*The Book of Jasher* Flaccus Albinus Alcuins,2000 According to some sources, this book was once the original start of the Bible. We do know at one time that it was once part of the Bible, being referred to in Joshua and Second Samuel. It also survived the burning of the Alexandria Library in about 389 AD due to a fast acting custodian. Albinus Alcuin later found this work and did the original translation of it from Hebrew in 800 AD. It was later suppressed but rediscovered in 1829, when it was once again suppressed. Only now has it reemerged to become widely available and judged properly for its value. Note: A more common 64 page version is in circulation, but is a proven forgery.

This book will tell you what the author thinks and feels will take place in the end times. The Book of Revelation is not only about judgements, but it is also about the blessings people will receive in the end days and beyond.

Truths Stolen by Satan Revealed M. D. Connell-McDowell,2013-03-19 This course is to prevent that happening to you. Plus you're going to have a wonderful life on earth and gain your full reward rather than some of your reward in this life and far more importantly your full reward in eternity. Many Christians don't have the Apocrypha/Dueterocanonical books in their Bibles and so lack expertise to win in spiritual warfare. You are going to learn these secrets. Firstly by convincing you that the Apocrypha/Dueterocanonical books are inspired by The Holy Spirit. Secondly the art of 'Heeding mild rebukes' On top of all this you're going to increase greatly in knowledge, for example: 1) You will learn what happens to you for seven days when you leave your mortal body, you will be going on a wonderful journey with Christ. 2) You're going to find out who the mysterious Melchizedec was, mentioned in Hebrews; whom many have said was Christ, not so! 3) You will learn that the earth was originally created upright on its axis and why and when it was tilted; by the way scientists concur that it was upright, but it did not happen tens of thousands of years ago as they suggest. 4) Scientists tell us originally the dry land on earth was gathered together in one huge continent, they have named 'Gondwanaland' they are correct, the scriptures not only tell us this but when it was changed to the map that we have today by the almighty power of God. It didn't happen when the scientist say. 5) Did you know Job was advisor to Pharaoh and that he was complicit in the murder of the Hebrew male babies? 6) Between the killing of the Egyptian and seeing the burning bush, Moses led a fascinating life, what was he doing?

He wasn't herding his father-in-laws sheep the whole time as some say. I could go on and on, there is so much more awaiting you; come with me on this fascinating adventure. God bless you, I'll see you on the inside.

**Playing with Fire** Billy Hallowell,2020-09-08 “Provocative, insightful, and enlightening—a foray into an often-neglected topic that merits more attention than it typically receives.” --Lee Strobel, New York Times bestselling author of *The Case for Christ* What is Our Fascination with the Other Side? Join investigative reporter Billy Hallowell as he delves into the strange phenomena of supernatural activity. Themes of demonic possession, exorcism, and ghosts have overtaken Hollywood, with countless films and TV shows delving into the age-old struggle against evil. But the question is why? Even with so much focus on the topic, there seems to be very little public knowledge and discussion about the theology and real-life claims surrounding demons. Quite often, many people remain silent about their experiences or resort to quietly whispering about what they’ve seen, heard, or felt for fear of being labeled as crazy. The truth is, even pastors, priests, and clergy who have observed firsthand accounts of possession and deliverance can succumb to the strange and terrifying effects of intense spiritual warfare. For people of faith, *Playing with Fire* addresses these core questions: Are demons active today? If they do indeed exist, what are they? Fallen angels? Nephilim? Can demons inhabit human beings? According to the Bible, can people die and remain behind as “ghosts”? *Playing with Fire* explores the theological underpinnings surrounding the supernatural. Relying on firsthand accounts, newspaper reports, and Christian experts, Hallowell takes readers through the various views and perspectives surrounding supernatural activity.

*UFOs and Anti-Gravity* Leonard G. Cramp,1997-03 Long out-of-print, Cramp's 1966 classic book on flying saucer propulsion and suppressed technology is available again. Cramp wrote *Space, Gravity and the Flying Saucer* in 1954 and was Vice-President of the British UFO Research Association (BUFORA). This is a highly technical look at the UFO phenomenon by a trained scientist. Cramp first introduces the idea of anti-gravity and introduces us to the various theories of gravitation. He then examines the technology necessary to build a flying saucer and examines in great detail the technical aspects of such a craft. Cramp's book is a wealth of material and diagrams on flying saucers, anti-gravity, suppressed technology, G-fields and UFOs.

**The Baltimore Book** Elizabeth Fee,Linda Shopes,Linda Zeidman,1993-11 Baltimore has a long, colorful history that traditionally has been focused on famous men, social elites, and patriotic events. The Baltimore Book is both a history of the other Baltimore and a tour guide to places in the city that are important to labor, African American, and women's history. The book grew out of a popular local bus tour conducted by public historians, the People's History Tour of Baltimore, that began in 1982. This book records and adds sites to that tour; provides maps, photographs, and contemporary documents; and includes interviews with some of the uncelebrated people whose experiences as Baltimoreans reflect more about the city than Francis Scott Key ever did.The tour begins at the B&O Railroad Station at Camden Yards, site of the railroad strike of 1877, moves on to Hampden-Woodbury, the mid-19th century cotton textile industry's company town, and stops on the way to visit Evergreen House and to hear the narratives of ex-slaves. We travel to Old West Baltimore, the late 19th-century center of commerce and culture for the African American community; Fells Point; Sparrows Point; the suburbs; Federal Hill; and Baltimore's renaissance at Harborplace. Interviews with community activists, civil rights workers, Catholic Workers, and labor union organizers bring color and passion to this historical tour. Specific labor struggles, class and race relations, and the contributions of women to Baltimore's development are emphasized at each stop. Author note: Elizabeth Fee is Professor in the Department of Health Policy and Management of The Johns Hopkins University School of Hygiene and Public Health.Linda Shopes is Associate Historian at the Pennsylvania Historical and Museum Commission.Linda Zeidman is Professor of History and Economics at Essex Community College.
