Becoming a Church that Cares Well for the Abused Brad Hambrick, 2019-06-04 Is your church prepared to care for individuals who have experienced various forms of abuse? As we continue to learn of more individuals experiencing sexual abuse, domestic violence, and other forms of abuse, it's clear that resources are needed to help ministries and leaders care for these individuals with love, support, and in cooperation with civil authorities. This handbook seeks to help the church take a significant step forward in its care for those who have been abused. Working in tandem with the Church Cares resources and videos, this handbook brings together leading evangelical trauma counselors, victim advocates, social workers, attorneys, batterer interventionists, and survivors to equip pastors and ministry leaders for the appropriate initial responses to a variety of abuse scenarios in churches, schools, or ministries. Though the most comprehensive training is experienced by using this handbook and the videos together, readers who may be unable to access the videos can use this handbook as a stand-alone resource.

Navigating Destructive Relationships Brad Hambrick, 2024-07-29 Navigating Destructive Relationships is a 9-step support group curriculum to help process destructive relational patterns and identify key choice points for more productive responses.

Intimate Deception Dr. Sheri Keffer, 2018-03-20 Nothing destroys trust like sexual betrayal. Beyond broken vows, a woman who discovers that the man she loves has been viewing pornography or having an affair must deal with devastating blows to her self-image and self-worth. She must grapple with the fact that the man she thought she knew has lied and deceived her. She may even bear the brunt of shame and judgment when the people around her find out. Drawing from her experience both as a marriage and family therapist and a woman who personally experienced the devastation of sexual betrayal, Dr. Sheri Keffer walks women impacted by betrayal through the pain and toward recovery. She explains how the trauma of betrayal affects our minds, bodies, spirits, and sexuality. She offers practical tools for dealing with emotional triggers and helps women understand the realities of sexual addiction. And she shows women how to practice self-care, develop healthy boundaries, protect themselves from abuse or manipulation, and find freedom from the burden of shame and guilt.
