Scatter of Light Diana Pharaoh Francis, 2022-06-24 Welcome back to Diamond City where hell just busted loose. Senator Rice, hater of all things magic, declared martial law following the recent bombings. His goal? Arrest all magic-wielders and take control of the mines. To get what he wants, he doesn't care how many people have to die. How is Riley supposed to stop an army without starting a bigger war? It's going to take deceit, timing, sleight of hand, and a whole lot of luck. To help, she's got her family, friends, and a collection of mobsters, who will probably slide a blade between her ribs the second she turns her back. But beggars can't be choosers, and playing it safe is a losing proposition. Unfortunately, there's more going on than anybody realizes, and the real enemy has yet to show his face. When push comes to shove, can Riley risk sacrificing the people she loves to save a city of people she doesn't even know? Risk her people, her family on a plan almost certainly doomed to fail? For Riley there is really only one choice. What would you choose? This series is one of the best. —Stacey Brutger, Netgalley Reviewer Exceptional! —Jill Smith, RT Book Reviews on The Diamond City Magic series Author Bio: Diana Pharaoh Francis is the acclaimed author of a dozen fantasy and urban fantasy novels. Unseen Gods Justin Holley, 2025-10-14 Careful what you search for, you may just find it. With grotesque glimpses of the disappeared, the past is alive and well. After winning an old casefile at auction outlining the disappearance of a hunting party back in the nineties, Kory and his pregnant wife invite their friend and mentor, Professor Frank Colista, and others, for a

casual long weekend of exploring the mystery onsite with very little hope of finding anyone or anything. When one of their factions disappears without a trace, Kory and Colista fear the past may repeat itself. Then the deaths start. As a savage, unexpected snowstorm sets in, the disappearances and ungodly sightings of the deceased ramp up, and an old woman rambles about end-of-days and sacrifice. THAT I'M NOT, I'LL NEVER BE Appahummie the Author, 2023-05-01 When Appahummie Dotts enters the Cook County Jail, his guilt or innocence is irrelevant to staying alive amid all the violence and chaos headed his way. As an eighteen-year-old, he can hardly believe that he’s in the belly of the beast with grown seasoned criminals- most of them without anything to lose. He weighs 130 pounds soaking wet, but he knows how to protect himself and is smart enough to mind his business. In this dramatized account, the author looks back on how he found himself in the Cook County Jail among killers, robbers, rapists, and drug dealers from all walks of life. He also reveals what it’s like to be in the Cook County Jail fighting for your life. Moreover, he shares the frustration of being in the Cook County Jail, recalling how some days he asked the Lord for

strength and if the days would ever change. Each one seemed more miserable than the next, making it that much harder to keep going on.

MEIN KAMPF Adolf Hitler Micky Banetti,Dead Writers Club,Adolf Hitler,Ian Tinny,Pointer Institute,Dr. Rex Curry,

