Tales From La Salle Jessie Crockett Hopkins, 2009-07-25 Through the words of poems and prose about life, love, children, friends, and family, one learns the stature of a woman who liked to make words rhyme. Never formally trained as a poet, but with the admiration and encouragement of family and friends, Jessie Hopkins used words to display her own sense of love, faith, devotion to others, and awe of life. Her simple gifts, like "Lord Help Me Climb My Mountain," bring forth quiet wisdom. The poems in this book have been collected and bound in celebration of Jessie Hopkins' life and in remembrance of the love that she and her husband Charles Hopkins shared. Use these poems to inspire you, if you enjoy a life of simple pleasures, and see them as a challenge to write your own remembered treasures.

My Favorite Inspirational Poems, Stories, Songs and Prayers Ted Baxter, 2012-09-11 This book stresses the importance of living an inspirational life. The book discusses 36 of the best places to find inspirational material, and it shows 155 of my favorite inspirational poems, stories, songs and prayers. I grew up under humble conditions. Since childhood I have used inspirations to live a happy and fulfilling life. It has permitted me to work and to obtain three university degrees without any external financial support, have a very successful 37 year professional career, and a very happy and fulfilling retirement. It permitted me to retire at 60 years old. At the age of 78 years old, I am now looking forward to a new career in book writing with Gods will and inspiration. Everyone needs inspiration to live a happier and more fulfilling life. Inspiration has permitted me to do things that I could not have done otherwise. I can not imagine living a life without inspiration in it. Its a kind of life that I would not want to live. I benefited a lot from writing this book, and I can not wait to have other people read and benefit

from the book. In this book I encourage my readers to write their own inspirational books.

Venturing into the Uncharted World of Aesthetics John Murungi,Linda Ardito,2023-01-31 The world of aesthetics is, itself, inextricable from the world as a whole. Indeed, as this book argues, it is among its essential features, and an invaluable key to its appreciation. Thus, to venture into the uncharted world of aesthetics is also to venture into this larger world, a world that might be called the “cosmos” or the “universe”. At the same time, to venture into this uncharted realm is to also blaze a trail to the self. This trail would, itself, be paradoxical, as it would end where it begins and begin where it ends. In this light, it may also be said that the uncharted world of aesthetics is the uncharted world of the self. This book provides insights into how works about aesthetics are also works reflective of the self, as well as works with endless possibilities of being.
