**Michelle Janine Robinson**

**Purple Panties** Zane, 2008-05-06 Zane, the New York Times bestselling author and Queen of Erotic Fiction, brings a new collection of lesbian erotica that will blow the sheets off beds everywhere. What happens when The Finest Man you have ever laid eyes on is a woman? What happens when a woman comes home to her man after a hard day's work with Lipstick on Her Collar? What happens when a married woman runs across the love of her life -- another woman -- who insists that It's All or Nothing? Is there such a thing as playing too Hard to Get? What happens when Mom's Night Out turns into group sex? What happens when you discover your true sexuality At Last? All of these questions and more are answered within the pages of Purple Panties. Written by women from all over the world, here is a new level of lesbian erotica, compiled by Zane, that promises the most exciting and steamy reading experience possible. These stories move beyond race, age, and all walks of life, including long-hidden passions, secret rendezvous with strangers, and May-December romances. With Zane's ever-growing popularity, and the need for increasingly quality erotica, Purple Panties will satisfy a long-standing demand for African-American lesbian literature. In the tradition of such successful erotica anthologies as Chocolate Flava and Caramel Flava, Purple Panties uncovers a new world of evocative risk-taking that has never been explored before from a lesbian perspective. The adventures in these stories are beyond everyone's wildest imaginations. \*Note: Purple Panties the podcast (based on the book and created by Zane) is now on Stitcher Premium. Push Comes to Shove Maud Lavin, 2012-09-21 The new celebration of women's aggression in contemporary culture, from *Kill Bill* and *Prime Suspect* to the artists group *Toxic Titties*. In the past, more often than not, aggressive women have been rebuked, told to keep a lid on, turn the other cheek, get over it. Repression more than aggression was seen as woman's domain. But recently there's been a noticeable cultural shift. With growing frequency, women's aggression is now celebrated in contemporary culture—in movies and TV, online ventures, and art. In *Push Comes to Shove*, Maud Lavin examines these new images of aggressive women and how they affect women's lives. Aggression, says Lavin, need not entail causing harm to another; we can think of it as the use of force to create change—fruitful, destructive, or both. And over the past twenty years, contemporary culture has shown women seizing this power. Lavin chooses provocative examples to explore the complexity of aggression, including the surfer girls in *Blue Crush*, Helen Mirren as Jane Tennison in *Prime Suspect*, the homicidal women in *Kill Bill*, and artist Marlene McCarty's mural-sized *Murder Girls*. Women need aggression and need to use it consciously, Lavin writes. With *Push Comes to Shove*, she explores the crucial questions of how to manifest aggression, how to represent it, and how to keep open a cultural space for it.

*The Highest Price for Passion* Laurinda D. Brown, 2011-02-22 Set during the pre-Civil War period, *The Highest Price for Passion* delves into the lives of various individuals who are deeply affected by the outcome of the largest sale of slaves in U.S. history called “The Weeping Time.” When Amelia “Passion” Smith, a biracial and beautiful woman, is sold as a slave to the Wellsworth household, she finds herself in the middle of a marriage steeped with secrets. The husband, and master of the house, finds himself drawn to Amelia. Unbeknownst to him, his wife holds a secret love for Amelia, and when she discovers her husband forcing himself on Amelia, the unthinkable happens. *The Highest Price for Passion* reflects one hundred years of the most volatile era to divide American soil, interspersed with the uncontrollable fervor from the unlikelyst of sources—when both master and mistress vie for the affections of a slave too beautiful to destroy, with a quiet intelligence neither can outwit. Discover a time when the concept of family paled against the principle of human bondage. Fight for the cause. Die for the freedom to live, to choose, to love. Unyielding. Uncompromising. Undeniable. These are the qualities that make *The Highest Price for Passion* unforgettable.

On the Other Side Michelle Janine Robinson, 2014-05-20 When one woman survives the 9/11 attacks on the Twin Towers, she decides to fake her death and start a new life across the country, until her past—and a mysterious figure—comes back to haunt her. Damita believes she's struck gold with her soon-to-be husband—Neal is a charming and successful architect, a man most women would swoon over. But as Damita prepares for their wedding, she discovers that Neal isn't the man she

