Become a Super Seller on Fiverr Linda Young,2020-05 Hi I am Linda and I am currently a Level 2 seller at Fiverr. This book is a training course in which I have shared unique tips and strategies to become a highly successful seller on Fiverr and earn a four figure income every month. If you have not yet found success in freelancing then you have most likely fallen

into a cyclical trap of competing with others to bid on projects for a \$10 job in many freelancing sites. Fiverr however is quite different and here you have the opportunity to sell your services to buyers WHO WILL APPROACH YOU rather than you approaching them. I have been freelancing on Fiverr for the last four years and have done fairly well for myself. Anyone can earn as a freelancer. You do not need a specialized skill to earn in Fiverr. I created this course so that existing sellers on Fiverr can succeed the way I did. I also have new freelancers to join Fiverr and do the right things at the beginning so that they can be at top of their game as well. This book is very important for Level One and New Sellers on Fiverr. You will be guided on how to apply certain techniques to drive more traffic and buyers to your gigs as well as climb the existing levels to become a Top Rated Seller. If you do have a specialized skill such as writing, graphic design, programming or animation, then it is absolutely imperative that you read this book before you get started on Fiverr. I am a video editor and animator and despite having unique skill sets, it took me a while before I got my bearings right on Fiverr. Based on my own personal experiences I have penned down this book and some of the strategies that I have shared here are the ones that I tried and tested before tasting success.
