*Everything I Never Told You* Celeste Ng, 2015 Lydia was the favourite child of Marilyn and James Lee. Her parents had been determined that she would fulfil the dreams they were unable to pursue themselves, though she had also been under pressures that had nothing to do with growing up. Her father is an American born of first-generation Chinese immigrants, which makes him and his children conspicuous in any setting, especially in 1970s small-town Ohio. When Lydia's body is found in the local lake, James is consumed by guilt, while Marilyn is determined to make someone accountable, no matter what the cost. Lydia's older brother, Nathan, is convinced that local bad boy Jack is somehow involved. But it's the youngest in the family, Hannah, who observes far more than anyone realises, and who may be the only one who knows what really happened...

*Celeste Ng's Everything I Never Told You Summary and Review* Ant Hive, 2015-10-01 This is a Summary & Analysis of Everything I Never Told You. Celeste Ng's engaging read is a many-layered novel about family, race, secrets and love. When Marilyn Walker and James Lee meet at college in the late 1950's, a mixed-race relationship is something unusual and socially questionable. But for Marilyn, who is white, and James, who is Chinese, it fulfills their deepest needs. They marry and raise a family in a time of intense social and historic change-women are abandoning their traditional roles, humans are exploring space-but some things, like prejudice and desire, stay the same. The story begins in the mid-seventies, a time of political and social upheaval, when many parts of life formerly taken for granted are uncertain and subject to change. This is the milieu in which Lydia Lee vanishes one night. The reader knows from the first line that Lydia is dead; what happened to her is not the mystery. The mystery is how it happened. *Summary of Everything I Never Told You a Novel* A Book a Day, 2016-09-29 Warning This is an independent addition to *Everything I Never Told You: A Novel*, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. SUMMARY/ANALYSIS INTRODUCTION *Everything I Never Told You* is a very different kind of mystery. It opens like countless other thrillers - a young girl vanishes from her home and is later found at the bottom of a lake, drowned. The town is shocked and fascinated by the tragedy, and the police launch an investigation. But as the mystery unfolds, we find that the clues to Lydia Lee's untimely demise are embedded deep within the history of the girl's family. At first, the Lees seem like the perfect all-American clan, with sixteen-year-old Lydia as the flawless, favored child. However as the Lees mourn and desperately search for answers, the ugly truth of the pursuit of perfection is revealed. The Lees are mixed-race Chinese and white family and in 1977 small town Ohio, they stick out like a sore thumb. Lydia's parents, James and Marilyn each carry deep regrets - James always longed to fit in and have friends, and Marilyn dreamt of being among the ranks of the first woman doctors in America, before pregnancy and marriage dashed her ambitions. So instead they turned their hopes and expectations on Lydia, forcing her to resort to lies and deception to keep them happy. Meanwhile, their other children, Nath and Hannah, watched from the fringes, knowing they would never have their parents' full attention. But Nath knew that Lydia was buckling under the pressure - and something had to give. This novel bounces back and forth in time, detailing the investigation in Lydia's death alongside the Lee's backstory. Each of the remaining family members is keeping secrets from the others, and each holds a piece of the puzzle. Don't expect a stereotypical thriller with this book. Instead, Celeste Ng beautifully reveals the struggle of new kind of family desperately seeking acceptance in America, as well as the darker side of parental pride and ambition. This is a highly entertaining and thought-provoking read that will linger in your mind long after you put it down. Available on PC,

What is the impact of normative motherhood on women's lives? What does an intersectional analysis of normative motherhood reveal? How is normative motherhood reflected and enacted in public policy, workplace practices, family arrangements and so on? How is normative motherhood represented and resisted in literature, art, photography, and film? How do or may women resist normative motherhood? This collection explores these questions of normative motherhood under three interrelated topics: Regulations, Representations, and Reclamations.
