surrounded by a family of strangers and in deadly danger from a twisted killer who fears what she may remember.

If She Only Knew Lisa Jackson, 2020-02-25 From New York Times Bestselling author and Queen of Suspense, Lisa Jackson, comes *If Only She Knew*, a novel that will have you holding your breath as you turn each page. Perfect for readers of *The Silent Patient* and *Then She Was Gone*! *If She Only Knew*, introduces the Cahills, a wealthy San Francisco family—rich in money, twisted secrets, and hidden agendas. Now at the center of their tangled world is Marla Cahill—a woman with no memory of who she is, what she's done, or why she could be the next to die . . . It begins on a dark stretch of highway in northern California. Caught in a blinding glare of headlights, two vehicles swerve and crash—leaving one woman dead, and another in a coma. When the surviving woman awakens, her memory is gone and her face has been reconstructed. Her family tells her that her name is Marla Cahill—but they're all strangers to her. Recuperating in her isolated San Francisco mansion, Marla waits for something to trigger recognition. Yet the only thing she's left with is the unshakable feeling that she is not who everyone says she is, and that something is very, very wrong. Marla knows her life isn't just different—it's in danger. And as her fear builds, a killer waits for the perfect moment to strike—the moment Marla remembers . . .

If She Only Knew Lisa Jackson, 2000 Left with fractured memories following the car accident that nearly took her life, Marla Cahill finds herself surrounded by a family of strangers and in deadly danger from a twisted killer who fears what she may remember.

If Judy Only Knew... Karen Pollard LPC, 2025-07-07 *If Judy Only Knew* provides the most unique look at the recovery process from drugs and alcohol. The back drop of L. Frank Baum's story and characters in his book *The Wonderful Wizard of Oz* create a captivating look at the path to recovery. This distinctive lens draws clarity, purpose, and understanding of the 12 Step process. Walk through this insightful journey to discover how a path of yellow bricks can lead to surviving the wicked witch of addiction.

If You Only Knew Kristan Higgins, 2016-05-31 A funny, frank and bittersweet look at sisters, marriage and moving on, from the New York Times bestselling author of the Blue Heron series Letting go of her ex-husband is harder than wedding-

dress designer Jenny Tate expected...especially since his new wife wants to be Jenny's new best friend. Needing closure, Jenny trades the Manhattan skyline for her hometown up the Hudson, where she'll start her own business and bask in her sister Rachel's picture-perfect family life...and maybe even find a little romance of her own with Leo, her downstairs neighbor, who's utterly irresistible and annoyingly distant at the same time. Rachel's idyllic marriage, however, is imploding after she discovers what looks like her husband's infidelity. She always thought she'd walk away in this situation but now she's wavering, much to Jenny's surprise. Rachel points to their parents' perfect marriage as a shining example of patience and forgiveness; but to protect her sister, Jenny may have to tarnish that memory—and their relationship—and reveal a family secret she's been keeping since childhood. Both Rachel and Jenny will have to come to terms with the past and the present, and find a way to help each other get what they want most of all.
