**The Cultivation of Hatred: The Bourgeois Experience: Victoria to Freud** Peter Gay,1993-09-17 With the same sweep, authority, and originality that marked his best-selling *Freud: A Life for Our Time*, Peter Gay here takes us on a remarkable journey through middle-class Victorian culture. Gay's search through middle-class Victorian culture, illuminated by lively portraits of such daunting figures as Bismarck, Darwin and his acolytes, George Eliot, and the great satirists Daumier and Wilhelm Busch, covers a vast terrain: the relations between men and women, wit, demagoguery, and much more. We discover the multiple ways in which the nineteenth century at once restrained aggressive behavior and licensed it. Aggression split the social universe into insiders and outsiders. By gathering up communities of insiders, Professor Gay writes, the Victorians discovered--only too often invented--a world of strangers beyond the pale, of individuals and classes, races and nations it was perfectly proper to debate, patronize, ridicule, bully, exploit, or exterminate. The aggressions so channeled or bottled could not be contained forever. Ultimately, they exploded in the First World War.

**The Short Writings of Nelson Algren** Richard F. Bales,2022-09-15 Nelson Algren was a renowned Chicago writer known for his social commentary and his novels like *The Man with the Golden Arm* and *A Walk on the Wild Side*. Although he continues to be remembered almost exclusively for his novels, this book aims to highlight the value and influence of his short form works. Before he died in 1981, Algren had amassed a genre-defying body of work, including short stories, articles, poems and book reviews. The present book features a comprehensive analysis and discussion of Algren's lost literature, including everything but his novels. One of the pieces covered is a masterpiece of race relations written in 1950, more than 60 years before the galvanization of the Black Lives Matter movement. Another is a scathing poem about Algren's transatlantic love affair with Simone de Beauvoir. Both items are reprinted in the book courtesy of the Algren estate. This book also includes references to Algren's works that have yet to be studied by Algren scholars.
