**Thomas L. Martin**

The Four Loves C. S. Lewis, 2023-11-20 The Four Loves is a 1960 book by C. S. Lewis which explores the nature of love from a Christian and philosophical perspective through thought experiments. The book was based on a set of radio talks from 1958 which had been criticized in the U.S. at the time for their frankness about sex. C.S. Lewis examines storge or empathy love; philia, friendship love; eros, romantic love; and agape, or God love. Excerpt: GOD is love, says St. John. When I first tried to write this book I thought that his maxim would provide me with a very plain highroad through the whole subject. I thought I should be able to say that human loves deserved to be called loves at all just in so far as they resembled that Love which is God.

Choosing Love Ruth Teakle, 2021-03-31 Choosing Love is an invitation to explore the narratives of some biblical characters and some ordinary women who have been transformed by God's unfailing love. The testimonies are unique, genuine, and vulnerable, demonstrating a divine, sacrificial, limitless love. You will be both summoned and inspired to draw closer to God, grow in this fruit of the Spirit, and develop a passion to receive His love and express it to others. Choosing Love includes small group helps and will make a valuable addition to both church and personal libraries. If you haven't read and studied God's Word, you're missing out on the greatest book ever written. In its pages you will meet some of the greatest heroes of all time, such as Paul, John, James, and the most important person of all, the Son of God Himself, Jesus Christ. The wisdom recorded in God's Word will carry you through every encounter in life and give you strength to get through any day. Even though it was written thousands of years ago, it has applications for your life that are extremely relevant right now. You won't just learn how to come to a saving faith in the Lord Jesus Christ, but also how to live a fulfilled life that could only come from the Creator of the universe. This book will come alive before your very eyes! In more than thirty years of study, I've found practical answers to every encounter life has thrown my way. If you don't know Jesus as your Lord and Savior, my hope is that this book will lead you in His direction. If you do believe, my prayer is that you'll come to see that Christianity is about more than attending church on Sunday?and that you'll find the joy that is made complete in the Word of God.

**Love Letters to God** Devon Spencer, Katherine Willis Pershey, 2025-07-29 Love Letters to God is an intensely personal

and deeply theological book of epistles between two dear friends. The authors hail from different backgrounds in faith, family, and life circumstances but find common ground in their devotion to Christ, Christianity, and each other. The letters chronicle a year in the life of this friendship, marked by fervent faith and bouts of unbelief; suffering and rejoicing; death, loss, and baptism; and the sanctification of a friendship. The tone is at once literary and personal, peppered as much with theological references as unrefined vulnerability, and speaks to all who cherish their faith and their friends.

**The Four Loves** Clive Staples Lewis, 1991 Analyzes the feelings and problems involved in different types of human love, including familial affection, friendship, passion, and charity.

**Love** I. Dilman, 2016-01-13 The book is concerned with questions about love: questions about its many forms, strands and aspects, and the relation in which they stand to each other. It is concerned with the way different aspects of sexual love conflict with each other, with the way self-regard and self-interest can corrupt love, and with spiritual love and its difficulties. It seeks the views of some writers who have suggested some distinctive solutions to the existential problems that love poses in the face of its obstacles: Plato, Proust, Sartre, Freud, D.H. Lawrence, Erich Fromm, C.S. Lewis, Kierkegaard, Simone Weil and Kahlil Gibran.

**The Abolition of Man: C.S. Lewis's Classic Essay on Objective Morality** Clive Staples Lewis, Michael Ward, 2017-05-03 C.S. Lewis sets out to persuade his audience of the importance and relevance of universal values such as courage and honor in contemporary society. This critical edition, prepared by Michael Ward, helps readers get the most out of Lewis's work with an introduction placing the book in the context of his life and times; a fully annotated version of the text; a commentary on key passages; and a set of questions for group discussion or individual reflection.

**C.S. Lewis on Love** Clive Staples Lewis, 1998 C.S. Lewis experienced many kinds of love, and this collection explores his profound thinking on love in all its aspects.

**Essays on C.S. Lewis and George MacDonald** Cynthia Marshall, 1991 This volume goes beyond observations noting thematic connections between C.S. Lewis' theological writings and his imaginative fictions to probe the basic foundation of his conception of fiction and to advance the reader's understanding of the importance he granted to the imagination in perceiving truth. The book also explores the role George MacDonald (who Lewis said baptized [his] imagination) played in the development of his theory of fiction. Walter Hooper and Ann Loades offer essays on questions of autobiography raised by *A Grief Observed*; Robert Holyer writes on the epistemology of *Till We Have Faces*; Frank Riga discusses dreams as conduits for the imagination; and Waldo Knickerbocker discusses Lewis' sense of Christianity as a true fairy tale.

The 'Ism' Dilemma George I. Bailey, 2020-11-09 My wife and I have been born again saved Christians for over 20 years. We do have a non-denominational church home and we study The Holy Bible together regularly at home. We have a blended family with 3 adult children and 2 grandchildren. I have worked for 20 years in electric operations and transportation. I have

a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics. The book is primarily about relationship issues that result from illegitimate people groupings in modern day society. The book has an overwhelming focus on the spiritual impact on people, when pride based problems are not properly addressed with a biblical relationship with Jesus Christ. I have personally struggled with many of the people grouping issues discussed in this book; pride has been one such stumbling block for me. Creating this book has in part been a personal journey for me, helping me to heal some of the wounds inflicted upon me by others, as well as heal wounds I've caused others. It is my sincere hope and prayer that your journey through this book will heal you and your loved ones, as it has done for me and my family. With God's help, Christians and Non-Christians alike can all benefit from the experiences, tools, and methods in this book by improving themselves spiritually, and by improving the quality of their relationships with others
