

Little Soul And The Sun

S Baum

The Little Soul and the Sun Neale Donald Walsch, 1998-01-01 A parable from Conversations with God, Book 1, this book helps readers remember the angel within us all, as it gracefully explains spiritual concepts to children. Full color.

The Little Soul and the Earth Neale Walsch, 2025-09-12 Once upon no time there was a Little Soul . . . And this Little Soul wanted to understand forgiveness. Except the Little Soul didn't just want to understand forgiveness--the Little Soul wanted to experience forgiveness and know what it felt like to forgive another. So God helped in the best of all possible ways: by putting the Little Soul in the body of Meghan, a newborn baby just beginning to explore all the magic the world had to offer. But God never sends any Little Soul to Earth all alone. God sent along Melvin, a guardian angel, and a promise that God would always be there--even if the Little Soul forgot from time to time. Experience the world through the eyes of the Little Soul in her first few moments on Earth as Meghan meets her mommy and daddy, learns about love, and begins to figure out what it means--and how it feels--to be human. The Little Soul and the Earth is a delightful, vividly told and illustrated tale from the team that created The Little Soul and the Sun. The first of a new series of Little Soul adventures, it exemplifies the vital truth that God is with us always, no matter where our own adventures lead and no matter how many times we may forget that truth. Gently reminding us that beauty and love are all around, the world of the joyous Little Soul is a place your child will want to visit again and again.

The Little Soul and the Earth Neale Donald Walsch, 2005-01-01 Little Soul is sent by God to embark on a series of adventures on Earth, the first of which is to be born.

Rooms of Life - and the Beyond Inside Viktoria B. Knots, 2022-10-26 For author Viktoria B. Knots, the different parts of her life feel like individual rooms. In *Rooms of Life - and the BEYOND inside*, she examines her life as a series of ‘rooms,’ beginning with her early years and continuing through to the present day. In her family Viktoria was known as the sensitive and serious child, always in search of finding answers about the meaning and purpose of life. Life's experiences reinforced these tendencies and heaved her onto the track of spirituality, where she feels at home. In 2007, an epiphany happened on a spiritual journey in Egypt, and two years later another one in Peru, during a Shamanic ceremony, with the so-called vine of the soul, Ayahuasca, that opened a new understanding about life for her. She was then ‘sent’ on many a journey, sometimes with a mission. Overtone and sound healing began to fascinate her, and she immersed in it. Through visiting mediumistic and trance courses at the Arthur Findley College in England, new fields opened, communicating the message: There is a vast field out there to be explored in the BEYOND inside. We just have to dare go there for visits to help us in widening our consciousness.

New Wings for Little Souls Radu-Corin Stan, *New Wings for Little Souls* is a heartwarming collection of 47 therapeutic stories designed to support children's emotional development and open gentle doors toward healing, empathy, and self-discovery. Each story acts as a soft window into a difficult emotion, a sensitive moment, or an important question. Through metaphor, imagination, and a warm narrative style, the book offers a safe space for reflection and connection—both for children and the adults who accompany them. □ Created for children, meaningful for grown-ups. This book was lovingly crafted as a premium product—both in form and essence. The printed edition is priced at €29.99 to reflect the care that went into its creation. For easier access, the Kindle edition is also available at €9.99. □ This is not just a book to read. It's a book to feel, to talk through, and to revisit childhood with softer eyes. For every emotion, there is a story that understands.

Embracing Truth in Times of Adversity Marjorie Daun Timberlake-Linton, 2011-05-25 We are all connected to the Spirit of God by nature, and therefore we can never be separated from God or our good. In times of adversity, however, many

of us get distracted, relying on outer sources, missing the mark, and delaying our good. But God can turn a negative situation into a blessing. The way out of any dilemma is simply to embrace truth and surrender to the will of God. Using examples found in the Bible as well as her personal experiences, Unity minister Marjorie Daun Timberlake-Linton shows you how to fully submit your life to God. With clear, concise language, Timberlake-Linton discusses how inner transformation and individual awareness of truth can help us to become one with our Creator. She uses the basic truth principles of the Unity faith often referred to as practical Christianity and the teachings of Jesus Christ to help you release anxiety; step out in faith; take responsibility; overcome challenges; believe and achieve. This inspiring self-help guide speaks a universal language and opens the door to enlightenment. Learn how to trust God with all your heart, mind, and soul, and discover a happier, more fulfilling life!

Questions and Answers on Conversations with God Neale Walsch, 2025-09-12 Millions of readers have come to value the Conversations with God series by Neale Donald Walsch, which has now been translated into twenty-six languages. Many thousands of those readers have had questions for him--questions about religion, good and evil, physical and mental health, death, prophecy, the nature of God and the universe, prayer, angels and devils, spiritual paths, relationships, and much more. In Questions and Answers on Conversations with God, Neale, with characteristic wit and wisdom, responds to the most compelling and provocative of these letters; and the result is a book that is profoundly enlightening and inspiring. By relating the messages in the dialogues of CWG to the personal issues and everyday experience of individuals, Neale's answers illustrate the direct link between spiritual and physical reality, clearly demonstrating how what we do and who we are in our lives is a result of how we think and what we believe. This book gives us all the opportunity to look at ourselves, to change ourselves, and thus, perhaps, to change the world.

Communion - Cating with God: How to Have a Personal Connection and Relationship with Your Creator Stephen Edwards, 2008-06 Communion-cating: When God communes and communicates with the listener at the same time. My experience is that God is love, and that love is washing over us in waves from an ocean of thought, feeling, and emotion all the time, in all ways. We are only just now in the process of waking up to this reality and realizing who we really are in relation to God and the universe. Book jacket.

Conversations with God Monty Joynes, St. Leger Joynes, Neale Donald Walsch, 2006 From the angry letter to God that started it all to the international phenomenon the book became, the film follows Neale Donald Walsch's meteoric transformation from a homeless man living in a tent to a spiritual guru with more than seven million books sold.
