Living Within a City Revisited Ken Regan, 2018-06-26 In his first book of poetry, Living Within a City, published in 1978, the author explores themes of loss, separation, and finally hope, lifting itself past walls of confinement. Now, forty years later, the author revisits those themes in a sequel to that first collection, still finding the hope that rises out of the daily struggles of life.

The Plays of Miracle & Wonder Brett Bailey, 2003 From a truly groundbreaking voice in African theater, these three plays have disturbed and transported audiences in South Africa and abroad with their depictions of some uncomfortable episodes

in South African history. From witch hunts in Kokstad and the saga of King Hintsa's skull to the prophecies of Nongqawuse and the ensuing cattle-killing crisis, these plays touch on shared neuroses and fears, blending the tragic and transcendent with the farcical. With accompanying essays and working notes, the playwright gives background and insight into each of the productions and outlines his own artistic development and vision. This richly designed book re-creates something of the funky energy, haunting magic, and colorful imagery of the plays themselves.

Diary Of A Las Vegas Waitress T.G. Baker, 2023-11-14 A waitress discovers an unknown illness infecting the food industry and attempts to spread awareness along with the cure. If there were ever a time to recommend a special of the day, this book is the red, white, and blue-plate special Americans want to order. This diary reveals the cause, diagnosis, and remedy for VIP Syndrome, a condition coined by the author as a food server's greatest occupational hazard. Learn the symptoms of VIP Syndrome, avoid becoming infected, and discover how to cure it. Read about a former president, a CEO of an online shoe company, and others who suffer from this illness. Feed your curiosity with this prescriptive non-fiction that uses food, film, and folly to explain today's cultural influences and how they impact the food and hospitality industry like a virus. Do you suffer from VIP Syndrome or know someone who does? This book provides medicinal food for thought with a side of humor, as laughter is the best medicine. Please accept this invitation to indulge in a smorgasbord of information and intrigue that will whet your appetite and provide edifying satisfaction. Gain a better perspective on life and leisure by experiencing dining from both sides of the table in a society that has become so polarized. Opening this diary guarantees a reserved seat at a table where enlightened dining is practiced. Enlightened dining may just become a permanent item on the menu and bake into the American psyche as enlightened living. So let's make life a piece of cake by serving up DIARY OF A LAS VEGAS WAITRESS. Make life a piece of cake(tm)

Chapters cover diverse topics, including transgender representation, erasure, and activism; two-spirit people, indigeneity, and museums; third genders; gender and sexuality in heritage sites and historic homes; temporary exhibitions on gender and sexuality; museum representations of HIV/AIDS; interventions to increase queer visibility and inclusion in galleries; LGBTQ+ staff alliances; and museums, gender ambiguity, and the disruption of binaries. Several chapters focus on areas outside the US and Europe, while others explore central topics through the perspectives of racial and ethnic minorities. Containing contributions that engage in sustained critique of current policies, theory, and practice, Museums, Sexuality, and Gender

Activism is essential reading for those studying museums, women and gender, sexuality, culture, history, heritage, art, media, and anthropology. The book will also spark interest among museum practitioners, public archivists, and scholars researching related topics.
