Tell Me to Stop Charlotte Byrd, 2019-08-06 I owe him a debt. The kind money can't repay. He wants something else: me, for one year. But I don't even know who he is... 365 days and nights doing everything he wants...except that. "I'm not going to sleep with you," I say categorically. He laughs. "I'm going to make you a promise," his eyes challenge mine. "Before our time is up, you'll beg me for it." _____ What readers are saying about Charlotte Byrd: Extremely captivating, sexy, steamy, intriguing, and intense!" DALE CARNEGIE: How to Stop Worrying and Start Living, The Art of Public Speaking, How to Win Friends and Influence People & Lincoln the Unknown Dale Carnegie, 2024-01-14 In his seminal works, including *How to Stop Worrying and Start Living*, *The Art of Public Speaking*, *How to Win Friends and Influence People*, and *Lincoln the Unknown*, Dale Carnegie articulates a pragmatic approach to personal development and interpersonal skills. Carnegie's eloquent prose combines anecdotal evidence with psychological insights, addressing timeless concerns related to anxiety, communication efficiency, and leadership. Grounded in the principles of human behavior, his writings reflect the shifting social landscape of early 20th-century America, where personal and professional relationships were becoming increasingly important in a rapidly evolving world. Dale Carnegie, an educator and motivational speaker, emerged from humble beginnings in rural Missouri. His own struggles with self-doubt and a lack of confidence deeply informed his passion for helping others overcome their insecurities. Carnegie's background in sales and public speaking shaped his understanding of human psychology, leading to the development of strategies that empower individuals to cultivate authenticity and connection, becoming not only more effective communicators but also more fulfilled individuals. This collection is an invaluable resource for anyone seeking personal growth and mastery over their social interactions. Carnegie's timeless lessons are as relevant today as they were in

his time, offering readers practical tools to combat anxiety, improve public speaking skills, and foster meaningful relationships. Whether you are a student, professional, or simply someone wishing to enrich your life, Carnegie's works promise to illuminate the path to personal success and deep human connections.

Tell Me to Go Charlotte Byrd, 2019-09-03 His offer: 365 days and nights = \$1 million My addendum: I'm not doing that His promise: Before the year is up, you'll beg for it My days of lying and stealing are over, but then Nicholas Crawford makes me an offer I can't refuse. Spend a year pretending to be his significant other in exchange for \$1 million dollars. I tried to put that part of my life, and those hard-won skills, behind me. But I need the money. He needs a partner. I told him that I'd never sleep with him. He promised me that I would end up begging for it. Now, I want him more than ever. Especially when I run my fingers over his chiseled body and he teases me with his tongue. Especially when he puts his hands on the small of my back and kisses me. I want him so much I am going to scream. I want him so much...I might even beg.
