Shot Through The Heart Linda Porter, 2008-07 Linda Porter, the author of *Angels: Beings of Light*, has returned, along with her merry band of angels known as *Us*. This time the tale is so mystical, so seemingly mythological, that you would swear it is a fictional account. But it is not. It is a story about finding the Light in unexpected places and in unexpected faces—a chronicle of one woman's journey further into the Light than she could ever have imagined. When describing her unusual journey, Linda says, I believe that God creates the path that is best suited to each of us. I acknowledge that God frequently has to take me off the beaten path, and even though I don't always understand the ways of others, I try to honor them. Who am I to disagree? Join her as she chronicles her ongoing spiritual journey with entries as varied as *Wrestling with Angels*, *Speaking from the Heart*, *Vampires as a Path to God*, *The Light*, *Moving Beyond the Pain*, *The Dalai Lama*, and more. Most are accompanied with angelic commentaries, of course. This story could not have been written without them. You might want to fasten your seat belt. The angels have promised a wild ride, but a safe and loving journey. Enjoy! Indulge! Learn! Cover design by Matt Porter. For more information please email info@mathewporter.info

Confederate Sheet Music E. Lawrence Abel,2004 During the American Civil War, songs united and inspired people on both sides. The North had a well-established music publishing industry when the war broke out, but the South had no such industry. The importance of music as an expression of the South's beliefs was obvious; as one music publisher said, The South must not only fight her own battles but sing her own songs and dance to music composed by her own children. Southern entrepreneurs quickly rose to the challenge. This reference book is distinguished by three major differences from previously published works. First, it lists sheet music that is no longer extant (and listed nowhere else). Second, it gives complete lyrics for all extant songs, a rich source for researchers. And third, a brief historical background has been provided for many of the songs. Each entry provides as much of the following as possible (staying faithful to the typography of each title page): the title as published, names of all lyricists, composers and publishers; dates of publication; cities of publication; and if applicable, the names of catalogs or magazines in which the song appeared. Music published in Southern cities under Federal occupation is excluded.

X-Ray Ray Davies,2007-10-30 “Like his songs, Davies’s book is alternately poignant, funny, and bawdy . . . indispensable for Kinks fans and recommended for anyone interested in 1960s pop music.” —Library Journal This subversively brilliant, one-of-a-kind rock autobiography is ingeniously styled as a biography, written by a nameless, faceless writer hired by an Orwellian entity called “the Corporation” to capture the essence of Ray Davies, lead singer and songwriter of the Kinks and one of the greatest rock and rollers of all time. The Kinks frontman reveals his life and times to the young writer, often seemingly passing his stories directly into the writer’s consciousness. Carnaby Street, Top of the Pops, the Cavern Club, the Beatles, the Rolling Stones, the Who and other fixtures of the times fade in and out of this compelling narrative. Part autobiography, part social history, part psychological thriller, this elusive and daring book exposes rock stardom as the

heaven, hell, and purgatory it is. "In an age when everybody's in show business and writes a lousy book about it, Ray Davies is to be honored for not doing the usual thing. We would expect no less of him." —Rolling Stone "A major addition to pop-culture literature." —Booklist