thought he was. One night, he beats her to the point where she can barely walk. Somehow, Damita manages to show up for work the next day in the World Trade Center—on September 11, 2001. With the help of a man who appears, seemingly out of nowhere, she runs from the building as quickly as possible. When they both make it to safety, she turns to find he is gone, but hears the words: “Don’t worry, I’ll meet you on the other side.” When Damita gets home, still covered in dust, she’s met by a drunken Neal—and he wants to finish what he started. Instead, Damita defends herself, leaving Neal senseless on the ground. Suddenly, a brilliant idea strikes: She could run far, far away, and no one will ever know she’s still alive—or what happened to her husband, especially if she becomes a suspect for murder. Damita settles into a new life in Seattle. Though misses her family, she hasn’t made contact with anyone to stay hidden—but it seems that her past isn’t completely wiped away. One day a an anonymous, threatening note mysteriously appears on her doorstep that says, “I know who you are.” And the notes don’t stop there. Damita becomes convinced she’s going to prison—or worse, when she finds out who’s behind it all. But she’ll do what it takes to stay safe.

*Character Is Fate* Khalid A. Mustafa, 2009-10-21 The best way for me articulate an insightful glimpse of self is through the words of a friend. Michelle states: You are a very generous man. You understand what it means to be a man, what differentiates the man from the boy, and what males and females alike need and want from you as a man. You give great attention and focus to your ability to handle responsibilities, understand the needs of others (often more than they understand their needs themselves), and deliver on those needs in a very special and unique way. You are clear about the importance of righteous good deeds and this central principle in your life generates much of the giving you do to the deserving and the not-so deserving. Your heart is in all that you do and you are so forgiving of others, yet you never seem to fully forgive yourself, finding more appropriate respite in The Cherisher and Sustainer of the Universe and keeping faith in His message that His mercy outreaches His wrath. You are extremely self-motivated and driven. When you have set your mind to something, there is little that can deter you from the path unless it is well substantiated. Others who stand close to you can sense this as you pull them closer or as you push them away. What you know, you know and you are also wise enough to know that there is much that you still have to comprehend.

**Strange Fruit** Michelle Janine Robinson, 2013-03-19 In this frightening novel about the future, a series of catastrophic events not only cripples the world's economy, but also ushers in the return of slavery. Traci and Bill Bianco were living the all-American dream, until the world as they knew it came crashing down. Years after a black man is elected President of the United States and the Empire State building is toppled by an explosion, the nation is in a state of upheaval. But it's Hurricane Molly in 2018 and the stock market crash of 2020 that seal the country's fate. Once the economy takes a nosedive, ordinary Americans must resort to the barter system to get by. Food and shelter are exchanged for labor and initially it seems as though it may work—until the unscrupulous begin to take power and laws are changed. Though Traci and Bill actually fare better than most economically, they are confronted with a new danger—interracial marriage is once again deemed unlawful and anyone caught is subject to arrest. Soon Traci and their four-year-old daughter are on the run. *Strange Fruit* offers a post-cataclysmic world when desperation reigns supreme and people resort to the cruelties of the past to take control.

**Everything Fades Away** Zane, 2012-11-20 An ebook original short story from the New York Times bestselling Queen of Erotica about what explodes when a man and woman—both suffering marital problems with their respective partners—coincidentally find themselves involved in a steamy love affair with each other despite the peril that looms at home. Amanda is bored with life. She spends hours a day on Facebook, her parents act like they are too ancient to enjoy life any longer, and her military husband, Ralph, is deployed to Afghanistan. Gideon is not totally content at home either. His wife, Nina, is a lifetime overachiever and a workaholic. She has moved her mother into their home so she can have a live-in sitter, and Gideon has fallen to the bottom of her priority list. On Black Friday 2012, both Amanda and Gideon end up at a Best Buy to take advantage of the massive price cuts. When the store opens its door at midnight, the potential customers rush the glass doors and end up in a brawl. Built-up excitement turns into mass pandemonium as the police show up in riot gear. Tear gas containers are being tossed around like lollipops and strangers are beating on each other like a heavyweight fight at the MGM Grand in Vegas. Amanda and Gideon both end up in the skywalk overlooking the madness and, even though they are complete strangers to each other, the adrenaline rush overwhelms them and they discover quick ecstasy among the chaos. After putting their clothes back on, followed by making formal introductions, they embark on a sexual journey together that re-ignites the flames in their souls. Both are forced to make choices that they never thought would have to be

made; marriages are placed at risk; heartbreak is inevitable. What starts out merely as casual sex becomes much more than mere physical attraction and their lives begin to unravel. No matter how incredible something wrong can make one feel, eventually, Everything Fades Away.