Esq., 2015-08-05 MEIN KAMPF Adolf Hitler exposed: Nazi salutes came from the USA's Pledge of Allegiance; Swastikas were S letters for SOCIALIST. This blood-drenched book offers eye-popping new analysis of Mein Kampf - 1. Mein Kampf does not contain the word Nazi in any form. 2. Mein Kampf does not contain the phrase Third Reich. 3. Mein Kampf does not contain the word Fascist ever as a self reference by Hitler. 4. Mein Kampf does not contain a single use of the word swastika. 5. Nazis did not call their symbol a swastika. 6. Swastikas represented crossed S letters for SOCIALISTS under Adolf Hitler. 7. Nazi salutes and Nazi behavior originated from the USA's Pledge of Allegiance to the flag. 8. The Nazi salute came from the military salute (as used in the original Pledge of Allegiance in the USA). 9. The word Fascist is related to the word faggot. 10. Vienna, Austria (Hitler was born in Austria) is the origin of the word wiener. 11. The word Kampf in Hitler's Mein Kampf is related to these words: campaign, champagne, champignon, champion, champ, camp, and campus. 12. Learn about the socialist Wholecaust (of which the Holocaust was a part). 13. The fascist salute was performed by public officials in the USA from 1892 through 1942. What happened to the photographs and films of the American fascist salute performed by federal, state, county, and local officials? Public officials in the USA who preceded the Adolf Hitler and the Benito Mussolini were sources for the stiff-armed salute (and robotic chanting) in those countries and other foreign countries. 14. Explore how the ancient Roman salute myth originated from the city of Rome in the state of New York (not Italy), Francis Bellamy's hometown. Learn about Mussolini's strange gift to the city of Rome, NY: a statue of two human male infants suckling on a female wolf. That statue remains on display in Rome, NY. The author Micky Barnetti explores the work of the historian Dr. Rex Curry in jaw-dropping detail. Dr. Curry was the first to point out that Wikipedia (and other so-called sources, including all the news outlets that you pay attention to) cites no example of Hitler ever using the term Third Reich or Nazi or Fascist as a self-identifier in German or in any language. And yet Wikipedia (similar to all the news outlets that you have spent your entire life paying attention to) deceives users into believing that Hitler over-used the term Third Reich and Nazism and Fascism as a self-identifier for his dogma. Writers for Wikipedia (and its ilk) are the people who over-use those terms. They over-use those terms to hide the word that Hitler DID use: SOCIALISM. Barnetti reminds us of the history of robotic chanting en masse and on cue, accompanied by violence for anyone who refused to submit. Calling someone a fascist is the fastest way to shut someone up, defining their views as beyond the pale. But who are the real fascists in our midst? According to the author Micky Barnetti, the quintessential socialist isn't an SS storm trooper; it is a public school teacher brainwashing children every day for 12 years of their lives. The pledge remains the first fascist bullying that begins each day in government schools (socialist schools) in Police State USA. Find out why, if the truth were taught about the Pledge of Allegiance, then everyone (other than fascist kooks) would refuse to perform Francis Bellamy's quotidian mechanical ritual. Remove the pledge from the flag; remove the flag from schools; remove schools from government. The Pointer Institute proudly presents another news-breaking volume from the Dead Writers Club (DWC) and Micky Barnetti in the field of Anarchaeology and

Misanthropology. A portion of the proceeds of the sale of this book will aid the Stop the Pledge Foundation to liberate children and adults from the Pledge of Allegiance in the USA. For more information please write to: pledge-of-allegiance@earthlink.net

Hitler's Table Talk Ian Tinny,Dead Writers Club,Micky Barnetti,2020-06-22 Everyone has heard media descriptions of Nazism and Fascism in critiques of Adolf Hitler. But what did "Der Fuhrer" truly say when he talked? To find out, come inside Hitler's mouth; experience his twisted tongue; see what he said. This book examines the actual words of a man who came close to destroying the world. These revelations are indisputably authentic, raw, and fascinating. They are an unretouched look at the inner recesses of the mind of Hitler. This is a useful companion volume or study guide to Hitler's Mein Kampf, whereby what had been a vague plan suddenly was reality, almost to the disbelief of its author. Specific examination of Mein Kampf is made in chapter 9 of this book. If we are to discover the mind of Hitler, we must penetrate behind the thick curtains of superficial evidence which conceal it and the unreliable media intermediaries who have distorted it. Here is a startling expose' of the origin of Hitler's views on his enemies, his friends, his ambitions, his failures, and his goals. This book reveals those origins, including shocking practices he borrowed from the USA.

Clickbait Holly Baxter, 2024-08-13 With the dark comedy and sharp observations of Monica Heisey and Dolly Alderton, a whip-smart and laugh-out-loud funny debut novel about a disgraced, newly divorced journalist demoted to a “clickbait” job at a Manhattan tabloid. The first thing they tell you when you begin your training is never to become the news. Natasha has screwed up royally. Her mistake isn't just embarrassing, it's a breach of journalistic ethics that makes headlines and costs her a plum job reporting from London. Back in New York at thirty-five and single, divorced from a kind man she loved, she finds herself at the bottom of the media food chain—a junior reporter at a clickbait factory, rewriting sensational tabloid stories to make them just different enough to avoid lawsuits. As if her professional fall from grace weren't bad enough, she's taken the money she'd saved for a down payment for a home on a charming Brooklyn block with her husband, and rashly bought a boxy apartment overlooking the gray ocean in Rockaway Beach, Queens. Though seeing friends and family only serves to remind her of what she's lost, things begin to pick up when her ex-boyfriend Zach moves back to New York and accepts her offer of a spare bedroom. The arrangement is strictly platonic, of course—for him. But Natasha can't help but wonder whether he might be the solution to all her problems. As Natasha's obsession with Zach grows and her involvement in increasingly dystopian churnalism deepens, her worlds threaten to collide in the most cataclysmic, extremely public way.
