Robert Southey

Summary of The Cruel Prince by Holly Black Condensed Books, A high-quality summary of Holly Black's book The Cruel Prince including chapter details and an analysis of the main themes of the original book. About the original book: When a mystery man named Madoc shows up at the door of their house in the American suburbs, Jude and her identical twin sister Taryn are seven, and their elder sister Vivi is nine. Their mother has a stressful meeting with Madoc, who claims to be Vivi's father as well as a faerie from a mystical place known as Faerie. The girls' mother, who was previously married to Madoc, fled Faerie with the twins' father. Now, when Madoc approaches her in her suburban house, he murders her and her husband in retaliation for the shame they gave him years before. He returns to Faerie with all three daughters. Jude grows up in Faerie, and the narrative picks up when she is seventeen years old. Madoc marries Oriana, with whom he had a son named Oak. Jude and Taryn go to lessons with their peers from the faerie King's court family. Jude and Taryn are harassed in Faerie by one of the King's six offspring, the pompous prince Cardan, and his posse. Jude has spent her childhood learning battle and military strategy from Madoc, and she aspires to be a knight in one of the courts.

Madoc Gwyn A. Williams,1987 Three hundred years before Columbus, Madoc, son of Prince Owain Gwynedd, discovered North America and, soon thereafter, returned to Wales, leaving behind some of his people to colonize the newly discovered land. First reported by Dr. John Dee to Queen Elizabeth I and publicized as the official view in 1580 in order to justify the English raids on Spanish-controlled North America, this myth greatly influenced American and Welsh history. Gwyn Williams offers the first full-length analysis of the Madoc myth, including a full description of how and why the Elizabethans developed it and an examination of the Madoc fever that gripped both sides of the Atlantic in the 1790s.
